## About Us

Our Company **Electronex** was established in the year **2010**. We are a **Wholesale Trader** and **Exporter** of **Electronic Control Unit, Digital Cameras, Electronic Products, Electronics, Mp3 Players**, etc. We develop each product with due perfection towards quality, performance and shelf life. The product complies with national and international standards of quality. Further, we have the facility of storing our sourced products in a systematic manner. The unit holds a huge storing capacity, helping us in meeting immediate demand of the customers. Furthermore, for the safe delivery of our array, the team of packaging experts packs it in quality approved packaging material. We **export** our products to **US, UK, Germany, Canada** and **France**.
