DARNLEY

DARNLEY

ZOFFANY LAUNCHES DARNLEY FOR AW18, A STUNNING NEW COLLECTION OF ICONIC ARCHIVE INSPIRED DESIGNS, BLENDED WITH COUNTRY HOUSE INFLUENCES

If famed English country houses could share their memories, and if those memories could be beautifully translated into a luxurious collection of wallpapers and fabrics, Darnley from Zoffany is the perfect representation. From the wonderful and unique personalities that call these houses their home, to the priceless private collections that line the walls, Darnley shares a stylish elegance, seamlessly entwined with Zoffany's very being.

Stunning documents from the brand's archive have been reimaged in Zoffany's Alchemy of Colour, expertly bringing a country house appeal to classic, highly regarded designs. Haute couture influences are prevalent, resplendent in opulent, rich tones seamlessly carrying the colour story between Zoffany's collections.

Peter Gomez, Zoffany's head of design said, "We have developed our designs to reflect the fabulous personalities of the individuals that lived in the great historic houses of England. Archive prints along with new designs showcase exquisite techniques, whilst at the same time, capturing the relaxed feel of country living."

Darnley includes a collection of three books comprising ten wallpapers, four velvets, five prints, five embroideries and six weaves. A delightful palette of light colours such as the glamorous Pale Gold and elegant Snow, contrast with the bright and captivating tones of Tiger's Eye and Evergreen, to name but a few.

The launch comprises three pattern books: Darnley Fabrics (which incorporates prints, embroideries and weaves), Darnley Wallpapers and Maze Velvets.

PRINTS

ROSE ABSOLUTE LINEN

Flamboyant and mesmerising, this beautiful fabric has a timeless quality. Inspired by a 19th century Zoffany archive design, the use of unusual colour combinations retains the antique textures of the original document. Large scale roses in full bloom are printed on linen, evoking memories of a golden era.

Available in two colourways: White Opal/Mousseux and Sunstone/Mercury

CHAMBALON TRAIL

This delicate 'tree of life' motif with elegant white pigment highlights displays a charming innocence on an expansive ground. Traditionally screen printed on natural linen, this smart Zoffany design is striking in its perfect simplicity.

Available in three colourways: Sunstone/Linen, Antique Gold/Vine Black and Mercury/Platinum Grey

DARNLEY TOILE

Darnley Toile was inspired by 'Chintz', one of Zoffany's oldest and most iconic designs. Originally produced for Temple Newsam, a stately home near Leeds, Chintz was used in a room adjoining Temple Newsam's Darnley room, from which this reinterpreted design takes its name.

Choose from a smart Empire Grey colourway printed on pinstripe linen with a striking combination of matt and shine or the stunningly glamorous Tiger's Eye velvet. Both colourways feature the same redrawn archive inspired bird design.

Available in two colourways: Empire Grey and Tiger's Eye

HIGHCLERE

With a relaxed country feel, this whimsical Zoffany fabric from the Darnley collection showcases thick brushstrokes creating organic botanical forms.

Available in three colourways: Zinc, Empire Grey and Mousseux

COUNTESS

Gloriously full hydrangea blooms adorn this wonderful fabric which has been digitally printed to retain the finest details and twists of colour. Printed on natural linen and with a lovely movement, this slightly abstract Zoffany design turns into a dramatic cascading garden when made up.
