FABRIC/TRIM

Grading:

- All Kravet, Lee Jofa and Ralph Lauren Fabrics that are suitable for upholstery are graded into all Kravet Furniture.
- Some Kravet, Lee Jofa and Ralph Lauren Fabrics are not suitable for all products and are not graded but are available separately at Grade 5.
- Kravet Design: COM is Grade 5
- Kravet Smart: COM is Grade 5 + \$200
- Trim is not able to be graded

Application:

- Kravet Design fabrics are applied in a fully 4 way horizontal and vertical match based on an Up the Bolt direction.
- Kravet Smart fabrics are applied up the bolt in a flow match method for the most pleasing match.
- In the absence of instructions, fabric will be applied to the best judgment of the factory. Kravet Fabrics will be applied as swatched.

Backing:

- Synthetic or knit backing is recommended to prevent unraveling at seams. Backing is already included on graded fabrics when required. If backing is required on ungraded Kravet Fabrics it will be applied at no cost to the customer but will delay production 10 business days.
- Delays: Backing after receipt of fabric will delay production 10 business days.
- Backing required on COM fabric is the responsibility of the customer but available through Kravet at the following cost:
 - Synthetic backing: \$5/yd @ \$125 minimum
 - Knit backing: \$15/yd @ \$125 minimum
 - Nanotex: \$3.50/yd @ \$125 minimum
 - Nanotex with Durablock: \$8/yd @ \$150 minimum
 - Teflon: \$3.50/yd @ \$100 minimum
 - Flame Proof: \$4/yd @ \$120 minimum

Inspection:

- All Kravet Fabrics are inspected before they are shipped to the factory and again on receipt at the factory. If there is a defect we will correct immediately and advise the customer only if there is an issue affecting the order's timeliness.
- COM fabrics if pulled from production will be returned to the customer for replacement.

Suitability:

- Fabrics not suitable for upholstery will not be guaranteed for appearance or durability.
- Kravet cannot guarantee any fabric for wear or durability.

COM REPEAT CHART

Plaids: Add 10% after calculation

Stripes: Use the horizontal repeat

WIDTH	PLAIN	1-7"	8-13"	14-21	22-27"	OVER 27"
54	0%	10%	10%	25%	30%	40%
50-53	10%	30%	30%	40%	45%	55%
48-49	20%	30%	30%	40%	45%	55%
45-47	20%	70%	70%	80%	85%	105%
36-44	40%	70%	70%	80%	85%	105%

The chart above covers most fabric repeats. However, unusual patterns will require additional fabric - i.e., halfdrops, sidedrops and borders. If your fabric (Kravet or COM) requires additional yardage to produce the most pleasing match, we will contact the customer for the additional yardage.

LEATHER

Grading:

- COL pricing and square footage is noted separately.
- LB Value Leathers include a limited selection of aniline leathers. They are aniline dyed corrected and protected natural leathers. Good hand. Most natural markings hidden, more uniform color. Cleaning: Code P. Resistance to fading is high. Average Hide Size: 48 sq. ft. • \$30 per sq. ft. retail. "LB" Value leathers are applied with as few seams as possible, however depending on the applications and/or the size of the area to be upholstered, seams will be included and unavoidable.

• "LB" Value Leather available:

P/Black	P/Navy	P/Vintage
P/Brandy	P/Sable	P/White Sands
P/Brownstone	P/Sage	S/Moonbeam
P/Chocolate	P/Scarlet	S/Oyster
P/Cognac	P/Seabreeze	S/Porcelain
P/Desert	P/Tan	S/Slate
P/Kelp		S/Whisper Grey

CUSTOM QUOTES:

Custom Quotes must be reviewed for suitability by Kravet Furniture before acceptance for production. Kravet Furniture will produce a custom piece as requested to the best of its ability but reserves the right to refuse to produce an unsuitable custom request. Due to the research on each custom quote, quotes will be reviewed and prepared within 36 hours of receipt.

***PRODUCT CARE**

To ensure the longevity of your Kravet Occasional follow the guidelines below:

- Dust frequently with a soft cloth in the direction of the wood grain.
 - Clean surfaces with a damp cloth and then dry immediately with a soft cloth, lightly buffing the piece in the direction of the grain. Do not use any chemicals.
 - We recommend the use of coasters, placemats, tablecloths and table pads when eating, drinking or writing on your furniture. Blot all spills immediately, and keep solvents, alcohol, nail polish and polish removers away from furniture surfaces.
 - Use protection when placing items of cold or hot temperatures on the furniture surface.
 - Do not expose pieces to continual, direct sunlight.
- *Product Care Instructions for Acrylic Tables are available upon request

Custom Finish:

A sample must be submitted to prepare a strike off. Kravet Furniture researches each request and reserves the right to refuse an unsuitable finish. Pricing for an accepted strike off and finish application will be provided upon acceptance of the custom request.

Codes:

All Kravet Furniture meets TB117-2013. All other codes can be met, please call for a quotation.

STANDARD CONSTRUCTION • kravetdining

All kravetdining pieces are made to exacting specifications and meet the highest quality standards. Only the finest materials and components are used.

1. All kravetdining is hand carved and hand turned using kiln dried American Hard Maple. Each piece is guaranteed for life of the original owner under normal wear conditions.
2. All kravetdining pieces are made using a combination of double dowel, mortise and tenon and screws and glue.
3. All plank tops are random widths to closely replicate original methods of construction. All inlaid plank tops are lightly scored on edge bands.
4. All drawers are individually fitted to open and close smoothly and tightly on themselves.
5. All extension leaves are internally reinforced with steel bars to prevent warping. All center extensions include aprons and operate with steel glides. All pedestal extensions utilize a specially designed gear system.
6. All hardware is solid cast.
7. All chair seats are made from the highest quality foam, covered and webbed for superior support and comfort.
8. All fabric is applied standard up the bolt.
9. All welts are standard cut on the bias.
10. All kravetdining distress is hand applied using a combination of physical distress tools and in a method intended to replicate natural aging and wear patterns. Each piece is individual.
