### **ACC QUICK HITS**

- Week three of the ACC football season includes two league matchups in primetime Saturday night, two games against Big 12 opponents, one against the Big Ten and a Friday night non-conference battle between long-time league members Wake Forest and North Carolina.
- Ten ACC teams enter the third week of the season undefeated and seven are either ranked (No. 1 Clemson, No. 25 Virginia) or are receiving votes in one of the top 25 polls (Boston College, North Carolina, NC State, Syracuse and Wake Forest). This is the second consecutive season Virginia has appeared in the AP Top 25 poll.
- Against non-conference competition, the ACC was 11-1 last week, and is 15-5 overall this season. Three of the five losses were against teams ranked in the top 10.
- Two primetime conference games wrap up Saturday's league slate. Coastal Division favorite Virginia plays host to Florida State at 7:30 p.m. on ACC Network. It is Florida State's first visit to Charlottesville since 2010. Also at 7:30 p.m., Clemson travels to Syracuse for a key Atlantic Division game on ABC. The Orange has played Clemson as close as anyone over the last two seasons, falling by four points in 2018 and winning by three in 2017. Last year, Clemson needed a Travis Etienne touchdown with 41 seconds remaining to rally for a 27-23 win.
- The Tigers have won 17 consecutive games, which ties for the second-longest streak in ACC history. Florida State (1999-2000) and Clemson (2014-15) also won 17 in row. The league record is 29 straight by Florida State from 2012-14.

### ACC Win Streaks

ACC WIII Sticars
29 - Florida State, 2012-14
17 - Clemson, 2018-present
17 - Florida State, 1999-2000
17 - Clemson, 2014-15

- Two ACC charter members Wake Forest and North Carolina are playing a non-conference game on Friday at 6 p.m. in Winston-Salem, North Carolina. The game will be televised by ESPN. It is the first time two ACC schools have played each other in a regular season non-conference game. The two schools met annually from 1944 to 2004, but in 2005 the ACC moved to a divisional format with Wake Forest in the Atlantic and North Carolina in the Coastal. The schools have played just five times since 2004, the most recent coming in 2015. Wake Forest will visit North Carolina for another non-conference game in 2021.
- Both North Carolina (2-0) and Wake Forest (2-0) are unbeaten and receiving votes in at least one top 25 poll. The Deacons are seeking a 3-0 start for the second time in the last three years. Carolina has not opened with three consecutive wins since 2011.
- In a battle of ACC and Big 12 teams, Boston College plays host to Kansas on Friday at 7:30 p.m. on ACC Network, and NC State travels to West Virginia on Saturday for a noon matchup on FS1. The Wolfpack and Mountaineers were scheduled to play last year, but the game was canceled due to Hurricane Florence.

### ACC NOTES

The ACC won both games last year against the Big 12 (Duke over Baylor; Syracuse over West Virginia).

- In the 100th meeting between the two schools, Pitt goes on the road to face No. 13 Penn State Saturday at noon. The Panthers are looking to end a two-game skid to the Nittany Lions.
- Clemson running back Travis Etienne has 40 career rushing touchdowns, which ranks just outside the top 10 career leaders in ACC history. North Carolina's Mike Voight (1973-76) is 10th with 42. Pitt's James Conner (2013-14, 2016) holds the ACC career mark with 52. Etienne also has 42 career touchdowns (40 rushing, 2 receiving), which ranks 14th in league history.
- North Carolina head coach Mack Brown has won 71 games at UNC, which is one shy of tying Dick Crum for most at UNC. The 71 wins are the 17th-most in ACC history. Brown passed Bobby Ross (70 wins) with the victory over Miami. Brown's 44 ACC wins tie him for 12th all-time with Danny Ford and Al Groh.
- Eleven ACC head coaches have won at least 50 career games, including five with more than 100 victories. The five 100-win coaches are UNC's Mack Brown (246), Wake Forest's Dave Clawson (120), Clemson's Dabo Swinney (118), Virginia's Bronco Mendenhall (117) and Duke's David Cutcliffe (112). No other conference has as many coaches with 100 career wins.
- Wake Forest receivers have won back-to-back ACC Receiver of the Week honors. Sage Surratt captured the honor in week one with 158 yards and a touchdown vs. Utah State. Last week, Scotty Washington caught seven passes in a 41-21 win at Rice and posted career-highs with 158 receiving yards and two touchdown catches. Washington caught scoring passes of 25 and 59 yards from QB Jamie Newman.
- Virginia captured ACC Specialist of the Week in each of the first two weeks of the season. PK Brian Delaney booted three field goals in the opening week vs. Pitt, and return man Joe Reed had a 100-yard kickoff return for a touchdown in the second quarter of Saturday's win over William & Mary.
- The ACC leads the country with eight starting quarter-backs in the NFL. NC State leads all schools with three starters Jacoby Brissett (Colts), Philip Rivers (Chargers), Russell Wilson (Seahawks). Other starters from the ACC include Louisville's Lamar Jackson (Ravens), Boston College's Matt Ryan (Falcons), North Carolina's Mitch Trubisky (Bears), Clemson's Deshaun Watson (Texans) and Florida State's Jameis Winston (Buccaneers).

### **ACC NOTES**

The ACC has won seven national championships in football, men's basketball, women's basketball and baseball since 2015. That is the most of any conference. The ACC is the only conference to win each of those four titles over that stretch.

