WHY CHOOSE REYNOLDS AND REYNOLDS?

PERSONALIZATION

Generate a higher return on your investment with personalized mailers that catch your customers' attention and convince them to take action.

VARIABLE PRINTING

Send the right offer to the right customers with variable printing. With one campaign you can target multiple customer segments with different offers, increasing response rates and protecting your bottom line. (See page 6 for examples).

CREATIVE DESIGN

Eye-catching design can mean the difference between your customer reading your direct mail piece or tossing it in the trash. Our creative design will get your message noticed by standing out in the mailbox.

INTELLIGENT OFFERS

Our nationwide network of marketing consultants has the experience to create offers that bring customers in. Throughout this book, you'll see examples of the ROI generated when these campaigns have been run for real dealers, and you'll see the offers that brought customers in.

OFFERS

Variable printing allows you to target different customers with different offers within one mailing. The example below illustrates how offers can be changed based on the customer's service history. Variable printing can also be used to print variable service advisor names or salesperson names.

3 different targets | 3 different offers | 1 campaign

Target 1

Current customers, who had service in the past 5 months, received **\$5.00** off.

Target 2

Recent inactive customers with no service in the past 6-8 months, received \$10.00 off.

Target 3

Longer-term inactive customers, with no service in the past 9-12 months, and customers who purchased a car in the last 6-12 months with no service visits, received **\$15.00** off.

DRIVE ACTION

"What's in it for me?" That's how a customer decides to keep or toss your offers. With shorter attention spans than ever before, it's critical that your offers instantly make the customer say, "I want that." The mailer below generated an impressive 10% response rate from inactive customers. It's a great example of an effective, stand-out mailer.
