

Artekno Industries

<https://www.indiamart.com/artekno-industries/>

ARTEKNO INDUSTRIES established with sole objective of import and manufacture quality products at competitive price for Indian Industries. We have wide range of high temperature resistant fabrics.

About Us

Our wide product range comprises Fibreglass Fabrics, Silicon Rubber Coated Fabrics, Silica Fiber Cloth, Ceramic Fibre Textile, Graphite Coated Fabric. In addition, we also offer Aluminium Fiber Glass Fabric, PTFE Coated Glass Fabric, Safety Hand Gloves, Aluminized Aprons and Fire Suits.

Our products are available in a multitude of sizes and dimensions and are manufactured with TQM quality approach. Due to their reliable performance, these products are extensively used in steel mills, ship building, Refineries insulation, fertilizers and manufacturing of Fabric Bellows, Expansion Joints, Safety Blankets, Curtains, Welding Blankets, Protective and Insulating Covers and many other heating applications. All our products are rigorously checked at every level of production process, which is done by our quality controllers on predetermined quality parameters. Due to our quality approach, we are able to meet the diversified demands of our clients spread across India and abroad. We have 24 hours service approach to our customers for enquiries, services and consultation.

INDUSTRIAL FABRICS

High Silica Fabrics

Vermiculite Glass Fabric

Nitrile Rubber Sheet

Vermiculated Silica Cloth

PROTECTIVE GLOVES

Welding Gloves

Cut Proof Hand Gloves

Heat Resistance
Aluminized Gloves

Asbestos Hand Gloves

GLAND PACKING

Gland Packing - Carbon Yarn with Wire

PTFE Fiber Gland Packing

Pure PTFE Packing

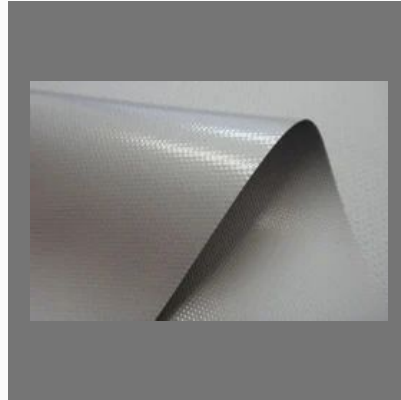

Gland Packing - PTFE & Aramid

COATED FIBERGLASS FABRIC

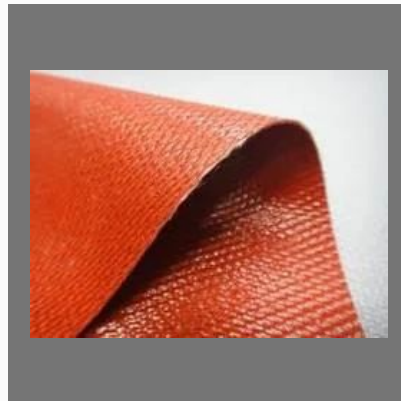

Heat Insulation Cloth

Silicone Coated Fabric

Silicone Coated Blankets Fabric

Silicone Coated Fiberglass Products

CONSTRUCTION CHEMICALS

Water Reducing Agent

Non Metallic Floor Hardner

Silicone Based Water
Replent Coatings

Waterproofing Compound

HIGH TEMPERATURE TAPES

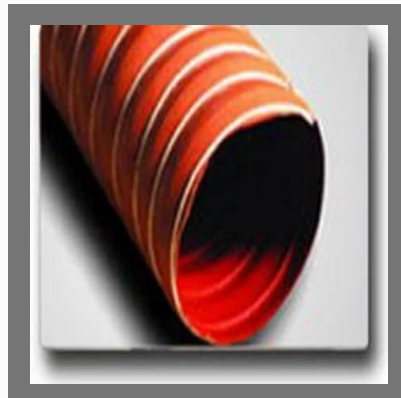

Ceramic Insulation Tapes

Aluminium Coated
Fiberglass Tape

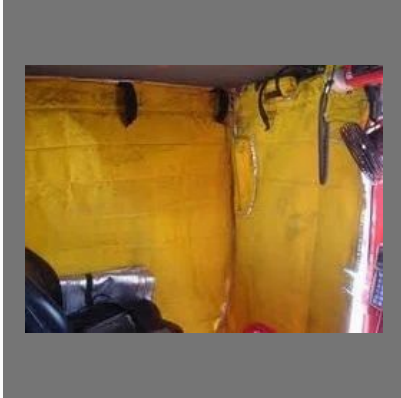

Self Fusing Silicone Tape

High Temperature Hose
Pipe

FIRE BALNKETS & CURTAINS

Fire Safety Curtains

Fire Blanket

Welding Blankets & Curtains

Welding Blanket

FIRE SAFETY APPARELS

Fire Safety Suits

Fire Resistant Suit

Aluminized Apron

Fire Blanket

OTHER PRODUCTS:

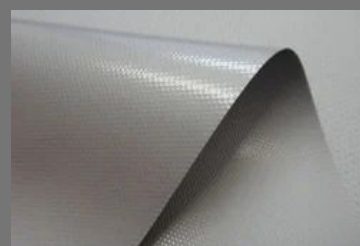

Non Metallic Bellow Fabric

Hand Protection Gloves (Thermal Heat)

Gland Packing - Carbon Yarn & Graphite

Insulation Fabrics

Factsheet

Year of Establishment : 2015

Nature of Business : Manufacturer

Total Number of Employees : Upto 10 People
