

Lake Fork Baptist Church

The Beacon

**A lighthouse on the lake
Perry Crisp, Pastor
May & June 2017**

Dear Church Family,

We as a church have taken on a challenging project that will require all our participation and absolute dependence on God's help and guidance. You have probably already received a brochure concerning this project in the mail. Raising money to construct a new children's building and youth building, as well as remodeling our existing pre-school/children's and kitchen areas is an important step for LFBC that will impact our ministry to the surrounding communities for generations to come. Therefore, it is imperative that we give it our all and that we do this together.

LFBC has never backed down or fallen short of meeting the growth needs of our fellowship. I believe it is one of the reasons God has perpetually blessed LFBC. Every time you have said "Yes," God has blessed! Dorinda and I would like to ask you to do the following with us:

1. Join us in being spiritually prepared for the challenge. Everything we do must begin from a solid spiritual base.
2. Pray honestly, sincerely, and boldly for God to show you what He wants you to give. Our participation must be in response to the leadership of God's Spirit in our hearts.
3. Be obedient to what God asks you to do.

If we will all do this, God will be honored and His will most certainly will be accomplished. Dorinda and I are so thankful for the faithfulness of God's people at Lake Fork in the past to move forward in faith through building after building. Now we get to build on that legacy and provide for tomorrow and for the people who will follow us.

What has already been written in the history of Lake Fork Baptist Church is a tribute to God alone. May the history we write in these next crucial months and years add even greater glory to our Lord and King! Join us. We need you.

We love you!

Perry & Dorinda Crisp

Ministry News

We have added some new books and DVDs just this last month to our shelves. You might enjoy the movies Miracles from Heaven, God's Not Dead 2, Priceless, or I'm Not Ashamed. We have a couple of books by the Kendrick Brothers, too; Prayer Works and Pete's Perfect Prayer Place. We also have added a new Rosenberg book titled "Without Warning", and also one by Chris Tomlin, "Good, Good Father". These are just a few, but you will have to come by to visit the Library to check out what else is available.

We still have several computers available for checking e-mail, surfing the net, or creating and printing out documents. If you need assistance in getting started, just let us know when you are coming in and we can arrange to have someone available to assist you.

We are still in need of a few more volunteers to work in the library to be open the hours that we have posted. Training takes just an hour or so. If you are interested in volunteering, just call or send an email. (The phone number and email address are listed below.)

Library Hours
Sundays
After morning worship
until 1:00 PM; 5:00 - 6:00 PM.

BROTHERHOOD BREAKFAST

We had a good turnout our last breakfast. As usual Marvin and his crew outdid themselves in the preparation of a great meal.

If you aren't attending these fellowships you're certainly missing an opportunity to share with your Christian Brothers and a chance to bring a guest and introduce him to LFBC.

We meet the 4th Saturday of each month at 8:00 am and are finished about 9:30. This leaves you plenty of time for your Saturday chores.

Come join us. You'll be glad you came.

Bro. George

Ministry News

God has been Great!! This is His ministry and we are His servants, so let's continue to Glorify Him and Thank Him for picking us to Serve Him!!

The next mission trip is to Oklahoma and we need yarn dolls for the kids! I pray that God lays this on your hearts so we can touch these kids lives and they touch their parents! I have kits available just let me know if you need one.

So much is going on. The devil is keeping me so busy, however I plan to win the battle and get these envelopes ready so we can send out postcards. If God lays on your heart to do this part in the prayer shawl ministry, I will

gladly show you how it is done. It is very easy, it just takes some time.

I want to thank everyone who is part of this ministry, you have touched so many lives!! You have blessed so many people. I know that God is blessing you. Just hearing the stories of how someone is touched when they receive a prayer shawl is a Big Blessing!

If you have a story, go to Facebook: LFBC Prayer Shawl Ministry and share your story.

Thank you for your service!

God Bless Everyone of You!!

VOLUNTEER BUILDERS

Our men have been extremely busy this past month. They've done work at the church and at several locations in the community.

Our goal is to help those in need, regardless of what their needs are, if we can be of service to them. They are appreciative of our labors, but we are blessed to be able to help.

If you would like to join us, we would like to have you. There are no special skills required, just a desire to serve. The fellowship and fun we have is worth every minute of your time.

In His Name
Bro. George
