 - G. **Group Classes:** Only animals entered and shown in individual classes are eligible to compete in group classes. Exhibitors may exhibit only one entry in each group class.

EXHIBITOR VENDING: All exhibitors who wish to sell non entered merchandise to Fairgoers and exhibitors from their assigned animal exhibitor space must obtain a vendor permit prior to selling any merchandise. All items sold MUST be pre-approved by Wisconsin State Fair. Permits for vending are \$25 per day. Contact the Agriculture Department at entryoffice@wistatefair.com to purchase a permit. Permits must be purchased at least 30 days prior to the Fair. Exhibitors requesting additional space for selling merchandise will be charged on a scale more in line with commercial Fair vendors ranging from \$60 to \$85 per frontage foot. Violators of this policy will not be allowed to sell merchandise and may be asked to leave the Fair Park.

FEED AND BEDDING SERVICE: Wisconsin State Fair will have limited amounts of feed and bedding for sale. Orders may be placed during the Fair but to assure availability exhibitors are encouraged to place orders in advance.

Advance Orders: Order forms can be found on www.wistatefair.com in June. Orders can be mailed or emailed to entryoffice@wistatefair.com after June 15th.

All orders must be paid **at the entry office** in full before receiving an official exhibitor release. Check or credit card payments will be accepted. Checks should be made payable to Wisconsin State Fair. In the event of nonpayment, prize money will be withheld, and future entries will not be accepted until the balance is settled.

Feed and bedding orders will be delivered mornings and evenings during the Fair. Orders placed in the morning will be delivered that evening. Orders placed in the afternoon/evening will be delivered the next morning. Please plan your needs accordingly.

SHOWRING EXPECTATIONS

1. Animals deemed uncontrollable and unsafe to exhibit will be dismissed from the showring and/or Wisconsin State Fair grounds. Show management retains the right to warn the exhibitor and dismiss any animal deemed unsafe or uncontrollable at any time. No prize money will be awarded if an animal is dismissed.
2. It is the exhibitor's responsibility to have entries ready to enter the showring when show management calls for the class to enter the ring. Animals must enter the show ring when the class is called. The judge, ring steward or show management has the right to determine the deadline for late arrivals and close the class. Any exhibitor who misses his/her class is not a contender for the prize money offered. Classes will not be re-run for any animals missing a class. If an animal misses a class, the animal cannot be put in another class to be judged.
3. All Beef and Dairy Cattle exhibitors are required to wear an official harness or clip to display the assigned (5"x 7") exhibitor number when in the ring. Violators will not be permitted to enter the ring.
4. All exhibitors must be properly dressed while in the show ring.
5. Judges have been carefully selected. All exhibitors making entry for the Fair accept these judges and agree to abide by their decisions. It is prohibited for exhibitors to contact or attempt to contact a judge pertaining to judging of classes after the judge has accepted the assignment of judging at Wisconsin State Fair. No exhibitor should socialize, fraternize, or visit with a judge during the show(s). If any exhibitor, exhibitor's family member, employee, or Volunteer Adult Contact attempts to interfere with the judge in any manner, the exhibitor shall forfeit all prize money awarded and may be excluded from further competition. The decision of the judge will be final in all cases. Judges will not be permitted to show in classes they are judging. Wisconsin State Fair reserves the right to change judges at any time.
6. The decision of the judge will be final in all cases except where mistake, fraud, misrepresentation, or collusion not discovered at the time of the award is proven. The Agriculture Director reserves the right to consult with the Wisconsin State Fair Agriculture Committee on any or all cases.
7. Each animal shall be exhibited to the entire satisfaction of the judges. After a class has started no animal(s) shall be permitted to leave the ring before the entire class has been judged/placed without the approval of the judge. Upon final placing, exhibitors are requested to remain in position in line or parade while the judge is giving his/her reasons. Any violation of this rule will cause forfeiture of all prize money won by the exhibitor.
8. If only one exhibitor is competing in any class, the judge may recommend any placing at his or her discretion. Judges will not place unworthy entries.
9. Should a first placed entry be disqualified after winning its class, but before its respective division championship, the second and third place animals will move up to first and second in the class and compete for champion in the division. If a second-place animal is disqualified, the third-place animal will move up. Should a division animal champion be disqualified after winning its division but before selection of Grand Champion, the reserve division champion will move up to champion and compete for Grand Championship. In this case, no attempt will be made to replace the division reserve champion. If a division reserve champion animal is disqualified, no shifting upward will occur and no attempt to replace the reserve champion will be made.
