Then I shall bow in humble adoration
And there proclaim, my God how great Thou
art!

 Here in the love of Christ I stand

 In Christ alone, who took on flesh
 Fullness of God in helpless babe

This gift of love and righteousness
 Scorned by the ones He came to save
 'Till on that cross as Jesus died
 The wrath of God was satisfied
 For every sin on Him was laid
 Here in the death of Christ I live

There in the ground His body lay
 Light of the world by darkness slain
 Then bursting forth in glorious Day
 Up from the grave He rose again
 And as He stands in victory
 Sin's curse has lost it's grip on me
 For I am His and He is mine
 Brought with the precious blood of Christ

No guilt in life, no fear in death
 This is the power of Christ in me
 From life's first cry to final breath
 Jesus commands my destiny
 No power of hell, no scheme of man
 Can ever pluck me from His hand
 'Till He returns or calls me home
 Here in the power of Christ I'll stand

Let every heart prepare Him room

Let men their songs employ
While fields and floods, rocks, hills and plains

Repeat, repeat the sounding sound

No more let sins and sorrows grow
Nor thorns infest the ground
He comes to make His blessings flow
Far as the curse is found
Far as the curse is found
Far as, far as the curse is found

He rules the world with truth and grace
And makes the nations prove
The glories of His righteousness
And wonders of His love
And wonders of His love
And wonders, wonders of His love

JOYFUL JOYFUL WE ADORE THEE

Stanza 1:

Joyful, joyful, we adore Thee
God of glory, Lord of love

Hearts unfold like flow'rs before Thee
Hail Thee as the sun above
Melt the clouds of sin and sadness
Drive the dark of doubt away
Giver of immortal gladness
Fill us with the light of day

Stanza 2:

All Thy works with joy surround Thee
Earth and heav'n reflect Thy rays
Stars and angels sing around Thee
Center of unbroken praise
Field and forest, vale and mountain
Flow'ry meadow, flashing sea
Chanting bird and flowing fountain
Call us to rejoice in Thee

Stanza 3:

Thou art giving and forgiving
Ever blessing, ever blest
Wellspring of the joy of living
Ocean depth of happy rest
Thou the Father, Christ our Brother
All who live in love are Thine
Teach us how to love each other
Lift us to the joy divine

Stanza 4:

Mortals, join the mighty chorus
Which the morning stars began
Father – love is reigning o'er us
Brother – love binds man to man
Ever singing, march we onward
Victors in the midst of strife
Joyful music lifts us sun-ward
In the triumph song of life

MARY'S BOY CHILD

 Was born on Christmas Day

D **E** **A**
 Hark now hear the angels sing
F#m **B7** **E**

 And man will live forevermore
E **A**
 Because of Christmas Day

While the shepherds watch
 Their flock by night
 They see a bright new shining star
 Then they hear a choir sing
 The music seemed to come from far

Now Joseph and his wife Mary
 Come to Bethlehem that night
 They find no place to born the child
 Not a single room was in sight

By and by they find a little nook
 In a stable all furlorn
 And in a manger cold and dark
 Mary's little boy was born

Trumpets sound and angels sing
 Listen to what they say
 That men will live forevermore
 Because of Christmas Day

And tumult of her war
She waits the consummation
Of peace for evermore
Till with the vision glorious
Her longing eyes are blest
And the great Church victorious
Shall be the Church at rest

Yet she on earth hath union
With God the Three in One
And mystic sweet communion
With those whose rest is won

Its shame and reproach gladly bear
Then He'll call me some day

Where His glory forever I'll share

E A
All because we do not carry
E B7 E
Everything to God in prayer

Have we trials and temptations
Are we weak and heavy laden
Is there trouble anywhere
Cumbered with a load of care
We should never be discouraged
Precious Saviour, still our refuge
Take it to the Lord in prayer
Take it to the Lord in prayer
Can we find a friend so faithful
Do thy friends despise, forsake thee
Who will all our sorrows share
Take it to the Lord in prayer
Jesus knows our every weakness
In His arms He'll take and shield thee
Take it to the Lord in prayer
Thou wilt find a solace there
