NATIONAL SOUTH AFRICAN CURRICULUM (NSC)

TENEO

Africa's No. 1 School in the Cloud

DIGITAL HOMESCHOOLING

Teneo School's qualified teachers are passionate about using digital technology to empower every student's learning journey.

Specialising in the National Senior Certificate curriculum, Teneo offers timetabled LIVE classes every weekday (07h45 - 13h50), delivering structured, quality education through our cutting-edge learning management system.

Our amazing teachers are subject specialists from all over South Africa, and have the sole goal of making education more fun and interactive than ever before, so your kids will be excited to go to school, from the comfort and safety of home.

GRADES 4 - 12

We cater from Intermediate Phase learners, all the way to Matric.

All homework, assignments and projects are submitted on our system and parents are able to create an observer login to check attendance and grades.
