BANNER PLACEMENT

Promote your company link or banner on our homepage for premium visibility, which provides your brand with the ultimate exposure to manufacturing candidates. Links and banners will redirect visitors to all of your company's job postings on JobsInManufacturing.

COMPANY PROFILE

Linking from your homepage banner or link, you can tell your story and what separates your organization from other companies. Your images and text will appear above a list of all of your job posts. We can also add a link to your profile within the job postings.

COMPANY LOGO PLACEMENT

Showcase your brand. We can add your company logo to the top of your job postings!

The screenshot displays the JobsInManufacturing.com website. At the top, there's a navigation bar with 'Home', 'Job Search', and 'About Us'. Below this, a section titled 'Sponsored Logistics Companies and Logistics Recruiters' lists several companies like 'Ahlson Group', 'Global ESG', 'Stanbeck Associates', 'Ted Krayer', 'The Everett Group', 'ZPSA Today', 'Tyler Search', and 'XPO Logistics'. A 'Results 1 - 25 of 1129 matches' section follows, showing a table of job listings with columns for 'Posted', 'Job Title', 'Company', and 'Location'. Below the table, there's a 'Who We Are' section, 'Featured Companies' (including 'XPO Logistics', 'Tyler Search', and 'ZPSA'), and 'Highlights' (10 Interesting Facts About Manufacturing in the U.S.). A search bar for 'LB&B Associates Inc.' is present, with a 'Search' button. Below the search bar, there's an 'Employment' section for LB&B Associates Inc., followed by a 'Background' section. A 'OUR CLIENTS STAY WITH US, HERE'S WHY.' section lists 'EXPERTISE', 'COMMUNICATION', 'CUSTOMER KNOWLEDGE', and 'EMPLOYEES'. At the bottom, there's a 'Cone Manufacturing Associate - Full Time' job listing for 'The Timken Company' in 'Bucyrus, OH', featuring the 'TIMKEN' logo and a detailed description of the role and company benefits.

Job Hunting During the Holidays

When you think of jobs in the holiday season, you most likely are thinking of the traditional retail job, working with customers in a store. However, retail isn't the only industry that sees a boom in hiring during the holidays. It's a common misconception that holidays are the worst time to apply for a job. In most cases, especially with supply chain and logistics, the holidays are a great time for your job hunt.

The holidays are a peak season for hiring with supply chain and logistics companies. With increased orders and demanding shoppers, manufacturers, warehouses, transportation, and other supply chain and logistics companies need all hands on deck to handle the increased volume. Now is the best time to apply for jobs in these industries. The holidays are a great time to find a job.
