With 2022 right around the corner, we are excited for a new program year that hopefully is more similar to those in the past with greater in-person program options, run safely and mindfully of all state and local regulations. While we had huge success with our outdoor programming and our summer camps this past year and will continue to offer those, did you know that we also have a number of STEM related programs as well as community partner programs? We have also continued to update our properties with exciting program activities such as our hatchet throwing range and our ax yard. We continue to offer Highest Awards programs, new GSUSA badges, outdoor programs, and our iconic Product Programs with the 5 Skills and support for girls in our community. With Girl Scout Cookie Season and Camp around the corner, take a look at all that Girl Scouts continues to offer! So come join us as we continue to build girls of courage, confidence, and character who make the world a better place.

ABOUT PROGRAMS AND EVENTS

When Pre-Registration is Required

It's very important to register in advance for programs and events, unless the description tells you it's okay to drop in. We're sorry, but we can't accommodate drop-ins when advanced registration is required.

Event Staffing and Supervision

Keeping up with our girls is a big deal! For programs that GSCWM produces and runs, GSCWM staff and registered volunteers are responsible to supervise girls. For events where GSCWM links with a Program Partner who staffs and runs the event, troop leaders and/or parents/guardians are responsible for supervision of their girls. In addition, troops must make sure to meet the required girl: adult ratio. If registering as an individual, and not as a troop, an adult must participate with the girl in the event unless the event description says that's not necessary. For girl-only events, GSCWM staff members are on hand, and we're pros at making sure girls have appropriate supervision so that they can have fun and parents/caregivers can relax!

Who Needs to be a Girl Scout?

GIRLS: Naturally most of our events are for registered Girl Scout members in grades K-12, but you can almost always bring a friend.*

ADULTS: The special safety rules for adults mean that adults must be registered and have a completed CORI check with us if they are:

- Driving girls (other than their own child)
- Counted in the girl: adult ratio
- Actively participating in the event
- Attending an overnight event

You don't need to be a registered Girl Scout if you're attending only with your child and not participating in the event, but you're always welcome to join! Add the \$25 adult membership fee to the total due and you're covered for the membership year.

***Bring a Friend:** Friends who aren't current Girl Scouts just need to add the \$35 Girl Scout membership fee to the event fee, and they can join in the fun for one or all Girl Scout events for the membership year!

Permission Slips

Follow these "do's" and you'll be all set! A parent/guardian needs to provide signed, written consent for each girl participating in an activity scheduled to happen any time or any place outside of a regular troop or group meeting. Turning that in to the troop or group leader for events is a must! When your girl is attending on her own without a troop, turn in the permission slip to the event leader during check-in. Please use our form, which includes health history. Go to gscwm.org/Forms.html.

Questions?

We're here to help! Please contact GSCWM's Information & Referral Center at 508-365-0115/413-584-2602 or info@gscwm.org.

GSCWM offers the option to register either online or on paper, but if you want to know right away that you've got your spot in a GSCWM program, online registration is the way to go.

Register Online

By registering online, you can see how many spaces are available at the time you register and know immediately if you're placed. Online registration can be done by an individual or by the troop leader through the troop management screen.

1. Go to: www.gscwm.org/events.html.
2. Locate the event you'd like to attend and click "Register Now." You will be redirected to the online registration system. Follow the prompts to complete the process.

Cancellation Policy

ABOUT PROGRAMS AND EVENTS

The following policies relate to GSCWM-run events:

Minimum Attendance

Some things just aren't the same with only a few people attending so we have participation minimums. We hate to disappoint, but if it turns out that too few participants have registered by the date registration closes, we'll need to cancel the event. We'll notify all registered participants, and make sure you get a full refund for events that GSCWM cancels.

