PROGRAM GUIDE
summer
SUPPLEMENT

HELLO GIRL SCOUT!

The *Program Guide Summer Supplement* is full of opportunities to try something new, dive deeper into that which interests you, and have FUN this summer with GSOSW!

NAVIGATING THIS GUIDE

This guide is organized by date. When you find events that are just right for you, visit girlscoutsosw.org/events to find more detailed information about the events and sign up!

Special icons in this guide indicate where you can [spend your program credits](#) (🌐), and if the event is in person (👤).

SAMPLE ACTIVITY LISTING

This is where the event title, program partner and location can be found.

Learn about this event and whether it's something you would like to do!

The date and cost of the events are listed here.

FARM TO FORK: COMPOST AND CHEESE 👤 🌐
GSOSW
Medford, OR

Get your hands dirty in the garden and learn about compost and worms from Bugs R Us! Afterward, learn how to make ricotta cheese in the kitchen.

7/13/21	3:30 - 5:30 p.m.
\$10/girl	All ages

These icons will tell you if you can use program credits and if the event is in person or virtual. In this example the event is in person and you can use program credits.

The time of the activity and which grade levels can participate are located here. Abbreviations are as follows: D (Daisies), BR (Brownies), JR (Juniors), CAD (Cadettes), SR (Seniors) and AMB (Ambassadors).

COVID-19 UPDATE

GSOSW is excited to be offering a handful of in-person events this summer! GSOSW has collaborated with our program partners to ensure that all COVID-19 In-Person Troop/Group Meeting Guidelines laid out in [Girl Scouts Together](#) will be upheld and followed at all in-person events. Girl Scouts who are attending in-person events are required to sign the *GSOSW Assumption of Risk, Release and Waiver of Liability Relating to COVID-19* upon registration for the event.

SPECIAL NOTE ON PROGRAM CREDITS

Program credits that were set to expire September 15, 2021, have been extended through December 31, 2021! This extension allows additional time for Girl Scouts to redeem balances towards program events and overnight camp. To find out more about which cards have been extended please see GSOSW's [Program Credits webpage](#).

PROGRAM GUIDE EVENTS ARE FOR EVERY GIRL SCOUT!

No matter how you participate in Girl Scouts or what your interests are, Girl Scout *Program Guide* events are for you!

If you are in a **Girl Scout troop**, you can participate in events together with your troop or on your own as an individual. *Program Guide* events can be a great compliment to Girl Scout troop meetings and badge activities, or a fun way for girls to explore their own interests in addition to the cooperative learning they do with their troop.

If you are a **Girl Scout Juliette**—an individually registered member in grades K-12—*Program Guide* events are a great way to explore Girl Scout badges and connect with other Girl Scouts. In fact, you can do all of the same things girls in troops do—from badges and events, to camp, Fall Product and Girl Scout Cookie Programs, travel, highest awards and more! Have questions? Contact us at answers@girlscoutsosw.org for support!

Did you know? When you see the term “patrol” in this guide, it’s referring to a travel patrol—a group of girls who function like a troop for the duration of a GSOSW-sponsored travel opportunity, including during the planning stages. Girls in troops and Girl Scout Juliettes can apply for travel patrol opportunities! Learn more at [girlscoutsosw.org/travel](https://www.girlscoutsosw.org/travel).

GIRL SCOUT MEMBERSHIP

Your time to shine? Now.

Over the past year, you've shown the world—and maybe even yourself—that nothing can stop your shine. Get ready to take it to the next level and be your brightest, boldest self with Girl Scouts—[renew today!](#) Renew your Girl Scout membership by May 31, 2021, to take advantage of special spring renewal benefits.

Don't have a current Girl Scout membership? CAMP ASTRO GIRL: SPACE SCIENCE EXPO

GSOSW is gearing up for a fun-filled space science event this summer that will be out of this world! Spend the day at Camp Whispering Winds learning all about space from STEM experts, engage in fun hands-on activities led by members of GSOSW's very own astronomy clubs, and explore all that camp has to offer. This event is \$5/girl and will be hosted twice, on August 7 and August 8, so join us on the day that works best for you!

All Girl Scout members can continue the fun with a FREE live virtual event the following weekend on August 14, where Girl Scouts can observe the stars through a virtual telescope, learn all about a local observatory, engage in fun program partner workshops and so much more! Registration opens on June 1 at girlscoutsosw.org/events.

ASTRONOMY CLUBS

Check out what each of the GSOSW astronomy clubs have to offer and start exploring the galaxy with fellow Girl Scouts by joining today! Girl Scouts can use Program Credits to join either GSOSW astronomy club.

Space Explorers Team—Willamette Valley Astronomy Club

This girl-led astronomy club votes on a topic to explore each month and arranges virtual guest speakers, then blasts off with newfound knowledge! Open to Girl Scout Juniors, Cadettes, Seniors and Ambassadors. Contact gsoswastronomyclubwv@gmail.com to join!

Space Science Research Team—Portland Metro Astronomy Club

Join the Portland Metro Astronomy Club to participate in monthly stargazing challenges, attend virtual telescope workshops, discover new at-home activities, and gain access to a telescope loan program. When you join, you'll receive a monthly newsletter and fun gift from the astronomy club! Open to all grade levels. Contact gsoswastronomyclub@gmail.com to join the program!

WILDERNESS FIRST AID FOR GIRLS

GSOSW

Camp Arrowhead, Stevenson, WA

Learn to provide first aid care while outdoors in remote environments. Topics include patient assessments, bone and joint injuries, heat and cold-related illness, wounds, allergies, and more, all considering a wilderness context. Girls must hold current certification in basic first aid, CPR, and AED by the start of this course. Completion of the course results in an American Red Cross certification in Wilderness and Remote First Aid, valid for two years.

JOIN THE GSOSW ADVENTURE DREAM TEAM

This summer, set an outdoor adventure goal for yourself and cheer on other Girl Scouts as they work towards their own. Your personal adventure could be to ...

- Climb a mountain near you
- Go backpacking for the first time
- Complete a North Face High Adventure badge
- Plan a family paddling trip
- Run a trail race
- Any personal outdoor challenge that makes you excited and builds your skills!

No matter your goal, this program will lead you through a mix of self-led activities and virtual events to build your outdoor skills and confidence. Programs will include topics like:

- Outdoor adventure planning
- Risk management and safety
- Choosing and using gear
- A behind-the-scenes look at mountaineering
- The Trail Adventure and Snow/Climbing Adventure badges

At the end of the summer, share your adventure with GSOSW, and together we'll celebrate our growth with a new patch! Youth and adult Girl Scouts are welcome to participate.

Keep an eye on the monthly Program Opportunities email and [GSOSW's Facebook page](#) to see virtual event opportunities. Want to be notified via email when events are planned and self-led activities are released? [Join the interest list!](#)
