**Southeast Missouri State University is and always has been special!** The beauty of the campus, the high quality of its educational offerings, and the genuine kindness of the people ... students, faculty, staff, alumni, and friends ... make it a place we are proud to call home.

The pride that we share in this institution is well deserved. Many remarkable accomplishments throughout our nearly 150-year history are worthy of celebration. And we anticipate with excitement the future we are creating ... as our students prepare to change the world as scientists, educators, entrepreneurs, artists, pilots, performers, programmers ... And the list goes on.

As a University, we work diligently to provide the programs, technology, facilities, and financial support to our students so their dreams come true. Our faculty and staff are committed to creating a wonderful environment for our students to learn and thrive, and our students are eager to take full advantage of the many opportunities available to them at Southeast Missouri State University.

We remain committed to providing a top-quality education available to all who wish to pursue a university degree ... and you play a critical role in making this possible. Your generous support shapes tomorrow, ensuring a life-changing experience for the dedicated students of today who will become proud alumni of Southeast Missouri State University!

Thank you for the part you play in preparing Southeast students for success in their chosen careers and in their lives. Because of you ... our donors, alumni, and friends ... Southeast has a strong foundation on which to build a bright tomorrow.

Thank you for your generosity and commitment!

Sincerely,

A handwritten signature in black ink, appearing to read 'Carlos Vargas', with a stylized flourish at the end.

Dr. Carlos Vargas  
President  
Southeast Missouri State University

# *the* PRESIDENT'S COUNCIL

The President's Council is comprised of individuals and corporations who are investors in the success of Southeast Missouri State University. Their legacy is reflected in the accomplishments and achievements of Southeast's students.

Their commitment to Southeast has led these alumni and friends to make cumulative gifts of \$20,000 or more as individuals and \$50,000 or more as corporations.

It is with deep gratitude that we honor all members of The President's Council.

## LEGACY MEMBERS (Prior to 1982)

\*Earl G. Gramling

Southeast Missouri State University

# *the* HORIZON CLUB

The Horizon Club members are individuals who have provided for future Southeast students through wills, trusts, annuities, life insurance policies, or other planned gift arrangements. We fondly remember alumni and friends whose planned gifts have come to fruition and are now changing the lives of Southeast's students, and ultimately, the world. It is with deep gratitude that we honor all members of the Horizon Club.

# LEAVING A LEGACY

Nearly 40 years ago, Southeast Missouri University Foundation was established to accept and manage all gifts and bequests made in support of Southeast Missouri State University. The most recent fiscal year (July 2020 to June 2021) has been one of the Foundation's most successful years ever, having raised nearly \$8 million in total revenue. And a great year for the Foundation translates into many new and exciting opportunities for Southeast and its students.

Much of this success is due to the thoughtful planning of alumni, retired faculty, and friends who included the Foundation in their estate plans many years ago. These generous donors planned for the future of Southeast and, as a result, are making an incredible difference for our students today.

Each of these thoughtful individuals were part of our Horizon Club, through which we were able to thank them for their foresight and confidence in us. Over the years, they interacted with faculty, staff, and students, and were able to share with us their wishes for the future impact of their gift. Through these conversations, the planned gifts received this year have varied greatly in size and purpose, but every gift will make a positive impact on the lives of SEMO students. Our donors planned for our future, and the future is now.

Estate planning is a deeply personal process and a great way to leave a legacy for the areas you care most about. One donor who made a planned gift ensured that the Biology Department would receive an additional \$4,000 to make the lives of students better through new equipment. Another generous donor provided \$27,000 to support the football team and help secure more Redhawk wins. Several gifts ranging from \$15,000 to more than \$2 million will change the lives of students through scholarship support according to criteria established by the donors. With the burden of the financial cost of education alleviated, these scholarship recipients can achieve their dreams and change our world.

The plans we make now will make a significant difference in the future. Your support helps to make the Southeast experience everything that it has been and will continue to be. If you are interested in changing the future by planning your gift today, Foundation staff can work with you to create a gift in your estate plan for the future of our students.

Please contact the Foundation at (573)651-2332 or [foundation@semo.edu](mailto:foundation@semo.edu) to learn more about your options.

WEH KING ALUMNI CENTER

# *the* COPPER DOME SOCIETY

---

Members of the Copper Dome Society give \$150 or more during the fiscal year (July 1, 2020 to June 30, 2021). These individuals demonstrate their commitment and leadership by enabling students to receive scholarships, the latest classroom technology, and experiences outside of the classroom which are so vital for learning today.

## PILOT PROGRAM TAKES FLIGHT AT SOUTHEAST

In fall 2021 Southeast Missouri State University welcomed its inaugural group of students in its Professional Pilot program.

With a partnership with US Aviation Group (USAG) and the Cape Girardeau Regional Airport, students will have the ability to earn a Bachelor of Science in Professional Pilot.

