## **Emerald Seals GJ Lalor Championship**

### **PRESIDENTS WELCOME**

On behalf of the Emerald Seals Swimming Club I'd like to welcome all swimmers, officials and spectators to the 2021 Emerald Seals GJ Lalor Challenge.

The thought of running a carnival in the midst of COVID-19 is very daunting for any club, but the Emerald Seals Committee were never in doubt that our annual GJ Lalor Carnival would go ahead (unless otherwise directed by Government advice). The Seals Members have rallied and stepped up to ensure the safety of everyone attending and we hope all attending respect the guidance provided by Swimming QLD, CQ Swimming and the Emerald Amateur Swimming Associations COVID-19 Carnival Plan.

This is the club's 4<sup>th</sup> year hosting a Friday night session featuring long distance events. Although nominations aren't huge, the club feels it is a unique opportunity for swimmers across the region to showcase and achieve times in these specialist events.

As with any successful event there is an enormous number of people I need to acknowledge for their contribution. This size carnival would not be able possible without the efforts of a robust club with active members. A massive thank you to the dedicated committee, willing parents and other volunteers.

The club are extremely grateful for the tremendous generosity of the local sponsors who have kindly donated money, products and services to support our annual carnival. I encourage anyone attending the carnival to reciprocate this generosity by supporting these businesses whenever possible.

Thanks must also go to Bobtrac. The team who operate the Emerald Aquatic Centre continue to present an immaculate facility which is very well maintained and great for swimmers at our carnival every year.

Thank you to all the clubs who've encouraged their members to participate and travel to Emerald for the carnival.

Thank you to the officials for being deck side all day and assisting in the club's goal of ensuring we host a professional and efficient swim meet.

Finally, I wish everyone a fun and successful meet with lots of PB's, lots of team spirit and great sportsmanship. We hope to see you all again next year.

Belinda Guernieri

President 2020-2021

#### **Are You Interested in knowing more about Technical Officials roles?**

*CQ Swimming is on the look out for people who might be willing to become more involved in our great sport and consider taking on the role of a Technical Official. This weekend is the perfect opportunity for you to spend just half an hour beside an experienced official to see what they do and how it all works. How involved and how far you want to take it is up to you, but our club carnivals and regional activities can't run without accredited officials in attendance. If you are interested in seeing what Officiating involves, please see Sarah Emery here at the Emerald Carnival.*
