.....

It's our great pleasure to declare that membership of Nottinghamshire County Cricket Club for 2021 is well-and-truly on sale now, with top priority for our splendid international summer going to those who join our club.

Become part of the privileged and we'll bestow first access to all world-stage cricket at our venerable venue next summer, as well as access to all the action on the domestic front as Notts go into battle across three forms of the game once more.

With a heavyweight Test Match tussle between England and India, plus the host nation aiming for a T20 triumph against mercurial opposition from Pakistan, Trent Bridge is back in the global arena with a bang.

Virat Kohli's India will lock horns with Joe Root's England in the opening Test Match of the series from Wednesday 4 to Sunday 8 August.

Pakistan, meanwhile, will bring their explosive white ball team to Trent Bridge on Friday 16 July for our venue's first Vitality International T20 since 2012.

If you wish to join our club for the 2021 season, and/or secure your seats for our international fixtures, you can do it all online at tickets.trentbridge.co.uk or by calling our friendly ticket office team on 0115 899 0300.

We'll provide further information regarding the domestic schedule, as well as details of The Hundred and the final of the Royal London Cup, in the coming weeks.

ENGLAND v PAKISTAN

INTERNATIONAL T20

Friday 16 July

We can't wait to welcome England's white-ball line-up back to our historic venue for the first time since their ICC Cricket World Cup triumph. A hearty Trent Bridge welcome awaits.

While England have been busy conquering the world in the 50-over format, Pakistan's ascension to the upper echelons of the T20 International rankings has been – in many ways – no less remarkable.

The gold star nation play their limited-overs cricket in a manner that's true to their cricketing traditions: explosive, mercurial and sporting a lethal combination of extreme pace and high-quality spin.

The stage is set for our first International T20 since 2012 and it's a contest that's not to be missed.

England men's 2021 international fixtures – match tickets

After a summer in which England fans were unable to attend matches, English cricket wishes to give supporters the opportunity to secure their seats for summer 2021 fixtures, as the England and Wales Cricket Board works with government and other sports to plan for the safe return of crowds.

This is the time of year when England fans would normally buy tickets for next summer, but the ECB and venues appreciate that the uncertainty of the Covid-19 pandemic means you may need to consider more options before you book your tickets in advance.

That is why a ticket-buying process has been created that will allow you to purchase a place for next summer's internationals with the confidence that you will be guaranteed a refund if spectators cannot be admitted.

The health and safety of spectators and staff remains the game's first priority. Ahead of 2021 matches, we will provide updates on health and safety measures and, if applicable, the process for refunds and/or other options available to ticket purchasers.

Change of Date Refund Policy

Please note that the ticket is purchased on the basis of known teams, format, venue and a provisional date. The date of the match may change. If that occurs, the new date will be communicated and you will be given two weeks in which to request a refund should you no longer wish to attend. Wherever possible, your email address will be used to contact you for this purpose. If your contact details change, kindly inform us via questions@nottsccc.co.uk or 0115 899 0300 to avoid missing the opportunity to claim a refund.

In addition, please be sure to read the standard ticketing T&Cs as detailed in the ECB's Major Match Day Refund Scheme below, which are also in place to protect your purchase should there be any cancellation of matches or a requirement to restrict entry.

Test Match Refund Policy

For days 1 to 4 of the Test Match: If, for the day for which the ticket is valid (where the date of the match has changed this means the new date of the match), the venue is unable to admit spectators OR play does not take place OR play is restricted, you will be entitled to a refund of only the match ticket value subject to there being: (a) non admittance of spectators OR zero to 15 overs played - a full refund; (b) 15.1 overs to 30 overs played - a 50% refund. In no other circumstances can money be refunded. In respect of tickets purchased in advance for the day on which this ticket is valid, the refund process will be commenced automatically by Nottinghamshire County Cricket Club to the original purchaser only. Any refunds will be processed either by refunding to the debit or credit card used to make the purchase or by BACS payment. For refund queries, please

contact our ticket office via questions@nottsccc.co.uk or 0115 899 0300. Further information is available at www.ecb.co.uk/refundscheme. Please allow 30 days for the refund process to take place. This refund policy does not apply to day 5 of Test Matches. For day 5 tickets, a full refund may be claimed on the value of the ticket only if there is no play.

Vitality International T20 Refund Policy

If, for the day for which the ticket is valid (where the date of the match has changed this means the new date of the match), the venue is unable to admit spectators OR play does not take place OR play is restricted, you will be entitled to a refund of only the match ticket value subject to there being: (a) non admittance of spectators OR zero to 10 overs are played and no result is obtained - a full refund; (b) 10.1 overs to 20 overs are played and no result is obtained - a 50% refund. In no other circumstances can money be refunded.

In respect of tickets purchased in advance for the day on which this ticket is valid, the refund process will be commenced automatically by Nottinghamshire County Cricket Club to the original purchaser only. Any refunds will be processed either by refunding to the debit or credit card used to make the purchase or by BACS payment. For refund queries, please contact our ticket office via questions@nottsccc.co.uk or 0115 899 0300. Information is also available at www.ecb.co.uk/refundscheme. Please allow 30 days for the refund process to take place.

In the event of a cancelled, behind closed doors or reduced capacity event

We reserve the right to cancel your ticket(s) due to events beyond our reasonable control and/or should we believe it is reasonable to do so on health and safety grounds. If we cancel your ticket(s) in such circumstances, you will be eligible for a refund of the face value of the ticket(s). We have absolute discretion as to which tickets to cancel in a situation where reduced capacity at the venue results in a requirement to cancel a proportion of tickets.

We reserve the right to impose health and safety related conditions which attendees must comply with (including but not limited to the provision of details of all attendees for test and trace purposes). Any attendees refusing to comply with such conditions may have their ticket(s) cancelled, be refused entry or removed from the venue.

We shall not be liable to you for failure to perform any of our obligations to the extent that the failure is caused by an event beyond our reasonable control. Personal arrangements and expenditure, including travel, accommodation and other costs and expenses incurred by you relating to a match which have been arranged by you are at your own risk, and we shall not be responsible or liable to you for any wasted or unrecoverable costs or expenditure in relation to such personal arrangements, even if caused as a result of the cancellation, rescheduling or alteration of a match for which you have purchased tickets.
