Welcome to the 2020 Okanogan County Fair from Queen Whitney Wilson

Hi everyone, my name is Whitney Wilson and I am your 2020 Okanogan County Fair Queen. I couldn't be more thankful for this opportunity to serve our community and promote participation at fair.

I am 17 years old and a Junior at Tonasket High School where I play softball and am an active FFA member. I am also attending my first year at Wenatchee Valley College in Omak.

For the past 10 years, I have shown steers in the beef barn. I have also brought a variety of garden, art, and welding projects to the 4-H barn throughout those years. When I'm not working with my fair steer I'm at home working with my parents, Jon and Bobby Wilson, on our ranch raising cattle. In my free time, I enjoy many outdoor activities such as camping, hiking, fishing, and skiing.

I hope to encourage kids to be a part of fair and enjoy it the way I do. I'm very

excited about this upcoming year and all of the new adventures it will bring. I invite you all to join me at this year's 73rd Okanogan County Fair!

Okanogan County Fair Introduction for Fair Participant Newbies

The Okanogan County Fair Advisory Committee (FAC) would like to welcome all new exhibitors. You can experience the County Fair in two vastly different ways – you can go to see it, or you can be a part of it. When you are a part of the fair, it takes on a whole new meaning; it becomes your fair. The key to successful Okanogan County Fair participation is in understanding the Premium book, how to use it, and not missing deadlines. Another important factor a great fair is lots of community participation. We would like to encourage newcomers to join the fun and help build the Okanogan County Fair as we approach our 75th anniversary in 2022.

This brief guide will try to introduce new participants to the steps in being part of the County Fair to avoid having hopeful participants miss out because they didn't know the deadlines. **All deadlines are included in the Premium Book, on the fair website, and can also be found on the Ok Fair Facebook page.**

CONTACT INFO for Fair Office:

Email: fair@co.okanogan.wa.us; **Phone:** 509-422-1621; **Website:** www.okanogancounty.org/fair

The Okanogan County Fair is always the weekend after Labor Day.

RULES: All of the rules for the fair are in the premium book which provides in-depth guidance. This book is available each spring at the Okanogan County Fair office, local libraries, and many local businesses throughout the county. The premium book provides all of the Departments, Divisions, Classes, etc. you will need to enter your items. It is the final reference/rule book on all things fair related.

PREMIUM POINTS are points awarded according to placement (Grand, Reserve, blue, etc. Special awards do not earn premium points.) Depending on the number of entries and funding available, each point is worth a small amount of money which will be calculated at the end of judging and checks will be mailed to those earning premium points. Kids with entries who place will earn a small amount of money for their entries. Premium points worth less than \$2.00 will not be paid out.

ENTRIES, GENERAL: All entries must be registered online through the registration link found at the fair website (above). If you are unable to enter through this method, please contact the Fair Office for further guidance. Entries must be made during the period specified as all entries must be processed and any errors corrected in time for fair. Late entries create technical issues and therefore not allowed. All entries are brought to the Fairgrounds on Wednesday, the day before the fair opens. (More info in Premium Book). Animal Exhibitors must purchase a season pass because they are required to be there for the duration of the weekend. All other Exhibitors can enter their items FREE. You only need to pay if you plan on attending the fair. Otherwise, you can bring your items on Wednesday during drop off and then pick it up on Sunday at the close of Fair.

ANIMAL ENTRIES: IMPORTANT! There is a difference between pre-registration and registration! Pre-registration is a paper process, turned in 90 days before fair. This process is for Market Stock Sale animals intended to verify that the animal was raised and readied for market by the participant. You will need to tag and photo the animal and turn the completed paperwork into the fair office. 4-H requires 90-day ownership and that is the standard. Contact the fair office for more detail.

Herdsmanship: All participants with an animal are automatically participants in Herdsmanship. This entails keeping your own chores done and beyond- cleaning aisles, answering questions of the public, etc. It is an integral part of the experience. All participants entering animals are required to enter Herdsmanship, Educational Displays, as well as Fitting and Showing for market animal entries.

