

2022  
**SPARK**

# Small car. Big idea.

Going small can be the fastest way to keep up in today's world. Chevrolet Spark is not only fun to drive, but it also fits almost anywhere you want to go, with space for friends and fun. Spark offers innovative safety features and smart technologies that help keep you connected along the way. Better yet, you'll now have your pick of all those too-small-for-everybody-else parking spots.

Spark 2LT in Crimson.

<sup>1</sup> When you select a monthly plan within 30 days of activating your 1-month trial, you'll receive the next 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change. <sup>2</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. <sup>3</sup> Go to [my.chevrolet.com/learn/About/Bluetooth](http://my.chevrolet.com/learn/About/Bluetooth) to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version. <sup>4</sup> If you decide to continue service after your trial, your selected subscription plan will automatically renew thereafter. You will be charged at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [siriusxm.com](http://siriusxm.com). All fees and programming subject to change.

<sup>1</sup> A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

<sup>2</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner.
