

TOYOTA

2022 Corolla

2022 COROLLA

Discover Corolla. Uncover fun.

The stylish 2022 Toyota Corolla and efficient 2022 Toyota Corolla Hybrid take fun to the next level. With a sleek design, the latest tech and standard Toyota Safety Sense™ 2.0 (TSS 2.0),¹ the 2022 Toyota Corolla lineup is ready to create something unforgettable.

See numbered footnotes in Disclosures section.

EXTERIOR

Don't show off. Show up.

Corolla's sporty design speaks for itself. At first glance, its athletic sport mesh grille grabs your attention. And from the side, available 18-in. machined alloy wheels³ complement the sleek lines of its profile. You might not be someone to show off, but with Corolla, you'll always show up.

XSE Apex Edition shown in Cement with Black Sand Pearl roof² and available accessory black rear aero spoiler. Below left: XSE Apex Edition shown in Cement with Black Sand Pearl roof² Below center: SE Nightshade shown in Ruby Flare Pearl.² Below right: XSE shown in Celestite.

Corolla Apex

The 2022 Corolla Apex puts a bold spin on the tried-and-true Corolla with details like an assertive black-and-bronze-color body kit, black mirror caps, black roof and an available accessory black rear aero spoiler. Its sport-tuned suspension and flow-formed wheels ensure that Corolla Apex drives as confidently as it looks.

Corolla Nightshade

Its blacked-out wheels, grille and other black accents work together to give the available Corolla SE Nightshade Edition a look to match your sense of style. Sleek, sharp and aggressive, its unapologetic stance makes a bold statement.

Aggressive sporty front fascia

Highlighted by its available honeycomb mesh grille, Corolla's low, wide and aggressive stance stands out for all the right reasons.

See numbered footnotes in Disclosures section.

PERFORMANCE

Discover the fun in every mile.

Corolla's low platform is purposefully designed to give it a responsive and energetic drive, while a lightweight body helps optimize efficiency. Under the hood, Corolla's available 2.0L Dynamic Force Engine with 169 horsepower — with an available Dynamic-Shift CVT and paddle shifters — wakes up your senses every time you step on the accelerator. Saying Corolla is "fun to drive" is an understatement.

6-speed Intelligent Manual Transmission

Corolla's available 6-speed Intelligent Manual Transmission (iMT) features close-ratio gears down low for spirited acceleration, and tall gears up top for optimized fuel economy. It also incorporates an intelligent rev-matching feature, helping reduce transmission shock when downshifting.

Corolla Apex performance and handling

With its lowered ride height, sport-tuned suspension and solid stabilizer bars, Corolla Apex confidently provides a precise and responsive driving experience.

XSE Apex Edition shown in Cement with Black Sand Pearl roof² and available accessory black rear aero spoiler. Above right: SE interior shown in Black premium fabric.

2.0L Dynamic Force Engine

Corolla's efficient, available 2.0L Dynamic Force Engine produces 169 horsepower and can be paired with an available Dynamic-Shift CVT. Thanks to its traditional fixed first gear, you can enjoy both the immediate response from a stop and the efficiency of a Continuously Variable Transmission (CVT).

XSE shown in Celestite.

INTERIOR

An interior that gets you.

Inside, Corolla's 60/40 split fold-down rear seat lets you create the right amount of space you need for wherever you're headed. Behind the vents, an available advanced climate control system cools down and heats up Corolla, while its available moonroof opens up the cabin. Corolla's interior is modern, simple and makes a great first impression.

SE Apex Edition interior shown in Moonstone/Bronze premium fabric with available 6-speed Intelligent Manual Transmission. Below: XSE interior shown in Black/Blue SofTex[®] trim.

Corolla Apex interior styling

The stylish details continue inside with Corolla Apex's driver-focused cockpit that flaunts sport seats and bronze contrast stitching throughout.

