PURPOSE

The Annual Montgomery County Public Schools Big Band Jazz Assessment and Clinic is designed to provide specific musical critique by experts in the field of jazz. High school jazz ensembles perform three jazz selections before a panel of distinguished music adjudicators who are experts in the field of music education. They critique the performance and apply ratings. Teachers are given this information, which is designed to be shared with students as they review their performance recordings and written critiques.

A jazz clinician works with middle school and younger high school jazz ensembles in a clinic setting and provides immediate feedback to the group.

Program selections to be announced | |

The Airmen of Note is the premier jazz ensemble of the United States Air Force. Created in 1950 to carry on the tradition of Major Glenn Miller's Army Air Corps dance band, today the "Note" features 18 of the most talented jazz musicians in the country and is one of the last touring big bands. As a result, it has earned an international reputation as one of the finest and most versatile big bands of its kind in the world.

Through the years, the Airmen of Note has presented its exciting brand of big band jazz to audiences throughout the United States, dozens of countries in Europe and Asia, as well as back home in the Washington, D.C., area. The group's successful delivery of their recorded music to millions of fans over hundreds of media outlets worldwide is validated by industry measures, including the JazzWeek jazz chart.

In 2010, the Airmen of Note celebrated 60 years as one of our nation's most revered musical organizations. As it passes this historic milestone, the band will continue to vigorously support the U.S. Air Force by building on its deep and rich musical heritage and tirelessly delivering musical excellence to audiences throughout the United States and around the world.
