ROLE OF SUPPORT STAFF

- SASS staff – attendance, application of extended leave and administrative enquiries, payments over the phone
Online – parents can make payments, explain absences
- *Counsellor & Learning Support staff* – learning and welfare issues.
- *Mentors* – Students will have the opportunity to choose a teacher as their mentor for their senior studies. This is another person to support them through their HSC.

ROLE OF YEAR ADVISOR

The Year Advisor is the link between welfare resources in the school, wider community, the student and the family.

The Head Teacher Welfare will become involved for case management for families and students for significant welfare concerns

Academic and class related issues should first be directed to the teacher, then you may escalate to the head teacher

ENGLISH

The overall aim of the Preliminary HSC English courses is to enable students to understand, use, enjoy and value the English language and to become thoughtful, imaginative and effective communicators in a diverse and changing society.

- Students explore, evaluate and appreciate a wide variety of increasingly complex texts from Australian and other societies.

In all courses, there is a focus on reading, writing, speaking, listening, viewing and representing.

- In **English (Standard)** students develop their expertise in English by responding to wide variety of texts in different forms and media.
- In **English (Advanced)** students develop creative and critical skills in their composition of and response to more complex texts
- In **English as a Second Language (ESL)** students develop their use, understanding and appreciation of English, to enhance their personal, social and vocational lives.
- In **English (Extension)** students engage with complex levels of conceptualisation and work in increasingly independent ways.

ASSESSMENT PREPARATION

- Be organised, know due dates!
- Plan early – proof read and edit
- In the lead up to assessments use study periods to organise notes and resources
- Ask questions, seek advice
- Read through tasks carefully
- Look at the marking criteria

ASSESSMENT POLICY

- Assessment tasks are to be submitted on time
- If a student is away the day a task is due, they must provide an explanation in writing from the parent.
- The letter and task are to be submitted on the first day back at school.

- If no explanation is provided, then the student will receive a mark of zero. However, the task must still be completed to complete the course.

- Students and parents will be notified in writing when a mark of zero is awarded.