Spacious interior and SofTex[®]-trimmed sport seats

Corolla's premium interior features seats and controls positioned to increase visibility, for a more exciting drive. Sport seats with available SofTex[®]-trimmed⁴ bolsters and premium fabric inserts work together to make you feel comfortable and in control behind the wheel.

HYBRID

Efficiency meets style.

Corolla Hybrid has all the efficiencies of a hybrid with the same sleek look and premium interior as its gas counterpart. Along with advanced tech, like an 8-in. touchscreen display with Apple CarPlay^{®5} support for your iPhone^{®6} or Android Auto^{™7} integration, its intelligent hybrid drivetrain gives you more reasons to take the long way home. And with an EPA-estimated 52 combined mpg,⁸ Corolla Hybrid lets you go farther in everything you do.

52

Amplify your drive.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. From a suite of services that are there for you 24/7 to an immersive audio multimedia system, you can stay connected to your world.

Connected Services Trials

Our available suite of Connected Services⁹ provides added convenience and peace of mind.

- ✓ **Safety Connect[®]**
Emergency SOS assistance and 24/7 Toyota Roadside Assistance.^{10, 11}
- ✓ **Service Connect**
Get personalized maintenance updates and vehicle health reports.¹²
- ✓ **Remote Connect**
Start, lock/unlock your doors and more, using your compatible smart device.¹³
- ✓ **Wi-Fi Connect**
Turn your Toyota into a hotspot with 4G connectivity.¹⁴
- ✓ **Destination Assist**
24/7 live agent assistance to locate your next destination.¹⁵

To view included trial details, please visit toyota.com/connected-services.

Audio Multimedia

Make every drive more personal. By utilizing your vehicle's touchscreen display and audio multimedia capabilities, you'll always have access to what you want. Whether it's listening to your favorite playlist or finding the most scenic route to your destination, you'll enjoy the latest in connectivity and technologies that are all about you.

Apple CarPlay[®]

Bring along a familiar face. With Apple CarPlay^{®5} compatibility, you can use your compatible iPhone^{®6} with the audio multimedia system to get directions, make calls, send and receive messages, and listen to music — all while staying focused on your commute.

Android Auto[™]

Stay connected on the road. By pairing your compatible Android^{™16} phone with the audio multimedia system, Android Auto^{™7} lets you access your Google Assistant, get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM[®] with 3-month Platinum Plan trial subscription

SiriusXM^{®17} has premium entertainment that you won't hear anywhere else. With the Platinum Plan, you get 350+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, talk, comedy and more.¹⁸

Amazon Alexa

Almost anywhere the road takes you, Amazon Alexa¹⁹ connectivity follows. With a smartphone connection and the Toyota+Alexa app, all you have to do is ask Alexa to play music, listen to audiobooks, hear the news, check weather, control smart-home devices and more.

JBL[®]

Feel the difference and hear the truth. Designed specifically for Toyota, JBL^{®20} finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.

TOYOTA SAFETY SENSE™ 2.0 (TSS 2.0)

Peace of mind comes standard.

Toyota Safety Sense™ 2.0 (TSS 2.0)¹ is a bundle of active safety features included on many new Toyota vehicles at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

Pre-Collision System with Pedestrian Detection²¹

Full-Speed Range Dynamic Radar Cruise Control^{22, 23}

Lane Departure Alert with Steering Assist²⁴

Automatic High Beams²⁵

Lane Tracing Assist²⁶

Road Sign Assist²⁷

COROLLA MODELS

L

Includes these key features

Mechanical/Performance

- ✓ 1.8L 4-Cylinder engine with 139 hp @ 6100 rpm
- ✓ Continuously Variable Transmission (CVT)
- ✓ Front-Wheel Drive (FWD)
- ✓ 30 city/38 highway/33 combined est. mpg²⁸

Exterior Features

- ✓ LED headlights, Daytime Running Lights (DRL), taillights and stop lights
- ✓ Black front grille with sport mesh insert
- ✓ Color-keyed power outside mirrors
- ✓ 15-in. styled steel wheels

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable *Warranty and Maintenance Guide* for details.

