

A BIBLIOGRAPHY OF MATERIALS AVAILABLE IN THE  
INSTITUTE OF ASIAN STUDIES LIBRARY ON  
SOUTH AND EAST ASIA  
(AS OF JUNE, 1964)

MARTHA B. SEGUERRA

The Library of the Institute of Asian Studies (IAS) of the University of the Philippines (UP) which was organized during the academic year 1956-1957, has for its core-collection the books donated by visiting Fulbright professors and/or researchers who were at that time teaching courses here on Asia. To this were added some books and pamphlets of the faculty members of the Institute, donations from the different embassies in Manila and from the Asia Foundation, and those transferred from the U.P. Department of History.

To realize its role in the research and teaching programs of the IAS, the Library has continuously exerted efforts to expand its collection. Subsequently, more books were acquired. The order of priority of acquisition in terms of geographical subdivisions is as follows: (1) Southeast Asia, (2) South Asia, and (3) East Asia. Acquisition of materials on the Philippines has been limited, because there is already a Filipiniana collection in the Main Library. Most of the IAS Library books on Southeast Asia were incorporated in the "Bibliography on the Modern History of Southeast Asia" compiled by Mrs. Lourdes Y. Collantes and John A. Larkin (*Asian Studies*, August 1964). The present bulk of the IAS Library collection, however, is on South and East Asia.

For the benefit of researchers and students of Asian Studies, especially those from the Philippines, we are presenting a bibliography of these materials as of June, 1964. Entries are arranged by countries and subdivided by subjects, according to the Library of Congress Classification.