If you have an animal that you are planning to sell, there are **specific rules** you need to follow to be eligible to sell. Please refer to the Livestock General Info section of the premium book for these rules. The Market Stock Sale is conducted by a separate organization from the Okanogan County Fair. Questions regarding Stock sales must be addressed to the Market Stock Sale personnel.

BARN SUPERINTENDENTS: Each barn has a Superintendent that is in charge of that barn. The premium book contains those guidelines as well as the names and contact info for each Superintendent. Many (but not all) have Facebook pages that they use to send out reminders.

4-H has rules specific to that organization. Please contact the WSU Extension Office to address those questions.

4-H Contact Info: 509-422-7239, WSU Extension Office, <http://extension.wsu.edu/okanogan>

CAMPING: Camping space is limited and takes a great deal of time and effort to organize. Please follow the timeline in order to help the FAC to facilitate camping. If you have never camped at the fair before, you will not be on their email list. You can download an application online at the fair’s website or email a request to the Fair Office. A camping contract includes one season pass for one adult.

RODEO, HORSE RACING, AND WILD HORSE RACE: Rodeo Entries and fees are processed through ProWest Rodeo Association. Entry Dates: September 3, 2020. Go to www.prowestrodeo.com
Race information is found at the back of the Premium Book.

VENDING Not covered in Premium Book. Please visit the website or contact the fair office. Applications available April 1.

REGISTRATION FORMS\WORKSHEETS

ONLINE Registration is now the primary method of entering items in the fair.

Registration forms in the back are intended primarily as a place to take notes for those capable of entering online. Only use the mail in paper forms if you are unable to enter online. Additionally, the date to mail in paper forms is 5 days earlier in order to give staff or volunteers time to process them. Go to www.okanogancounty.org/fair to register.

Registration is between August 1 and August 31.

EXHIBITOR FEES

All Animal Exhibitors must purchase a single person Season Pass (good for all four days.) There are currently no fees to exhibit an item at the fair.

LIVESTOCK EXHIBITOR-CODE OF ETHICS

Believing it is in the best interest of all exhibitors of all livestock to maintain a reputation of integrity and to continue to present a wholesome and progressive image in the show ring, the Fair Advisory Committee lists herewith those practices which are considered unacceptable in presenting livestock in the show ring. The use of such practices or procedures is, therefore, considered unethical in the showing of livestock at the Okanogan County Fair.

1. Misrepresenting the age of the animal for the class in which it is shown.
2. Treating or massaging any part of the body internally or externally with an irritant, counter-irritant, or other substance to temporarily straighten a weak back or loin, or to produce unnatural animation.
3. Minimizing the effects of cramping by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment for exempting normal exercise.
4. Striking the animal to cause swelling in a depressed area.
5. Surgery of any kind performed to change the natural process or growth, maturation, contour or appearance of any animal, to include teeth. Not included is removal of teats or horns, clipping and dressing of hair and trimming of hooves.
6. Insertion of foreign material under the skin.
7. Any attempt to change natural color of an animal, either purebred or crossbred, by changing the color of or adding false hair, fleece or skin at any point, spot or area of the animal's body.
8. The use of alcoholic beverages in the feed or administered as a drench.
9. Administration of drugs of any kind or description, internally or externally, prior to entering the show ring except for treating a recognized disease or injury and for the tranquilizing of bulls that may otherwise be dangerous to females in heat.
10. Balancing the udder by any abnormal means including the use of a mechanical contrivance or the injection of fluid or drugs.
11. Treating or massaging the udder or its attachment with an irritant or counter-irritant. The use of common products such as fly spray, ointment or liniment in excess to the extent that irritation occurs is included as an irritant unless required to reduce edema at time of calving.

For the purpose of the rules/code of ethics, the term "drug" shall mean any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and by any substance commonly used by the medical or veterinary professions. The use of any chemical and/or compound that is not approved by the Food and Drug Administration (FDA) for use in meat producing animals, and the illegal use of approved chemicals and/or compounds are prohibited. All animals shall be subject to tests (blood, urine and/or tissue) for foreign substances that exceed the acceptable levels established by the United States Department of Agriculture, or the FDA. A positive test may result in disqualification, forfeiture of premiums and/or awards.

