Luxury Motor Coach

2020 Luxury Mountain Aire

“We are very pleased with
our beautiful Mountain Aire.”

Val and Susan Wood
Proud Owners of a 2018 Mountain Aire

Roland Weaver

Ceramic Flooring
15 Years in Craft

At Newmar, I work with others in my group to clean, move, stage, and set up the ceramic floors in our coaches. I also work with floor setters to make adjustments after the floor is in the unit. All the people I work with are respectful, caring, and motivated. We all work hard to make sure things

go smoothly, even if there's a challenge. Every day, we're building a luxury product, and our customers expect it to be done right. And they're going to be enjoying it for years to come. That's why quality craftsmanship matters so much.

2020 Mountain Aire — Taking Luxury to New Heights

Featuring a redesigned exterior for 2020, the Mountain Aire commands attention with its striking full-paint Masterpiece Finish™ shown here in Artisan. Automatic headlights and a tire pressure monitoring system help assure your safety on the road, and features like OnGuard™ collision mitigation technology with adaptive cruise control, electronic stability control, and Comfort Drive™ steering make driving a pleasure. With nine available floor plans—including two that are brand new for 2020—the perfect Mountain Aire is yours to choose.

Artisan full-paint Masterpiece™ finish

Rising Above — Expectations

Whether you're the driver or passenger, you'll travel comfortably in the Mountain Aire cockpit. Both captain's chairs are heated and upholstered with luxurious Ultraleather. The queen-size passenger seat is also outfitted with a work station and a footrest. Dual 10" monitors come equipped with Rand McNally navigation, and an additional passenger side navigation monitor may be optioned. Keep an eye on your surroundings using the 360-degree camera system, featuring predictive grid lines and a tri-view rear camera. And with the Wi-Fi signal booster, you can stream your favorite shows and movies from nearly anywhere.

Floor plan 4551 with Artisan décor and Sable cabinetry

Live the — High Life

Right away, you'll feel at home in the Mountain Aire. Its impressive entertainment features include a retractable Samsung 50" 4K LED TV, a Bose® 300 SoundTouch soundbar, and a Sony® Blu-ray® player. The available theater seats, shown here, are perfect for movie night or relaxing with a book. Beneath your feet, the refreshed tile floor is equipped with radiant electric heat, while overhead, the designer feature ceiling lends an elegant decorative touch. What's more, you'll find cathedral ceilings in all rear-bath floor plans, adding additional height to the coach's interior. And thanks to three 15M Penguin™ heat pump central air conditioners and wall-mounted sensors, the perfect temperature is easily achieved.

Step 3 of Build Process
Woodworking
Handmade Cabinetry

Elevate — Cuisine

The Mountain Aire kitchen offers the perfect blend of design and functionality. Super-polished solid surface countertops complement the beautiful maple hardwood cabinetry with raised-panel doors and soft-close hinges—shown here in Sable. Discover ample room for essentials and extras alike in the large pantry, which is outfitted with pull-out shelves and a travel latch. The appliance suite includes a Whirlpool® refrigerator, a 30" convection microwave oven, a two-burner cooktop, and an optional dishwasher. And to allow even more natural light to flood the space, a kitchen window may be selected.

The Pinnacle — of Comfort

Nestled behind a beautiful hardwood door, a refined and relaxing master suite awaits you. The generously sized dresser possesses six large drawers and features super-polished solid surface countertops. Positioned opposite the foot of the bed are a Samsung LED TV and Sony® Blu-ray® player, in addition to a touchscreen that grants you control of many of your coach's functions. The king-size bed offers a luxuriously plush pillow top mattress, or you may choose to upgrade to a Sleep Number adjustable mattress. Either way, the elegant quilted bedspread and accent pillows set the scene for refreshing nights and pleasant mornings.

Step 4 of Build Process

Your Oasis — Awaits

Escape to the master bathroom in floor plan 4551 and discover a twin-sink vanity and an extra-large 50" x 34" shower with tiled walls and a glass door. Inside the shower are a fold-down seat and soap dispensers for your convenience, in addition to an Aqua Miser shower system. An optional laundry station presents you with a two-piece stacked washer and dryer, and in the cedar-paneled wardrobe, adjustable shelves permit you to tailor the space to suit your needs. The mid-ship half-bathroom welcomes guests and boasts many of the same beautiful finishes as the master.

Step 6 of Build Process
Painting
Masterpiece™ Finish

A Breathtaking — Perspective

Girard® Nova side awnings invite you to enjoy nice weather while relaxing in the shade, and the optional outdoor entertainment center is ready to host friends and family for the big game or movie night. Inside the lighted exterior baggage compartment, a Dometic freezer is positioned on a pull-out tray. Power baggage door locks add further convenience, while the keyless entry door with a touchpad and doorbell affords extra security. An optional power pass-through storage tray provides easy access to your belongings. And, a 12.5 kW Cummins® Onan diesel generator provides dependable power.

The content in our literature depicts and describes products that are subject to change. For the most recent images and information, please visit NewmarCorp.com.

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil and coolants. Does not include cargo, fresh water, propane gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

Specifications supplied by the chassis manufacturer.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to deliver you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform.

Ask your Newmar dealer for more details.

Our Partners

Newmar Quality Begins With The Company We Keep

You deserve class-leading performance from names you can trust. That's why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.

We create chemistry

BASF

The Coatings division of BASF is a global expert in the development and production of innovative and sustainable OEM and refinish coatings that deliver solutions beyond your imagination.

INDUSTRIAL FINISHES

Industrial Finishes has supported RV manufacturers for over four decades. The Industrial Finishes paint process delivers uncompromising quality, providing your coach with a true "Masterpiece" finish.

Driven By You

FREIGHTLINER CUSTOM CHASSIS

Freightliner Custom Chassis Corp. (FCCC) is renowned for delivering the industry's best ownership experience through exceptional 24/7 factory-direct support, exceptional ride and handling and developing high-performance innovations such as DRIVETECH. The only RV driving system that prioritizes safety and automotive luxury by putting every command at your fingertips.

RIVERPARK

At RiverPark, we proudly represent the leading brands in consumer electronics—brands you know and trust to provide exceptional quality, innovative technology, and cutting-edge features. Newmar features Samsung's incredible 4K TVs, Xite Infotainment systems featuring Rand McNally, Bose soundbars, and JBL and Infinity premium audio. Step into a 2020 Newmar motorhome and experience dazzling audio and video performance throughout the coach.

FLEXSTEEL®
RECREATION

FLEXSTEEL RECREATION

Flexsteel Recreation offers innovative furniture designed for a life that rarely sits still. Comfortable and space-saving, Flexsteel furniture ensures your RV is always ready for dining, sleeping, or hosting guests.

SPARTAN MOTORS

Spartan Motors is an American company with over 30 years of experience designing and manufacturing the premier motorhome chassis, which provides superior performance, exceptional safety ratings, and industry-leading technology.

Our People Make the Difference

Newmar was founded in 1968 for one simple reason:
to build a better RV.

Since then, we've focused our efforts and energy on creating residential-quality "homes on wheels," complete with handmade cabinetry and designer décors.

And every Newmar is handcrafted one at a time by men and women who have spent an average of eight years assembling them, resulting in superior-quality coaches that fully surpass their mass-produced competition.

Here, we don't just take the responsibility of designing, engineering, and constructing your motorhome seriously, we take it personally. Because in the end, our goal is not to win your trust, but earn it. Not once, but every single time you hit the road.

Join us, and discover the Newmar difference for yourself.

When You Know the Difference.
