GUERRILLA EYE-SCAN READER

Scan Documents And Hear Them Read To You

- Choose male/female voice and adjust voice speed
- Reads documents up to 8.5" x 11" a page at a time

Scan text and hear it read back. It's easy to learn with a minimum learning curve and offers the industry's highest level of accuracy along with outstanding sound quality. Place the printed document on the flatbed scanner, and Eye-Scan takes approximately 10-12 seconds to capture and begin reading it. Voice volume is adjustable using a control wheel on the base of the unit.
