

Lockheed Martin STEM Scholarship Program

2021 STEM RECIPIENTS

INSTITUTION	2021 STEM SCHOLAR*		MAJOR
American University	Ian	Whitehouse	Computer Science
Auburn University	Savannah	Anderson	Mechanical Engineering
Auburn University	Dillon	Johnson	Mechanical Engineering
Auburn University	Jenna	Palazzolo	Aerospace Engineering
Auburn University	Camden	Schwieterman	Aerospace Engineering
Auburn University	Jonathan	Turnage	Computer Engineering
Baylor University	Charlye	Baker	Mechanical Engineering
Binghamton University	Oliver	Madariaga	Industrial Engineering
Binghamton University	Andy	Zheng	Computer Science
Brigham Young University	Danika	West	Computer Science
Brigham Young University	Aubrey	Worthington	Mechanical Engineering
Brown University	Kelly	Wei	Computer Science
California Polytechnic State University: San Luis Obispo	Rafael	Castillo	Mechanical Engineering
California Polytechnic State University: San Luis Obispo	Olivia	Lafferty	Mechanical Engineering
California Polytechnic State University: San Luis Obispo	Jamie	Luna	Computer Science
California Polytechnic State University: San Luis Obispo	Brayden	Young	Electrical Engineering
California Polytechnic State University:Pomona	RAMON	RODRIGUEZ	Civil Engineering
Carnegie Mellon University	Sun A	Cho	Electrical and Computer Engineering
Carnegie Mellon University	Katie	Cowart	Mechanical Engineering
Carnegie Mellon University	Rory	Oden	Mechanical Engineering
Colorado School of Mines			Aerospace Engineering
Colorado School of Mines	Jasmine	Cochiaosue	Mechanical Engineering
Colorado School of Mines	Ian	Kuenzli	Mechanical Engineering
Colorado School of Mines	Brooklyn	Vargas	Mechanical Engineering
Colorado State University	Marc	Hensley	Mechanical Engineering
Columbia University			Mechanical Engineering
Cornell University	Megan	Cowart	Mechanical Engineering
Cornell University	Raphael	Fortuna	Electrical and Computer Engineering
Cornell University	Grace	Han	Computer Science

Visit the STEM Scholarship page at: <https://www.lockheedmartin.com/scholarship> to learn more.

*Some students have asked that their names not be released. In those cases, institution and major are represented.

Lockheed Martin STEM Scholarship Program

INSTITUTION	2021 STEM SCHOLAR*		MAJOR
Drexel University			Electrical and Computer Engineering
Drexel University	Hope	Lindner	Mechanical Engineering
Drexel University	Ryan	Munn	Computer Science
Drexel University	Emily	Simkovich	Mechanical Engineering
Embry-Riddle Aeronautical University	Fernando	Avila	Aerospace Engineering
Embry-Riddle Aeronautical University	Kayla	Davis	Aerospace Engineering
Embry-Riddle Aeronautical University: Daytona Beach Campus			Aerospace Engineering
Embry-Riddle Aeronautical University: Daytona Beach Campus	Carly	Bosma	Computer Science
Florida A&M University	Donovan	Hood	Computer Science
Florida Institute of Technology	Katherine	Ballard	Aerospace Engineering
Florida Institute of Technology	Nathaniel	Cerletty	Aerospace Engineering
Florida Institute of Technology	Danielle	Kain	Aerospace Engineering
Florida Institute of Technology	Sherie	LaPrade	Aerospace Engineering
Florida Institute of Technology	Vivienne	Nipar	Electrical Engineering
Florida International University	Charly	Gutierrez Jimenez	Computer Science
Florida International University	Andrea	Tinsley	Electrical and Computer Engineering
Florida Southern College	Killian	Sullivan	Mechanical Engineering
Florida State University			Mechanical Engineering
George Mason University			Industrial Engineering
George Mason University	Bryanne	Baldassarre	Computer Science
George Mason University	Brenda	Henriquez	Computer Science
George Washington University			Mechanical Engineering
George Washington University	Samantha	Kusner	Computer Science
Georgetown University	Mackenzie	O'Connor	Computer Science
Georgia Institute of Technology	Lindsey	Chiu	Aerospace Engineering
Georgia Institute of Technology	Anthony	Otlowski	Aerospace Engineering
Georgia Institute of Technology	Nitin	Paul	Computer Science
Georgia Institute of Technology	Michael	Stamey	Computer Science
Georgia Institute of Technology	Ryan	Tinder	Computer Science
Howard University	Kena-Maat	Ankhmeni	Mechanical Engineering
Howard University	Terri	Franklin	Computer Science
Howard University	Malia	Hollins	Industrial Engineering
Howard University	Courtney	Young	Computer Science
Iowa State University	Victoria	Fleming	Aerospace Engineering

Visit the STEM Scholarship page at: <https://www.lockheedmartin.com/scholarship> to learn more.

*Some students have asked that their names not be released. In those cases, institution and major are represented.

