

# YUKON™

COLD LOCKER

## WELCOME TO THE YUKON

The Yukon™ cold locker is the best there is at keeping ice colder, for longer, even in the toughest conditions. You've been there. In the dead calm scorcher off the Keys when the Dorado are going a little crazy. That's when Yukon saves the day.

Or, you're up in the bush and you knock down a good bull on the second day. And the plane isn't due for a few more days. Yukon is the answer. It's the cold locker you can trust to outhaul, outlast and outchill any cooler out there.

With a comprehensive assortment of seven Yukon cold lockers, both wheeled and chest-style, ranging from 50 to 250 quarts – and growing – there is a Yukon perfect for land or sea.

If you're going to talk big, you'd better be ready to back it up. Your Yukon™ 5-year warranty does just that. It covers you longer - proof that your Yukon is built that much tougher.

\*Performance under controlled conditions. Ice retention time varies from up to 7 to up to 14 days dependent on the model. Ice retention is tested by placing 0.9 lbs of ice per quart of capacity, placed in a 90° F oven and measuring the time that elapses from an internal temperature of 10° F until it reaches 40° F.

## YUKON WHEELED MOBILITY

Need mobility during your hunting or fishing expedition? New wheeled Yukon™ cold lockers deliver. The heavy-duty aluminum locking telescoping handles and oversized eight inch "never-flat" wheels are rugged enough to conquer any terrain. The 90 quart roller features Glide™ horizontal telescoping handle technology which lightens the load by 50% so you can direct your energy to the important things – your catch or game.

The extra wide "Super Stabilizer" locking telescoping handle on the 50 quart roller provides outstanding stability and maneuverability, and includes integrated "gear hangers" to haul more equipment. If circumstances force you to go it alone, these Yukon Wheeled Cold Lockers definitely enable you to outhaul the competition!

### Glide™ Handle System

Locking horizontal telescoping handle reduces lifting load by 50%

Dual triggers allow easy handle extension and lock in place

### Stationary at Rest

Wheels clear the ground when the cooler is at rest

### Convenience

"Gear hangers" molded into handle for added convenience

### Marine Grade Tubing

Handle constructed of heavy-gauge, non-corrosive aluminum tubing

### Super Stabilizer

### Locking Telescoping Handle

Wide "Super Stabilizer" locking telescoping handle provides outstanding rolling stability and maneuverability

### Oversized All Terrain Wheels

Large, 8 1/2" diameter non-marking wheels ease transport, never go flat and keep your boat deck pristine

## YUKON FEATURE PACKAGE

Igloo has spent 65 years making coolers for outdoor guys like you. Now they bring you the ultimate cooling machine – Yukon™. Everything about Yukon is tough. From the darn-near indestructible case, to the extra strong hinges, the thicker insulation, bigger drains, two-fisted handles that don't swing or break plus an honest and true full-load capacity that holds what it claims to hold. And our 5-year warranty says you've got Yukon for a bunch of adventures.

### Integrated Fish Ruler

Measures your catch

### T-Handle Latches

All-weather, durable

### Bigger, Stronger Hinge Rods

5/16" stainless steel with stay open detent

### Cool Riser Technology™

Elevated cooler design improves cooling performance and provides a space below for easier deck washing

### Dry Ice Compatible

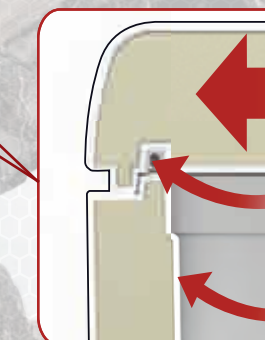

### Work Surface

Raised, textured work surface on lid

### Stainless Steel Dual Locking Plates

For maximum security and fits a variety of locks, not just one

**Extra Thick Insulation**  
foam in body and lid  
keeps cold for 7-14 Days\*

360° freezer-style  
gasket seals in cold

Durable high  
impact polyethylene

\*Performance under controlled conditions. Results may vary.

### Rock Solid Handles

Steady no-swing design, wide-grip large enough for two hands, secure tie-down anchors for theft resistance

Keep your drain plug high  
and out of the dirt

### Oversized Stainless Steel Tethered Drain Plugs

Easy cleaning and fast flow

**Skid/Anti-Skid Feet**  
Reversible

- Fits Yukon™ 50-150 Qt Cold Lockers
- Polypropylene skid side and TPE anti-skid side allow feet to be reversed for maximum user flexibility

## Pro Staff

### Keith Warren

Keith Warren is an icon in the outdoor television industry and a devoted conservationist. He has been producing and hosting television shows specifically geared to outdoorsmen since 1984 and has appeared on networks such as Outdoor Channel, VERSUS, ESPN, ESPN II, Sportsman's Channel and Pursuit Channel.

*"I'm an active outdoorsman, so I expect a lot from my equipment. The Yukon has more important features that matter and lives up to its billing better than any cooler I've ever used."*

### David Luckie

David is the owner and a working guide for Trophies of Lanier, LLC. David and his team spend over 250 days a year on the lake targeting trophy Striped Bass, providing a professional fishing guide service on beautiful Lake Lanier.

*"What is NOT to like about the Yukon! The rock solid handles, the ultimate drain plug, the reversible feet and most of all...the lid stays open. Thank you Igloo for finally making a high-end cooler that is worth it!"*

## Far Horizons

Are you always out fishing or off hunting? Do you follow a different set of seasons—deer, mackerel, turkey, bass? Then visit [www.yukoncoldlockers.com](http://www.yukoncoldlockers.com) and join the Far Horizons Club. There you can share your stories, photos and trophies with serious outdoorsmen like yourself. And you can register your new Yukon™ while you're at it. Hurry up, the next season is just around the corner.

## PRO STAFF / FAR HORIZONS

### Connor Baxter

At 17 years old, Connor has a list of accomplishments, winnings and mediacoverage spanning over 9 years. Competing since age 8 in Windsurfing and Surfing, Connor is now also focused on Stand Up Paddling. He has been published over 100 times, in 25 different magazine and newspaper publications throughout the world. He was "2011 Men's No. 1 Male Paddler" and the "2011 Junior of the Year."

*"I am always training and competing in the hottest places in the world from Hawaii to Australia. It's great that the Yukon's solid construction and insulation can keep up with whatever I throw at it."*

### Dustin DeVos

Professional Fisherman and entrepreneur Dustin DeVos has been fishing since the age of five. He has fished in tournaments like FLW all over North America including Canada and the island of New Foundland. He is also the owner of Angler Skins custom shirts and jerseys.

*"I've been using Igloo coolers all my life. When everyone started making high-end, roto-molded coolers, I knew I had to have the Yukon. I've been using mine for about a year now and there is nothing that cold locker can't handle."*
