Extraordinary Mackinac Island Experiences

Dear Guests,

Welcome to Mission Point Resort and the sunrise side of Mackinac Island! We are delighted you are here and look forward to offering you and your party an extraordinary Mackinac Island experience.

Mission Point transcends time; from the moment you step off the ferry, there is an instant sense of nostalgia, where no cars or worries are allowed. Just outside from the hustle and bustle of downtown, you will find our 18 acres of unmatched tranquility invite you to reconnect with yourself, your passions and your surroundings. For families and world travelers, Mission Point is the resort you go to discover Michigan's Crown Jewel.

I take great pride in the high cleanliness standards the Mission Point team has enacted over the last year, including becoming a **STAR certified facility by the Global Biorisk Advisory Council (GBAC)**. We are one of the only hotels on Mackinac Island and in northern Michigan to complete this certification and are fully committed to operating safely. I encourage you to read our full Mission Point CARES Cleanliness plan on our website for detailed information on how we are keeping our employees, guests and fellow island residents safe this year as well.

While you are here at Mission Point, we invite you to enjoy the wealth of activities and services available to you during your stay. Bike rides, putt putt golf and relaxing spa days are island favorites but be sure to also look into our garden tours, sunrise hikes and lawn games including volleyball, cornhole and badminton. There is something for everyone to enjoy!

Mission Point is also home to a variety of dining outlets and eateries, offering everything from breakfast to fuel your morning to late night bites and cocktails. Each restaurant offers delicious food, refreshing drinks and outdoor seating with beautiful views of Lake Huron.

Please use this guest directory as your guide to all things Mission Point and to give you insight into other activities on Mackinac Island. Should you have any additional questions, please ask any one of our team members. Again, we are excited you are here and look forward to bringing you an extraordinary Mackinac Island experience.

ART AT MISSION POINT

Mission Point is more than a resort, it's an experience. Celebration of the arts embodies a core component of our lifestyle. Located in the Fine Arts Building, Mission Point is home to the Mackinac Arts Council and one of its largest supporters. Ongoing exhibits are featured throughout the season as well as community events including Music in the Park, workshops at the Richard & Jane Manoogian Mackinac Art Museum and year-round community theater productions.

Mission Point also partners with the Detroit Institute of Art's (DIA) Inside|Out program with high-quality reproductions of well-known arts displayed throughout the property. This program connects the art to new audiences outside of traditional museum walls. Ten framed images dot around Mission Point's 18 acres in some expected, and unexpected places. This random act of culture elicits surprise and wonder with our guests when they discover the different pieces.

In 2018, Mission Point ownership purchased a handmade bronze sculpture by Andy Sacksteder named "Reach and Splash", which can be found on the Greens of Mackinac Executive Putting Course. This piece was voted first place in the Installation category at ArtPrize 2015.

The Mackinac Arts Council features rotating traveling and local art exhibits throughout the season in the Center for the Arts Gallery, located in the lobby of the Theater. Staff and volunteers are usually present to answer questions about the artwork and provide more information about arts and culture on Mackinac Island. Admission is free and donations are accepted. For more details, please visit mackinacartscouncil.org.