Inclement Weather

When bad weather threatens to squash too much of the fun, or we just don't think it's safe, GSCWM may decide that cancelling or re-scheduling the event is best. We'll notify all registered participants, and make sure that you get a full refund for the events that GSCWM cancels. Be sure to check your email and voice mail for messages. If conditions in your area have got you wondering if the event is still on, call 413-584-2602 or 508-365-0115. If it's after hours, we'll post a message on that line.

Cancellation by Participant

Email or write us four weeks before the event to get a refund if you're not going to attend the event you registered for. We'll refund all but a \$5 cancellation fee per person. We're sorry, but we don't offer refunds for not showing up or if you arrive late or leave the event early.

GIRL SCOUT AWARDS

Highest Awards

Bronze. Silver. Gold. These represent the highest honors a Girl Scout can earn.

All three awards give you the chance to do big things while supporting an issue you care about. You might plant a community garden at your school or inspire others to eat healthy foods for your Bronze, advocate for animal rights for your Silver, or build a career network that encourages girls to become scientists and engineers for your Gold. Whatever you choose, you'll inspire others (and yourself).

Also a given: as you earn one of Girl Scouts' highest awards, you'll change your corner of the world—and beyond. The possibilities are endless!

You can find all Highest Award Guidelines, current GSCWM reports and forms, and many helpful resources at gscwm.org/awards.

Bronze Award Orientations are offered to troop leaders and parents who are interested in arming themselves with the knowledge and tools they'll need to lead their Juniors through a successful Girl Scout Bronze Award experience.

NEW THIS YEAR! Bronze Award Workshops are offered to Juniors who are interested in learning the steps to earning their Bronze Award, arming themselves with some tips and tricks, and even some hands-on activities to get them started on their way.

Strive for Silver Orientations are highly recommended for Cadettes interested in learning about the steps to becoming a Silver Award Girl Scout, the pros and cons of an individual vs. team project, understanding the difference between Take Action and community service, and understanding the importance of the community impact of a project. Troop leaders, advisors, and parents are strongly encouraged to join as well.

Go for Gold Orientations provide valuable information about the national Gold Award Guidelines, the award process including paperwork, deadlines, what to expect when meeting with the Gold Award Committee (GAC), and an opportunity to get your questions answered from members of the GAC. Leaders, advisors, and parents are also encouraged to attend. You will find information about all Orientations listed throughout the Program Guide program listings.

Gold Award Committee Meetings are held in both our Holyoke and Worcester Leadership Centers. Appointments with the GAC can be made by emailing GoldAward@gscwm.org at least one month prior to when you would like an appointment. All girls will meet with the GAC for their Initial Interviews and Final Reviews, at a minimum.

NEW THIS YEAR! Bronze, Silver and Gold Patrols: Have questions about the Girl Scout Highest Awards? Whether you are an adult guiding girls through the process, a girl working on award steps, want some help brainstorming, need someone to bounce ideas off of, or just have a general question about one of the awards itself, join us for these informal chats and Q&A sessions. Patrols take place monthly from September through June on the last business day of the month. While there is no charge to join us, you'll need to register to receive the Zoom link. All Patrol dates and times are listed throughout the program listings.

CAMP

For more than a century, camping has been a cornerstone of the Girl Scout experience. When girls get outdoors they create memories, make new discoveries, develop friendships, and learn new skills. Girls become lifelong learners, take on new challenges, think outside the box, find creative ways to get things done, and embrace the unfamiliar. Camping is in our Girl Scout DNA!

GSCWM owns four camps which were developed and are maintained for the express purpose of providing Girl Scout programs in the outdoors and to inspire girls to develop a love of nature, as well as a lasting commitment to the environment. Camps are located throughout central and western Massachusetts and each offers a unique experience.

Service Unit Encampments: Reserve up to 9 months prior to your date.

Troop Camping: Reserve up to 6 months prior to your date.