MARKET STOCK SALE

The Market Stock Fund is a separate entity from the Okanogan County Fair as is the Market Livestock Sale.

1. Each exhibitor must be a permanent resident of Okanogan County, or an enrolled member or leader in the FFA or Boy/Girl Scout program within Okanogan County or Bridgeport. Youth 4-H exhibitors must be currently enrolled 4-H members in Okanogan County or Colville Reservation WSU Extension 4-H program by August 1.
2. Each exhibitor may participate in only one (1) sale during the entire Fair and then sell only one (1) animal. Sale animals must have earned a Blue or Red ribbon to be eligible for the Market Sale. White Ribbon market stock is not eligible to be sold.
3. All market livestock exhibited must be sold at the Okanogan County Fair Market Stock Sale unless withdrawn from the sale within one hour after placings are completed. **Grand Champion and Reserve Grand Champion market sale animals will be sold and slaughtered and may not be withdrawn from the sale.**
4. Market beef and dairy cattle must have a bill of sale or a brand slip from the brand owner and consignment brand slip to the Market Stock Sale.
5. No exhibitor less than 8 years old will be allowed to sell an animal at the market stock sale.
6. Exhibitors participating in the Market Livestock Sale shall have participated in Fitting and Showing in the Market class for their species and have presented an Educational Exhibit.
7. All steers and heifers sold at the Fair auction must have halters left on them until loaded by the buyer. Each halter must be marked and may be picked up at the Fairgrounds Office after the Fair is over.
8. The seller of animals sold at any auction will be responsible for the animal until the close of the Fair at 3:00 PM Sunday.
9. Market stock money will be mailed within 45 days after the Fair, provided buyers have paid.
10. 2% of all auction stock money is retained by the market stock administration and may be used for repair and improvements to animal areas, to purchase straw, and cover the loss of an animal if it dies. Various projects it has funded are: Beef wash rack, hoses/nozzles, sound system, water nozzles, fans, livestock loading chute, lawn mower, gates, rental of cover for sheep barn during Fair, paint and boards for repair. The Market Stock Fund is a separate entity from the Okanogan County Fair. Checks to sellers of market stock will not be mailed out until everyone who purchased an animal has paid their bill in full.
11. Anyone registering a market animal must sell or pay \$25.00 to cover brand inspection, beef check off, and straw used.
12. The Market Livestock Auction is an auction where the young people sell their livestock they have shown in the Fair as market animals (to be used for commercial processing); it is a great way for you to show support of their hard work. The processors are contracted prior to the sale and a set price per pound is pre-arranged (floor price). The bidding starts at floor price. This is when your support is needed. This is top quality livestock. There is a tremendous amount of effort, care, and expense the young people of our county provide to their animals. If you want to pay full price you can take the animal home, plus a \$10.00 fee. If you want to pay support only, subtract the floor price from your bid. This is what you pay. **Market stock payments to exhibitors will be mailed within 45 days after the Fair provided all buyers have paid in full. This will be paid by the Market Stock Fund, not the Okanogan County Fair. MARKET STOCK SALE is 3:00 PM, Saturday.**
13. Please pay night of sale. After you sign the sales sheet no changes will be allowed.
14. For questions after fair, remember that the Market Stock Sale is a separate entity and office staff will not have direct information regarding sales and checks. Please direct questions to Gwen Whitley – Phone -509-422-7190; Email: gwhit2004@yahoo.com. Please direct initial inquiries to email, phone; use phone as second choice if possible.

Suggestions for Fruit and Vegetable Exhibits

1. Fruits and vegetables are generally judged according to size, quality, color, trueness to variety, freedom from blemishes, and uniformity of size.
2. The best size to select is not the largest nor the smallest but the one which most properly represents the variety and is of the size and shape normal for the variety without irregularities in form.
3. Quality should be of the highest. Fruit and vegetables should be mature, should generally retain their stems (unless otherwise specified), and must be free from bruises and broken skin or any visible imperfection. Fruits and vegetables on each plate should be as uniform as is possible to select.
4. Color should be characteristic of the variety. Color may be brightened by polishing with a soft cloth. Prunes, plums and grapes should never be polished and on these it is best to retain all the natural bloom possible.