Lockheed Martin STEM Scholarship Program

INSTITUTION	2021 STEM SCHOLAR*		MAJOR
Iowa State University	Paige	LaFave	Aerospace Engineering
Iowa State University	Kalista	Leners	Mechanical Engineering
Iowa State University	Cristian	Navarrete	Aerospace Engineering
Johns Hopkins University	Joelie	Garcia	Physics
Kennesaw State University	Kory	Frierson	Mechanical Engineering
Kennesaw State University	Cameron	Frye	Computer Engineering
Massachusetts Institute of Technology	Joshua	Bello	Mechanical Engineering
Massachusetts Institute of Technology	Daniel	Brown	Computer Science
Massachusetts Institute of Technology	Haley	Sanchez	Computer Science
Massachusetts Institute of Technology	Angelica	Whipple	Computer Science
Massachusetts Institute of Technology	Joseph	Ye	Electrical Engineering
Michigan State University			Mechanical Engineering
Michigan State University	Jenni	Aubin	Mechanical Engineering
Michigan State University	David Cody	Lingan	Computer Science
Michigan State University	Lance	Moy	Computer Engineering
Michigan State University	Padraig	Toole	Mechanical Engineering
Morehouse College	Nasir	Barnes	Computer Science
New Jersey Institute of Technology	Jose	Alvarez	Mechanical Engineering
New Jersey Institute of Technology	Kamil	Arif	Computer Science
New Mexico State University	Arianna	Guillory	Electrical and Computer Engineering
New Mexico State University	Tori	Hoffman	Aerospace Engineering
Penn State University Park			Electrical and Computer Engineering
Penn State University Park	Maya	Beckley	Computer Science
Penn State University Park	Bayley	Grizzanti	Mechanical Engineering
Penn State University Park	Alfonsus	Rahardjo	Computer Engineering
Prairie View A&M University	Caleb	Combs	Mechanical Engineering
Prairie View A&M University	Chelsea	Guidry	Mechanical Engineering
Princeton University			Computer Science
Princeton University	Jeffrey	Cheng	Computer Science
Princeton University	Ian	Fernandes	Computer Science
Princeton University	Jeremiah	Giordani	Computer Science
Princeton University	Alexander	Tao	Computer Science
Princeton University	Jessie	Wang	Computer Science
Purdue University	Alyssa	DeLouise	Electrical Engineering
Purdue University	Carlie	Gongaware	Aerospace Engineering
Purdue University	Chaeli	Herzler	Aerospace Engineering

Visit the STEM Scholarship page at: <https://www.lockheedmartin.com/scholarship> to learn more.

*Some students have asked that their names not be released. In those cases, institution and major are represented.

Lockheed Martin STEM Scholarship Program

INSTITUTION	2021 STEM SCHOLAR*		MAJOR
Purdue University	Kaleia	Maxey	Industrial Engineering
Purdue University	Sabine	Ramirez	Mechanical Engineering
Quinnipiac University	Caprice	Williams	Computer Science
Rochester Institute of Technology			Computer Science
Rochester Institute of Technology	Andrew	Couture	Aerospace Engineering
Rochester Institute of Technology	Amarisse	Rodriguez	Mechanical Engineering
Rochester Institute of Technology	Alexander	Shuron	Mechanical Engineering
Rochester Institute of Technology	Quin	Villwock	Mechanical Engineering
Rochester Institute of Technology	Andrew	Yansick	Computer Science
Rose-Hulman Institute of Technology	Naomi	Parker-Reyes	Industrial Engineering
Rowan University	Gershom	Gbadebo	Computer Science
Rowan University	Christopher	Lange	Computer Science
Rowan University	Yatra	Patel	Physics
Rowan University	Alexander	Volz-Price	Computer Science
Rutgers, The State University of New Jersey	Joseph	Barr	Electrical and Computer Engineering
Rutgers, The State University of New Jersey	Gauranshi	Yadav	Computer Science
Southern University and Agricultural and Mechanical College	Donald	Foulcardjr.	Industrial Engineering
Spelman College	Perri	Jackson	Computer Science
Stanford University	Eban	Ebssa	Computer Science
Syracuse University	Brady	Arruda	Aerospace Engineering
Syracuse University	Honorata	Lubecka	Mechanical Engineering
Syracuse University	Eduardo	Torres-Garcia	Computer Science
Temple University	Ayana	Togba	Industrial Engineering
Temple University	Lloyd	Yoo	Electrical and Computer Engineering
Texas A&M University	Trevor	Carr	Electrical Engineering
Texas A&M University	Patrick	Churchill	Electrical Engineering
Texas A&M University	Esu	Ekeruche	Electrical Engineering
Texas A&M University	Brayden	Kipp	Mechanical Engineering
Texas A&M University	Boyi	Shi	Computer Science
Texas Tech University	Jose	Carbajal	Mechanical Engineering
Texas Tech University	Silas	Rodriguez	Electrical and Computer Engineering
Texas Tech University	Rylie	Siegel	Computer Science
Texas Tech University	Karaon	Solis	Computer Engineering
The College of New Jersey	Philip	Echevarria	Mechanical Engineering

Visit the STEM Scholarship page at: <https://www.lockheedmartin.com/scholarship> to learn more.