Camp to Troop: Calling all curious campers! GSCWM's Camp to Troop program is the perfect way to give your troop a first look at all the activities summer camp has to offer. Our program staff will visit your troop meeting, where girls can discover what a day at summer camp is like, learn valuable camp skills, and explore all the exciting program offerings coming to camp this year. Email emergier@gscwm.org if you would like to schedule a Camp to Troop visit, or if you have any questions.

Service Projects: Pre-arrange a project with GSCWM. Some ideas include: painting, cleaning fire circles, cleaning camp sites, and landscaping.

Borrow Equipment: to borrow or rent equipment, complete the Loanable Resources Form found online: www.gscwm.org/forms.html.

Find out more at www.gscwm.org and click on Camp. Confirm availability by looking at the appropriate site calendar. If there is a site noted on a date, this signifies a reservation is in place. "Exclusive" signifies the entire camp has been reserved.

CAMP

Girl Scout Summer Camp

Girl Scout Camp is a key benefit of being a Girl Scout and provides access to our beautiful camps. In addition, no Girl Scout experience is required to attend our summer camp. In a girl-led, girl-friendly environment, girls challenge themselves to take healthy risks, surrounded by supportive friends and camp staff. When girls spend quality time outdoors and increase their exposure to nature, they thrive physically, emotionally, and intellectually. That's great news!

Questions about specific camp programs email camp@gscwm.org

Questions about registering or processing payments email info@gscwm.org

Camp positively impacts girls, and there is something amazing about being outdoors where you make new friends, try new things, and laugh until you cry! Staff members who supervise high-adventure activities such as the pool, water sports, challenge course, archery, and other areas receive additional training and certifications. Many staff members return each year and travel from all around the world to ensure that our campers have an amazing camp experience.

PRODUCT PROGRAMS

Girl Scouts of Central and Western Massachusetts empowers the leaders of tomorrow by giving them the opportunity to participate in two very exciting programs that teach girls valuable life skills. The Fall Product Program runs primarily from September to October while the Girl Scout Cookie Program runs from December to March. Both programs consist of virtual as well as in-person options that embrace the five key business and leadership skills that will last a lifetime. Girl Scout Cookie Season is upon us – it's such an exciting time of year for Girl Scouts of all ages. Girls are able to take the skills they have learned during the Fall Product Program and put them into action. To continue to help girls with this program, we have some tips, tricks and themes to ensure that all girls have a fun and successful Cookie Program season.

Digital Cookie – Online Program – Dec 8, 2021 – March 13, 2022

While Digital Cookie is a great way for relatives out of state to support their Girl Scout, did you know that you can also use it for local friends and family with the added convenience of “Girl Delivery”? This way, local customers don't pay shipping, AND your Girl Scout can deliver the cookies at a time that is convenient for everyone and with contactless delivery. This is an easy way for your neighbors, friends, and community to safely support you.

Bling Your Virtual Booth Weekend – Jan 14-16, 2022

New this year, we are adding virtual cookie booths to our Bling Your Booth Weekend! Whether online or in person, a little bling always catches people's eye. Have fun creating your virtual booth décor that will encourage customers to shop and support your Girl Scout Cookie Program. Even something as simple as hanging a sheet on the wall behind you with pictures of the cookies can make a great virtual cookie booth.

Girls Have Heart Weekend – Feb 11-13, 2022

Show your support and pride for our local military troops and their families by decorating your drive-thru booth and front yard cookie stand during Valentine's Day Weekend. Promoting GSCWM's Project Care and Share program is another opportunity to increase your sales and to give back to those in our community. It's also a great way for customers who are on a New Year's diet or are unable to consume cookies to be able to support your troop while supporting the military troops located in our community.

Check out www.littlebrownie.com for more tools and fun-filled activities all about cookies.

PRODUCT PROGRAMS

Cookie Program Dates:

Order Cards & Girl Delivery online orders:

December 8, 2021 –March 13, 2022

Direct Shipped Online Sales:

January 14 –March 13, 2022

Girls and their troops begin the planning process for the annual Cookie Program in December. The program kickoff begins on December 8 when girls begin selling using their order cards and online. On January 14, the Direct Sale aspect of the Cookie Program begins in full swing as girls start selling with cookies in hand! From virtual booths to drive-thru booth sales and online orders, the 5 Skills are put to work as girls and their troops set goals and determine how to achieve them.