## REDHAWKS MAKE HISTORY

Southeast Missouri's vision of winning the Ohio Valley Conference Commissioner's Cup became a reality when the Redhawks claimed the league's ultimate symbol of overall athletic excellence in Conference-sponsored championships for the first time in school history. While competing in the middle of the COVID-19 pandemic, the Redhawks celebrated a dominating spring season with first-place finishes in women's tennis, women's track and field, softball and baseball, and a second place finish in men's track and field. The Redhawks also posted third-place finishes in women's basketball, soccer and volleyball.

## BRINGING THE WORLD TO SOUTHEAST

International Education Week was celebrated nationally November 15 - 19, but Southeast celebrated international education for the entire month of November. Southeast is home to students from 66 countries, representing nearly 33% of the countries in the world. The biggest celebration during International Education Week was Carpe Diem, which allowed students to experience the diverse cultures Southeast students represent.

# RECOGNITION SOCIETIES

Our donors are incredibly generous in their giving, with many giving to multiple areas and in a variety of ways. Recognizing that generosity is vastly important to us, and we want to make our donors aware of the changes we've made to our recognition societies. Beginning July 1, 2021, the Southeast Missouri University Foundation will acknowledge its donors in the following ways, which will be reflected in the 2022 Honor Roll of Donors.

## PRESIDENT'S COUNCIL

recognizes individuals who have made lifetime gifts of \$20,000 or more and corporations who have made lifetime gifts of \$50,000 or more to the Southeast Missouri University Foundation.

### PRESIDENT'S COUNCIL LEVELS

|                |                         |
|----------------|-------------------------|
| Governors Club | \$1,000,000 and greater |
| Ambassador     | \$500,000 - \$999,999   |
| Fellow         | \$250,000 - \$499,999   |
| Benefactor     | \$100,000 - \$249,999   |
| Builder        | \$50,000 - \$99,999     |
| Hall of Honor  | \$20,000 - \$49,999     |

## HORIZON CLUB

honors individuals who have made a life-income gift or bequest provision to the University.

## COPPER DOME SOCIETY

recognizes donors who have given \$250 or more in the current fiscal year, who through their philanthropic support of the Southeast Missouri University Foundation, help to advance the University. Donations may be made to any fund. Membership in the **Copper Dome Society** is renewable annually by making a qualifying gift.

### COPPER DOME SOCIETY LEVELS

|          |                               |
|----------|-------------------------------|
| Platinum | \$10,000 and greater annually |
| Gold     | \$5,000 - \$9,999 annually    |
| Silver   | \$1,000 - \$4,999 annually    |
| Bronze   | \$250 - \$999 annually        |

# 2021 FRIENDS *of* THE UNIVERSITY

The Friend of the University Award is the highest honor bestowed by the Southeast Missouri University Foundation. Recipients of this honor must have the respect of the community and the University and must have acted to confirm their interest and involvement with the University.

Dwain and Susan Hahs of Jackson, Missouri, are the Southeast Missouri University Foundation 2021 Friends of the University.

The award honors the Hahs' long-time commitment to philanthropy and generosity at Southeast Missouri State University.

For Dwain and Susan, giving back to their community and everyone around them is just part of who they are and how they live. "It is quite an honor and humbling," said Dwain Hahs. "Giving back is important...both Susan and I are involved in a lot of organizations. It's all about giving back."

"Anytime you can help somebody, it doesn't matter if it is a scholarship or giving a free meal or anything, it just gives you a warm heart that you are able to do that," said Susan Hahs. "Not only financially, if someone just needs a pat on the back, if you are able to help them and maybe help them throughout their life that just gives you a good feeling."

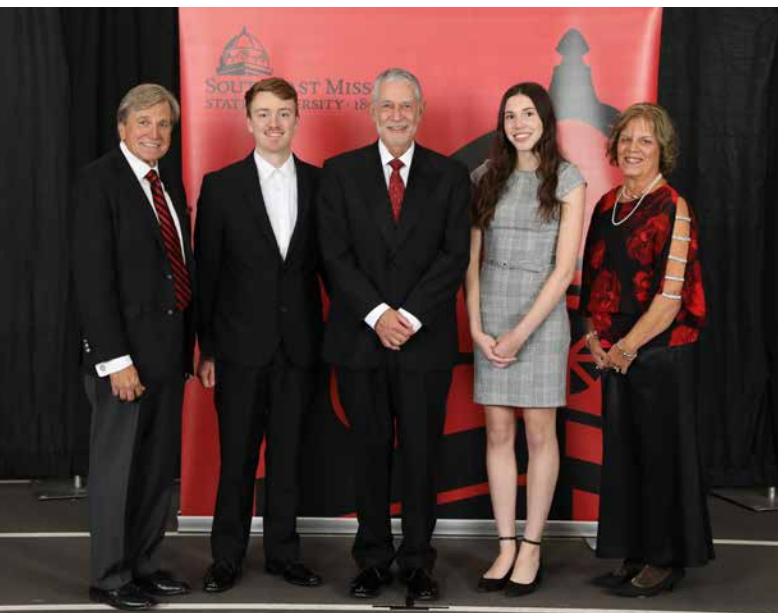

The Hahs have made many notable contributions to Southeast. They have established two scholarships, the Dwain and Susan Hahs Endowed Scholarship and the Dwain and Susan Hahs International Studies Fund. In honor of Mrs. Hahs' father, a Southeast nursing graduate, they have made significant donations to the nursing program.