*Some students have asked that their names not be released. In those cases, institution and major are represented.

Lockheed Martin STEM Scholarship Program

INSTITUTION	2021 STEM SCHOLAR*		MAJOR
The University of Texas at Austin	Chloe	Tang	Electrical and Computer Engineering
The University of Texas at Austin	Samuel	Wheeler	Mechanical Engineering
Undecided	Ethson	Destra	Aerospace Engineering
University of Alabama	Andrew	Casingal	Mechanical Engineering
University of Alabama	Dorothy	Hemauer	Physics
University of Alabama	Dylan	Heydenburg	Aerospace Engineering
University of Alabama in Huntsville	Zachary	Blowers	Aerospace Engineering
University of Alabama in Huntsville	Gage	Brewer	Aerospace Engineering
University of Alabama in Huntsville	James	McWhorter	Aerospace Engineering
University of Alabama in Huntsville	Kendall	Tyree	Mechanical Engineering
University of Arkansas	Amanda	Cheatham	Industrial Engineering
University of California: Berkeley	Jeremy	Jackson	Electrical Engineering
University of California: Berkeley	Ryan	Whitty	Physics
University of California: Los Angeles	Pedro	Calderon	Mechanical Engineering
University of California: Los Angeles	Shirley	Nguyen	Data Theory
University of California: Los Angeles	Justin	Sheu	Computer Science
University of Central Florida	Aref	Abdala	Aerospace Engineering
University of Central Florida	Chloe	Pinkston	Aerospace Engineering
University of Central Florida	Walter	Stahll	Computer Engineering
University of Colorado Boulder	Jonah	Chapel	Mechanical Engineering
University of Colorado Boulder	Blake	Hogen	Aerospace Engineering
University of Colorado Boulder	Adeline	Loesch	Aerospace Engineering
University of Colorado Boulder	Adrian	Tabin	Aerospace Engineering
University of Connecticut	Angeline	McLean	Computer Engineering
University of Connecticut	Allan	Nguyen	Computer Science
University of Florida	Madison	Burt	Aerospace Engineering
University of Florida	Nolin	Eaddy	Electrical Engineering
University of Florida	Ajay	Narain	Industrial Engineering
University of Florida	Aashvi	Patel	Computer Science
University of Kansas	AIDEN	FREVERT	Computer Science
University of Kentucky			Computer Engineering
University of Kentucky	Kendall	Box	Mechanical Engineering
University of Kentucky	Sam	Klueppel	Mechanical Engineering
University of Maryland: College Park	Sheldon	Padgett	Computer Science
University of Maryland: College Park	Shreyas	Pant	Computer Science
University of Maryland: College Park	Benjamin	Winig	Aerospace Engineering
University of Massachusetts Amherst	Poul	Holm	Computer Science

*Some students have asked that their names not be released. In those cases, institution and major are represented.

Lockheed Martin STEM Scholarship Program

INSTITUTION	2021 STEM SCHOLAR*		MAJOR
University of Massachusetts Lowell	Maddalana	Emond	Computer Science
University of Michigan	Lena	Elkoussy	Computer Science
University of Michigan	Morgan	Serra	Aerospace Engineering
University of Michigan	Wayne	Zhu	Mechanical Engineering
University of North Carolina at Chapel Hill	Brooke	Stopnik	Aerospace Engineering
University of North Texas	Elsa	Jimenez	Mechanical Engineering
University of Notre Dame	Lauren	Dungan	Mechanical Engineering
University of Pennsylvania	Tai	Phan	Mechanical Engineering
University of Pittsburgh			Industrial Engineering
University of Puerto Rico: Mayaguez	Glorian	Serrano Ortiz	Computer Engineering
University of South Carolina: Columbia	Charlotte	Johnson	Physics
University of Southern California	Aline	Garcia-Sanchez	Computer Science
University of Southern California	Christy	Ko	Computer Science
University of Texas at Austin	Huyen	Nguyen	Computer Science
University of Texas at Austin	Siddharth	Thakur	Electrical Engineering
University of Texas at Dallas	Aryan	Kapoor	Computer Engineering
University of Texas at Dallas	Kennedy	Logsdon	Computer Science
Vanderbilt University	Ian	Morgan	Aerospace Engineering
Villanova University			Computer Engineering
Villanova University	Daniella	Tagliaferri	Mechanical Engineering
Villanova University	Maria	Tagliaferri	Mechanical Engineering
Virginia Polytechnic Institute and State University	Nathalie	Chambi	Computer Engineering
Virginia Polytechnic Institute and State University	Elise	Turka	Mechanical Engineering
Virginia State University	Jeremy	Johnson	Computer Science
Virginia Tech			Computer Science
Virginia Tech	Daniel	Stover	Electrical and Computer Engineering
West Chester University of Pennsylvania	Emily	Miller	Computer Science
Worcester Polytechnic Institute	Cutter	Beck	Computer Science
Worcester Polytechnic Institute	Allen	Cheung	Computer Science
Worcester Polytechnic Institute	Brianna	Meisser	Electrical and Computer Engineering
