Development and implementation timelines are subject to State Board for Educator Certification (SBEC) and legislative action. This table will continue to be updated as certificates are established, and new exams are developed.

- Pedagogical Requirement(s):** Candidates receiving a first Texas certificate for a classroom teaching area must pass a Pedagogical examination in addition to the content-pedagogy test(s) required. Candidates adding a supplemental certificate to an existing certificate, certifying in additional areas by examination, or certifying in non-teaching areas like Principal or School Librarian may not need another pedagogical exam.
- Certificates Scheduled for Deletion:** For certificates and/or tests set to expire, candidates must meet the deadlines to complete requirements such as testing, coursework, and internships/student teaching by the posted deadline and must also apply and be recommended by their educator preparation program for certification by posted deadline of the specified year. Candidates may use scores if they meet all certification requirements, apply and be recommended for certification by deadline. The [Science of Teaching Reading](#) exam will be required for certificate issuance for specified fields beginning 1/1/21. No exceptions are available for this legislative requirement.

Development and implementation timelines are subject to State Board for Educator Certification (SBEC) and legislative action. This table will continue to be updated as certificates are established, and new exams are developed.

- Pedagogical Requirement(s):** Candidates receiving a first Texas certificate for a classroom teaching area must pass a Pedagogical examination in addition to the content-pedagogy test(s) required. Candidates adding a supplemental certificate to an existing certificate, certifying in additional areas by examination, or certifying in non-teaching areas like Principal or School Librarian may not need another pedagogical exam.
- Certificates Scheduled for Deletion:** For certificates and/or tests set to expire, candidates must meet the deadlines to complete requirements such as testing, coursework, and internships/student teaching by the posted deadline and must also apply and be recommended by their educator preparation program for certification by posted deadline of the specified year. Candidates may use scores if they meet all certification requirements, apply and be recommended for certification by deadline. The [Science of Teaching Reading](#) exam will be required for certificate issuance for specified fields beginning 1/1/21. No exceptions are available for this legislative requirement.
