Who We Are

OUR MISSION

Every year, hundreds of thousands of students choose The City University of New York for a multitude of reasons that can be summed up as one: opportunity. Providing accessible education of value, regardless of background or means, has been CUNY's mission since 1847. CUNY's combination of quality academics, affordability, and 15 graduate campuses throughout New York City's five boroughs offers a unique educational experience to 30,000 graduate students. New York City is a cultural and economic powerhouse that functions as a dynamic and vibrant classroom. It serves as an incubator for ideas big and small and provides an opportunity to work with and learn from the best in the world.

Graduate School Checklist

- Choose the program(s) that you would like to pursue.
- Attend an Information Session or schedule a visit to learn more about the program(s).
- Research the admission requirements and deadlines. These vary depending on the college and program.
- Check to see if standardized tests (ex: GRE) are required to plan ahead.
- Request offical transcripts from all colleges attended.
- Contact your professors or employers, to write your 2-3 letters of recommendation. It is helpful to provide recommenders with a personal statement.
- If you have international documents, check to see if an external evaluation and/or translation is needed. This process can take several months.

Congratulations on starting this journey!

Doctoral & Juris Doctor Degrees

CUNY's doctoral programs are among the best in the world. With our unique fellowships, most students attend tuition-free. Our faculty and students are winners of the Nobel and Pulitzer prizes and Guggenheim and Fulbright fellowships, among many other accolades. In addition, the Graduate Center is proud to rank #8 in the U.S. for awarding Ph.D.'s. to students from underrepresented minority groups.
