MAY 19, 2020

COLUMBIA COLLEGE
COLUMBIA UNIVERSITY IN THE CITY OF NEW YORK

MY COLUMBIA COLLEGE
Journey

Congratulations to our graduates and their families on reaching this milestone in their
Columbia College journey.

To our graduates: We are so very proud of you. Each choice you've made — every class,
extracurricular activity, internship, residential experience, research opportunity, conversation and
interaction — has brought you to this point. As you reflect on all of the skills and capacities you have
developed while at the College, you will see that your various experiences are part of a continuum
of who you are and who you will become.

Best wishes for wherever your journey takes you after Class Day,
and may your path be forever paved with

Pantone 292.
