VERSE MAPPING

VERSE MAPPING PROCESS

1. Read the verse.
2. Read the verse in context: read the preceding and following verses or whole chapter. See how it ties in to the verses before and after it.
3. Write out your verse. (in this box, leave plenty of space around it, between the lines and between the words.)
4. Personalize it: replace words like “you”, “we”, “us”, “them” with your name.
5. Mark, circle, underline, highlight words and phrases that stand out to you. Any words make you want to dig deeper? Look up and define any words that need clarification.
6. Read the verse in other translations: note which words or phrases help you understand or apply the verse.
7. Cross-reference the verse: find, list and read other verses which speak about the same topic.