Not in a Troop? Become a Cookie Boss!

As with many fun programs at GSCWM, girls do not have to be a member of a troop to participate in the Girl Scout Fall Product and Cookie Programs. Girls who are on the non-troop affiliated pathway can participate through their service units for the Fall Product Program and during the Cookie Season they can become a Cookie Boss!

Cookie Boss girls will sell cookies through the following platforms:

- **Digital Cookie:** Cookie Bosses create customized websites on their own Digital Order Card Platform, for a completely contactless sale.
- **Order Taking:** Using the paper cookie order cards, Cookie Bosses ask neighbors, friends, and family members to place orders for cookies.
- **Booth Sales/Direct Sales:** A Cookie Boss gets cookies and sells them directly to customers, often at booths in high-traffic areas such as grocery stores, malls or at sporting events.

As part of the Cookie Boss program, girls are eligible to earn Cookie Credits if they sell 125 boxes or more. Girls can use their cookie credits for exciting opportunities like camping and program events sponsored by GSCWM or Service Units, GSCWM Girl Scout Travel, Girl Scout sponsored Destinations, anything sold at GSCWM stores, or any Girl Scout activity. Girls will be able to work on the 5 Skills and help fund their Girl Scout experience while learning valuable life and business skills.

In early December, an email will be sent to all non-troop affiliated girls to welcome them to sign up for the Cookie Boss Program. Are you a new non-troop affiliated Girl Scout? If so, email Jessica, jgonzalez@gscwm.org to learn more and become a Cookie Boss!

What do the product programs fund?

The Girl Scout Fall Product and Cookie Programs are two of only a few youth-oriented programs in the country providing its participants the ability to decide how to direct the proceeds generated through their business activity. Some girls are using their proceeds for travel, big trips abroad, and local programs. Some girls use their cookie credits to help fund their way to summer camp or earning their Highest Awards, and many give back to the community by funding their service projects. Council-wide, most of our Girl Scout troops reinvest a portion of their proceeds in service projects that address specific community needs. Many of the troops also take part in Project Care & Share programs which make donations to local food pantries and to our military troops.

All proceeds from the sale of Girl Scout Fall Product and Cookie Programs remain in central and western Massachusetts and benefit girls in the community in which the products are sold. The local Girl Scout council uses product program revenue to supply essential services to troops and individual girls, providing program resources and support, training adult volunteers, conducting events, maintaining camps, and providing financial assistance to help make Girl Scouting possible for all girls.

HOW DO I GET MY GIRLS FEATURED? Share with us all the super awesome things a troop, girl or volunteer has been up to and your story could be featured in our blog, social media, newsletters and more! On GSCWM's homepage click on About, Our Council, Share Your Story.

Volunteers make our mission possible.

Stand Up for a Better Tomorrow. Be a Girl Scout Volunteer.

Girl Scouts makes sure girls see and have opportunities to reach their potential—not just to ensure they'll earn better grades, make better decisions, and lead happier lives (though we help with those things too!).

And Girl Scout volunteers are the change-makers who make it all possible. They lead the sisterhood that provides comfort and inspiration in trying moments—giving girls the tools to solve problems and bounce back when faced with life's challenges.

In short, Girl Scout volunteers transform lives.

Bonus? The benefits of volunteering with Girl Scouts go both ways. As a volunteer, you'll:

- Unleash the confidence that comes with being a role model
- Discover your leadership style as your girls discover theirs
- Network and meet new people in your community
- Build new skills and have fun as you take on exciting activities with your girls

There's nothing like helping girls find their voices and use them to change the world. Contact us today to start the conversation. Your life will never be the same.
