## Outstanding Faculty Mentor of Junior Faculty

Anna Dunaevsky, PhD  
College of Medicine  
Neurological Sciences

Maneesh Jain, PhD  
College of Medicine  
Biochemistry and Molecular Biology

# The University-wide President's Faculty Excellence Awards

**Armando De Alba Rosales, M.D.**, assistant professor in the Department of Health Promotion, College of Public Health, is a 2020 Innovation, Development and Engagement Award (IDEA) winner.

## About the award

The university-wide President's Faculty Excellence Awards recognize faculty whose work has had a significant impact on students, the university and the state.

The Innovation, Development and Engagement Award (IDEA) recognizes faculty members who have extended their academic expertise beyond the boundaries of the university in ways that have enriched the broader community.

Winners – who are selected by a university-wide committee of faculty members and, in the case of the engagement award, community members – receive \$10,000 each, a presidential medallion and an engraved plaque.

# 2019-2020 Faculty Senate Executive Committee
