Amphibious Vehicle Tour of London for Two

Get your binoculars out and prepare yourself for a unique perspective of the capital with amphibious London tours. These fascinating vehicles were originally used in wartime, transporting troops and cargo across the waters straight onto land. Famous sights you'll see will include Big Ben, Houses of Parliament, Buckingham Palace and The Ritz. Your guide will give you an entertaining commentary, providing a unique view of London's history, as well as some riveting facts about the DUKW (known as The Duck). After passing The Tate Gallery the whole vehicle will dive into the Thames and take a swim, before climbing back up onto the streets of London towards Lambeth Palace and back to your starting point near the famous EDF Energy London Eye.

Availability

Monday to Sunday throughout the year with various time slots throughout the day (from 10am to 6pm). Please give at least 72 hours booking notice.

Participant Guidelines

This experience is for two people, minimum age 4. Children between the ages of 4 and 12 are accepted but must be accompanied by a voucher holding adult (aged 18 or over). Prams and pushchairs are not permitted on board.

Duration

The tour lasts approximately 75 minutes, 45 of which are spent on the road and 30 on the river. Please arrive a few minutes prior to departure as allowances cannot be made for missed departures and tickets are non transferable and non refundable.

Numbers on the Day

A maximum of 30 passengers share the vehicle.

Location

South Bank, London