In recognition of their generosity, the Hahs have been annual members of the Copper Dome Society for the past 20 years. Additionally, their contributions make them President's Council members, the highest level of donor contribution for the Foundation. The Hahs are also members of the Horizon Club for their planned giving commitments.

In addition to their generous donations, the Hahs have served in multiple volunteer roles. Mr. Hahs is a member of the Foundation board and served as Chairman from 2012 to 2014. From 2010 to 2015, he served as the co-chair for the highly successful "Honoring Tradition, Inspiring Success" campaign. And, since moving back to Southeast Missouri after Mr. Hahs' retirement, the couple have been loyal fans and supporters of Redhawks sports teams.

After graduating from Southeast in 1974 with a Bachelor of Science in Business Administration and a major in marketing, Mr. Hahs' career has taken him and Susan to Hong Kong, Canada and the United Kingdom. Mr. Hahs spent 33 years with Bausch & Lomb. He is currently President of Stonehenge Management, LLC and the Mayor of Jackson, Missouri.

Mrs. Hahs started her nursing degree at Southeast but finished her degree elsewhere, as she and Dwain married and they moved away before she could complete her program. Her ties to Southeast run deep however, as her father, Billy Joe Thompson, was the first male graduate of the nursing program in 1962. Mr. Hahs' father also graduated from Southeast, and both have siblings that graduated from the University as well.

Scholarship Reception 2021

## *Impactful changes...*

Southeast Missouri University Foundation, like the rest of the world, has overcome many challenges during the last year and a half. In a fast and ever-changing world, we have learned to adapt and seek out the best processes for staying connected with and engaging our alumni, donors, and friends.

Technology seems to be at the forefront of these fast-paced changes, and we're proud to be moving in the right direction!

We have fully implemented a new web-based database platform, along with a brand-new cloud fundraising solution being used by our annual giving program telefund callers.

Southeast Missouri State University completed a two-year overhaul of the University's website, including the Foundation's website, [semo.edu/foundation](http://semo.edu/foundation).

The Foundation has contracted with ThankView, a personalized video program that allows us to deliver scholarship recipient videos to donors by email. All endowed scholarship contacts who have an active email address on file received a ThankView video during the week of Thanksgiving.

Finally, after 40 years, Southeast Missouri University Foundation has updated its logo. The new logo was debuted at the 2021 Copper Dome Dinner, and Foundation materials will be updated over the next several months to incorporate the new logo.

We appreciate our alumni, donors, and friends for their patience as we've made these changes. Just as these changes help us to connect with you, please know that your generosity continues to make impactful changes in the lives of Southeast students.

### Mr. John Moore

Operations Director  
jpmoore@semo.edu

### Ms. Lindsey Grojean

Administrative Assistant  
lgrojean@semo.edu

## *Farewell, Not Goodbye*

The Southeast Missouri University Foundation is saying farewell to two very important people at the end of FY22, as they move on to the next chapter of their lives.

Mrs. Susan Burton has been the backbone of the Foundation since its inception, nearly 40 years ago. She served under 7 Presidents, 11 Executive Directors, and too many Board Chairs to count. Susan officially retired from the University in 2014, but remained a vital member of the Foundation, working part time handling the Foundation's finances and as Foundation Board Secretary. This year, she stepped down as Board Secretary.

Dr. Trudy G. Lee has served the Foundation in many roles since joining the team in 2001. She began her journey at Southeast as the Director of Planned Giving, a role she continued through 2020. She also served as Assistant Vice President for University Advancement for several years before accepting the Interim Vice President position in 2018. In 2020, she was named Vice President for University Advancement. Her years as Director of Planned Giving served the Foundation well, and she has seen the culmination of her work with donors come to fruition as the Foundation had its best year on record in FY21, and is on track to surpass that record for FY22.

The last two years have brought many obstacles and changes – navigating a pandemic, implementing a new database platform, revising bylaws and policies – but with Susan and Trudy's leadership and experience, the Advancement team has been able to make amazing progress and achieve incredible success.

To these two colleagues and friends, we say farewell, not goodbye. You will be missed by those of us lucky enough to have served with you, but your legacies will live on in the accomplishments you've made and the lives you've touched.

*thank you for  
your years of  
service*
