SCHIRMER INSTRUMENTAL LIBRARY

The initial volumes in this new series present literature, organized by difficulty level, with historical information about each piece. These collections are packaged with beautiful companion recordings of all the pieces, as well as recorded piano accompaniments. The compilations are designed for high school and college players, with particular study paid to various state high school contest solo repertory lists. Master composers are well represented as is standard literature for each instrument. The violin CDs were recorded by Frank Almond, concertmaster of the Milwaukee Symphony Orchestra, and pianist Elena Abend.