Hybrid Battery: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable *Warranty and Maintenance Guide* for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

DISCLOSURES

1. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. 2. Extra-cost color. 3. Performance tires are expected to experience greater tire wear than conventional tires. Tire life may be less than 24,000 miles, depending upon driving conditions. 4. SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 5. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc. 6. iPhone® is a registered trademark of Apple Inc. All rights reserved. 7. Vehicle user interface is a product of Google and its terms and privacy statement apply. To use Android Auto on your audio display, you'll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: <https://www.android.com/auto/>. Requires compatible smartphone connected with an approved data cable into the USB media port, and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android, Android Auto and Waze are trademarks of Google. 8. EPA-estimated 53 city/52 hwy/52 combined mpg rating for 2022 Corolla Hybrid LE. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 9. Connected Services depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See toyota.com/connected-services for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacycts/>. Stolen vehicle police report required to use Stolen Vehicle Locator. Connected Services by Toyota trials are at no extra cost. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. 10. Safety Connect® depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Toyota app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacycts/>. The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 11. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions. 12. Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacycts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect®, Remote Connect or Destination Assist connect service renewal is selected. Service Connect is not renewable as a stand-alone service. 13. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Toyota Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration and Toyota app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in *Toyota Owner's Manual* and at www.toyota.com/connected-services for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacycts/>. The Toyota Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply. 14. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of activation and expires when 2GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply. 15. Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and toyota.com/connected-services for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacycts/>. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. 16. Android is a trademark of Google LLC. 17. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 18. SiriusXM All Access trial length and service availability may vary by model, model year or trim. 19. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Toyota+Alexa app is required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps, prices and services subject to change at any time without notice. To learn more, go to <https://www.toyota.com/audio-multimedia>. To learn more about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacycts/>. 20. JBL® is a registered trademark of Harman International Industries, Inc. 21. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/DP is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. 22. Full-Speed Range Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. Vehicles with manual transmission have regular DRCC. See *Owner's Manual* for additional limitations and details. 23. Corolla models with manual transmissions come with Dynamic Radar Cruise Control (DRCC); Full-Speed Range Dynamic Radar Cruise Control (DRCC) is only available on Corolla models with automatic transmissions. 24. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 25. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. 26. Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See *Owner's Manual* for additional limitations and details. 27. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. 28. EPA-estimated 31 city/40 hwy/34 combined mpg rating for 2022 Corolla SE CVT; EPA-estimated 31 city/38 hwy/34 combined mpg rating for 2022 Corolla SE Nightshade, SE Apex CVT, XSE and XSE Apex; EPA-estimated 30 city/38 hwy/33 combined mpg rating for 2022 Corolla L and LE; EPA-estimated 29 city/37 hwy/32 combined mpg rating for 2022 Corolla XLE; EPA-estimated 29 city/36 hwy/32 combined mpg rating for 2022 Corolla SE 6MT; EPA-estimated 28 city/36 hwy/31 combined mpg rating for 2022 Corolla SE Apex 6MT. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 29. May not be compatible with all mobile phones, MP3/WMA players and like models. 30. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. 31. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 32. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. 33. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. 34. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. 35. Dynamic Navigation depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services> for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacycts/>.

DISCLOSURES

36. The Dynamic Navigation three-year trial period begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. **37.** The Adaptive Front-Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain may limit effectiveness, requiring the driver to manually turn off the system. See *Owner's Manual* for additional limitations and details. **38.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **39.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **40.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **41.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. **42.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). **43.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **44.** The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **45.** Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **46.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details. **47.** Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details. **48.** Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **49.** Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **50.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **51.** Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details. **52.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See *Owner's Manual* for additional limitations and details. **53.** Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. **54.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. **55.** Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

Mobility