The ACC has won more football national titles than any other conference since 2013 (three of the last six) and more men's basketball national championships than any other league since 2015 (three of the last five).

#### Football

2013 Florida State (BCS) 2016 Clemson (CFP) 2018 Clemson (CFP)

ACC Champion Clemson won the league's eighth football national championship in 2018 with a 44-16 win over previously unbeaten Alabama. The 28-point margin of victory was the largest over a No. 1 ranked team in ACC history.

The ACC has had a team in either the College Football Playoff or the BCS National Championship Game in each of the past six years.

The ACC matched its league record with 11 bowl teams in 2018, including Boston College, Clemson, Duke, Georgia Tech, Miami, NC State, Pitt, Syracuse, Virginia, Virginia Tech and Wake Forest. The 11 bowl teams tied for the most among any conference.

The ACC finished the bowl season with six postseason wins, which tied for the most among all conferences.

The ACC is the only conference to send every team to at least one bowl game over the last three seasons. In addition, the ACC is tied for the most bowl teams (32) among all conferences over the last three years (11 in 2016, 10 in 2017, 11 in 2018).

Since 2013, the ACC has the second-best record of any Power 5 conference in the BCS, New Year's Six and CFP games, and has the most national championships (Florida State in 2013, Clemson in 2016 & 2018).

The ACC's 19 postseason wins over the last three (2016-18) years are the most of any conference.

A league-record 10 ACC teams were ranked last year in the AP Top 25 poll, including Boston College, Clemson, Duke, Florida State, Miami, NC State, Pitt, Syracuse, Virginia and Virginia Tech. The previous ACC record for most teams ranked in a season was nine in 2008. The 10 ranked teams are tied for most among all conferences.

An ACC football player has won the Heisman Trophy or the Campbell Trophy – commonly referred to as the "Academic Heisman" – in five of the last six years, something no other league can claim. Clemson DT Christian Wilkins won the Campbell Trophy last year. He is the second consecutive winner from the ACC.

In 2019, ACC teams will play more games (20) against Power 5 competition (including Notre Dame) than any of their peers.

This year, ACC teams will play more games against non-conference teams (16) ranked in last year's final Associated Press Top 25 than any other Power 5 conference.

ACC teams will play 26 games against non-conference opponents that participated in bowl games in 2018, the highest total among Power 5 conferences.

The ACC is in its sixth year of a 12-year agreement with the Capital One Orange Bowl, which will host an ACC team—either its champion or next available team—in all years when the Orange Bowl is not a semifinal site for the College Football Playoff. The opponent will be the highest ranked available team from the SEC, Big Ten or Notre Dame.

Eleven ACC football teams have an APR higher than the Division I average of 968, which ties for most among peer conferences. In all sports, the ACC leads all Power 5 conferences with 95 teams from member schools recognized in the most recent NCAA APR Public Recognition Awards.

Ten of 14 ACC Football teams earned a graduation success rate (GSR) at or above the FBS average. That was second-most among Power 5 conferences, both in terms of percentage and in total number.

The ACC remains the only Power 5 conference to have multiple teams score 90 or higher in GSR each year since 2005. Duke (96), Wake Forest (93) and Boston College (90) reached that plateau last year.

In its 2018 U.S. News and World "Best Colleges" rankings, ACC member schools combine for an average rank of 54.7, marking the 12th straight year that the ACC has led all Power 5 conferences.

### ACC DIVISIONAL TIEBREAKER

If more than one team in the same division is tied for the best winning percentage in its Conference games, the procedures listed below will be followed to determine the division's representative in the Dr Pepper ACC Championship Game:

#### Two-Team Tie:

- 1. Head-to-head competition between the two tied teams.
- 2. Win percentage of the tied teams within the divi-
- 3. Head-to-head competition versus the team within the division with the best overall win percentage. (Divisional and non-divisional) and proceeding through the division. Multiple ties within the division will be broken from first-to-last using the league's tiebreaking procedures.
- 4. Overall win percentage versus all common non-divisional opponents.
- 5. Combined win percentage vs. all non-divisional opponents.
- 6. Win percentage versus common non-divisional opponents based on their order of finish (overall conference win percentage) and proceeding through other common non-divisional teams based upon their divisional order of finish.
- 7. The tied team with the higher ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
- 8. The representative shall be chosen by a draw as administered by the Commissioner or the Commissioner's designee.

### Three-Team (or More) Team Tie

(Once a team is eliminated from the tie, the tie-breaker procedures restart for the remaining teams. If the three (or more) team tie can be reduced to two teams, the two-team tiebreaker format will then be applied.)

- 1. Combined head-to-head win percentage among the tied teams.
- 2. Win percentage of the tied teams within the divi-
- 3. Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference win percentage, and proceeding through the division. Multiple ties within the division will be broken first to last, using the league's tie-breaker policies.
- 4. Combined win percentage versus all common non-divisional opponents.
- 5. Overall win percentage versus non-divisional opponents.
- 6. Win percentage versus common non-divisional opponents based upon their order of finish (overall win percentage) and proceeding through other common non-divisional opponents based upon their divisional order of finish
- 7. The tied team with the higher ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
- 8. The representative shall be chosen by a draw as administered by the Commissioner or the Commissioner's designee.
