Vendors

Odysseyware (ODY)- Courses are prescriptive, with clear and linear paths to completion that students find helpful and easy to navigate. ODY is a good fit for most learners, particularly those who are new to online learning.

Edgenuity (EDG)- Provides direct-instruction video content for lessons, making online learning more interactive and personal. They offer a large selection of unique and interesting electives. Edgenuity is a good fit for those students who are not strong readers.

eDynamic- eDynamic is the largest publisher of Career Ready and Elective courses in North America, and the only publisher solely dedicated to developing programs for students in pathways leading to industry recognized certifications.

Accelerate Education (ACC. ED)- The Accelerate Education curriculum offers rich and engaging content that has been carefully designed to meet the standards required by states. Students are engaged in a variety of activities and assessments appropriate to the courses being studied, including labs, journals, written assignments, discussions, group and individual projects, formative assessments, objective tests and written exams.

Edmentum (Edmentum)- Edmentum's powerful learning solutions blend technology with individual teaching approaches. We are committed to making it easier for educators to individualize learning for every student through simple technology, actionable data, quality content, and a passion for customer success.

BVA Courses – (BUZZ) – BVA offers a variety of courses K through 12 through the BUZZ Learning Management System. These courses are taught by BVA teachers. The core content, provided by Accelerate Education and eDynamic, rests within the BUZZ Learning Management System and is taught, modified, and adjusted by BVA teachers.
