SilverLeaf Design LLC

ABOUT US

Established in 1980, Kroy Sign Systems has provided architectural sign solutions to large facilities and institutions throughout the United States. Through a network of loyal localized Dealers, Resellers & Distributors, Kroy Sign Systems continues to manufacture and distribute wayfinding sign systems to Hospital and Healthcare facilities, Government Agencies, College & University campuses and Fortune 500 companies. Our commitment remains throughout decades of service to the industry.

"A Quality Conscious, Employee Driven Company Committed To Developing Innovative Products, Timely Order Fulfillment And Exceptional Service Standards, That Meet Each Customers Needs".

As Employees of Kroy Sign Systems . . .

We strive to reduce barriers for individuals with physical disabilities through the manufacturing of design / build sign solutions.

We also recognize our responsibilty as environmental stewards and conservationists. We believe it is both good business practice and our duty to protect the natural resources of the communities in which we live.

In keeping with this belief, we, as an American manufacturer, are committed to:

· The reduction of post consumer material waste.

· Minimizing emission of (VOC) Volatile Organic Compounds.

· Recycling paper, plastic and metal manufacturing byproducts.

· Reducing air bourne particulates.

· Utilizing sources of renewable energy and natural lighting.

· Minimizing energy requirements.

· Use of recycled packaging materials.

· Use of recycled computer equipment and peripherals.
