SUPERVISED STUDY/RESEARCH & INDEPENDENT STUDY COURSES

Step 1: Request the course on ACORN. Your status will be INT. You will not be officially enrolled until you complete the remaining steps (below).

Step 2: Meet with the Supervisor and obtain their signature on a 'Supervised Study form'. Make sure the course code, supervisor name and title of the project is clearly printed on the form as this information will appear on your transcript. The Supervised Study form is available at the Registrar's Office (Highland Hall, First Floor). Your Department listed below may require additional paperwork. Students should contact the Office listed for more information.

Step 3: Submit the signed Supervised Study form to the Registrar's Office by the last day to add courses for the session. Staff will update your course status on ACORN from interim (INT) to approved (APP).

CSCC63H3Y - Computability and Computational Complexity

Enrolment Control: P

Initially, CSC courses are open to all UTSC CSC program students, and all other UTSC students who require this course for their program. Students must also meet the course pre-requisite(s).

Starting shortly after **Friday, April 12th 3:00pm**, B-, C- and D-level CSC courses will be opened to all UTSC students who meet the pre-requisites. Students who do not require this course for their program must meet additional Cumulative GPA (CGPA) requirements:

*A student who is not in a CSC program and does not have a CGPA of at least 3.0 may not take any B- level CSC course, with exception of CSCB20H3.

*A student who is not in a CSC program and does not have a CGPA of at least 3.0 may not take any C- or D-level CSC course.

*When a B-, C-, or D-level CSC course approaches its capacity, CSC program students will be given preference for further enrollment over non-CSC program students.

Refer to the computer science section of the calendar for more information on admission to courses.

Information

All students must enroll in a tutorial section. Students enrolled in the Lecture will be accommodated in a tutorial. When the term starts, if necessary, additional tutorials may be added to accommodate all students enrolled in the Course. Keep checking ACORN. More information will be provided during the first class.
