Free Design and Installation Guidelines are available at all Patio Town locations.

VINTAGE WEATHERED™ TEXTURE!

Looking for a more rustic appearance? All VERSA-LOK Retaining Wall Systems are available with a vintage, hand-hewn look—the Weathered texture.

VERSA-LOK STANDARD

Standard Unit

VERSA-LOK Standard is the premier segmental retaining wall unit on the market today. The solid units are unmatched in durability and design flexibility. Straight walls, curves, corners and stairs are all easily constructed using VERSA-LOK Standard units—no special units are required. Standard units may be easily split on the job site for special applications.

VERSA-LOK Standard Units

Weight: 82 lbs. (27 units per pallet)
 Size: 6" High, 16" Wide, 12" Deep

VERSA-LOK STANDARD WITH THE WEATHERED™ TEXTURE

Weathered Standard Unit

VERSA-LOK Standard units are available with a vintage Weathered texture. These units undergo a special “weathering” process to create a rustic, hand-hewn appearance that closely resembles natural stone. Of course, these units carry the same solid-unit advantages as other VERSA-LOK retaining wall systems.

VERSA-LOK Weathered Standard

Weight: 82 lbs. (27 units per pallet)
 Size: 6" High, 16" Wide, 12" Deep

VERSA-LOK ACCENT®

Weathered Accent

Accent

At 36 pounds, Accent is VERSA-LOK's lightest and most maneuverable unit. Its 4-inch height is similar to some Midwest natural stone products. Like the Cobble system, Accent's pinning configuration permits construction of either setback or near-vertical walls. It also can be used to form curves with a tighter radius than Standard units. Accent units are available in both classic and Weathered textures.

VERSA-LOK Accent Units

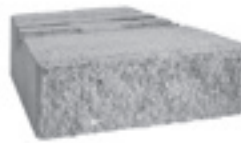

Weight: 36 lbs. (48 units per pallet)
 Size: 4" High, 12" Wide, 12" Deep
 Face Area: 1/3 square foot
 **Blended Colors: Bronze Blend, Chestnut Blend, Charcoal Blend, Lakeshore Blend
 Pins Needed: 2 per unit

VERSA-LOK COBBLE®

Weathered Cobble

Cobble

Cobble offers a lightweight alternative to VERSA-LOK Standard without compromising strength or performance. With proportions reminiscent of Old World cobblestone, this quaint yet sturdy unit is available in both classic and Weathered textures.

The Cobble system features a unique pinning configuration that permits construction of either setback or near-vertical walls. It also can be used to form curves with a tighter radius than Standard.

VERSA-LOK Cobble Units

Weight: 38 lbs. (54 units per pallet)
 Size: 6" High, 8" Wide, 12" Deep
 Face Area: 1/3 square foot
 **Blended Colors: Bronze Blend, Chestnut Blend, Charcoal Blend, Lakeshore Blend

VERSA-LOK MOSAIC®

VERSA-LOK Mosaic retaining wall systems utilize a four-unit panel—consisting of one Standard, one Cobble and two Accent units—to achieve a random pattern similar to natural stone retaining walls. The 10” high panels can be arranged in a variety of different configurations for a more random and appealing appearance.

Free Mosaic Design and Installation Guidelines are available at all Patio Town locations.

VERSA-LOK Mosaic

Face Area per Panel: 1-2/3 square foot

Pins Needed: 8 per panel

**Blended Colors: Chestnut Blend, Charcoal Blend, Bronze Blend, Lakeshore Blend
