## A note from the Principal's Desk...

Dear Friends,

I want to commend everyone for another term of great achievement and success, and assure you of my prayers for all of our SPCC community, as many of you take a well-earned rest. For those who are travelling, I pray that God will protect you, and keep you safe.

For 87 students, the final day of Term 3, is their final day of 13 years of 'school'. This is a significant occasion which exemplifies the quality and commitment of outstanding students who have worked conscientiously to achieve their goals, of diligent and faithful staff members who have given of themselves to serve these young people, and of loving and generous parents and carers who have supported them through this 13 year journey. Thank you to everyone who has contributed to their learning and growth, from Kindergarten to Year 12, to make this day possible. Many of the graduating students have expressed words of appreciation to staff members and to their parents, acknowledging the positive impact of their education at the College.

At their Graduation and Final Chapel Service this morning, all students were presented with their Graduation Documents and a College Reference, which acknowledges their success in completing the HSC, and Year 12. The following students gained additional awards for their success and achievement in a range of endeavours.

Every Blessing,

**Pam O'Dea** - Principal

## Car Parking and Safety Issues

### Car Parking – Let's be Great Neighbours

We have had a couple of complaints recently about bins being moved so that people can park on Bridge Street which has led to one of our neighbour's having no bin pick up for 2 weeks. This is understandably annoying! We have also been notified of cars parked over driveways. Please take care when parking so that our reputation for being part of the Waratah community is strong and healthy. Our neighbours will call the police if this continues to happen.

### Harriet St Car Park

Parents please stay in your car when you come into the Kiss and Run lane in the Harriet Street Car Park. Our staff and Senior Students are there to help students alight, get their bags and keep everything running safely and smoothly. When parents also get out of the car, the process slows considerably meaning that traffic gets banked up onto Harriet Street – exactly what we want to avoid.

## School Holiday Office Hours

The College requires technology maintenance which will cause significant outage of internet services, including telephones. This has been scheduled for during the second week of School Holidays to minimise interruption to the operations of the College. Whilst Reception will be open from 9am – 3pm in the holidays, the Accounts Department will be closed from Tuesday 8 October to Friday 11 October. Please be aware that during this time, the College may be uncontactable.

## Year 12 Student Raising Money for Children's Charity

One of our 2019 Year 12 students is stepping outside her comfort zone and supporting others less fortunate than herself. On the first of October, Olivia Killen is cutting off her long hair to donate to a children's wig service via Variety Children's Charity - she is also fundraising for them through the Hair with Heart program. If you would like to donate and support Olivia's cause, please click the link below. Well done Olivia!

## Vanuatu Mission Trip

The Vanuatu Mission Trip team will this year focus on improving and assisting with the education of the children in Vanuatu. For the next few weeks donation buckets will be placed around the school, so students can donate stationary items such as crayons, chalk, books, pencils, erasers, sharpeners, etc., for the schools in Vanuatu.

**Any donations are much appreciated.**

# SPCC STUDENTS PROPOSE INNOVATIVE SOLUTIONS TO ENSURE GLOBAL FOOD SECURITY

On Thursday 26 September, Year 10 students held the 2nd Young Leaders Symposium on Food Security to discuss ideas and solutions to tackle global food security risks.

After the success of the 2018 Symposium, and in the lead up to Lake Macquarie City Council's Living Smart Festival this coming weekend, our passionate Year 10 Geography students have worked on this project throughout the whole of Term 3, culminating in a Symposium to explore each other's ideas. The Symposium was also a good opportunity to inform the broader School Community and local community about ways we at a local level can help ensure global food security into the future.

HSIE Coordinator Mr Matt Schultz, alongside Mr Robert Stuart as the 10 Humanities Team Leader, who organised the event, expressed their delight at the level of engagement among the students who took part in the project and symposium.

'It is a such a wonderful and positive experience for the students,' Mr Schultz explained, 'our students are passionate about protecting the world that they will inherit, and this project helps them to understand ways that they can be part of the solution for climate change and securing our food sources into the future.'

The Symposium hopes to inspire global change that begins with each local household. In particular, by making students aware of the United Nation's Sustainable Development Goals and what they can do locally to help the world achieve these goals by 2030. Mr Schultz remarked: "As the old adage declares: think globally and act locally!"

Year 10 were presented with the driving question 'What is the cost of our food?' and were charged with the responsibility of researching an area of food production and the impact that this production has on the environment. Using that knowledge students were then encouraged to present innovative ideas and solutions around improving sustainable practices for food production into the future.

Attending the event was Cr Kay Fraser, Mayor of Lake Macquarie, alongside other environmental experts from local environmental groups and charities. Specifically, our visiting experts included:

- Sam Doove: Warners Bay Sustainable Neighbourhood Group
- David Sivyer: Urban Farmer, Feedback Organic Recovery
- Mary Riley: Ozharvest

The team moved around each of the students' exhibits to hear their ideas around how they could bring sustainable initiatives into our societies in order to make valuable changes for the future.

Cr Fraser officially opened the symposium encouraging the students that they are 'the leaders of our next generation', and praised them for the time and effort they had put into their presentations.

# YEAR 7 LITERATURE FESTIVAL

The Theatre Foyer was a hive of exciting activity on Monday 23 September, with students in Year 7 presenting a spectacular Literature Festival. Students collaborated in small groups to create a display representing Deborah Ellis' novel "Parvana" and other related texts, with the aim of exploring the perspectives of people from differing cultures. The St Philip's Whole of Life Framework focus for this project was Empathising.

We warmly congratulate all of Year 7, for their amazing Literature Festival displays, which were innovative and thought provoking. Students created textiles pieces, sculptures, paintings, dioramas, songs, poems, monologues, short stories, and even delicious homemade cultural cuisines! Of praiseworthy mention is the articulate and empathetic way students spoke about the challenges experienced by individuals in many different parts of the world.

The following students are commended on being selected as winners of their morning prayer group:

7J – Ruby Pinter and Erin McCallum

7M – Kynan Borg and Abigail Flaherty

7C – Gigi Hubber, Monique Conus and Emily Vazquez

7T – Juliet Murray and Lila Zukowski

7W – Angus Jewel and Gilbert Jones

7L – Harriet Pryce, Diesel O'Davis, Hyewon Kang and Amelia Miles

# TUNE INTO MUSIC

As we come to the end of the term, it has been another big term in the music department.

Today we said goodbye to our current Year 12 music class, who completed the practical component of their HSC Music course last Thursday. The class did an incredible job, and some of the class have been nominated for ENCORE 2020, a showcase of the top music performances across New South Wales. Congratulations to Perry McIntyre and Anna Davies!

Our Saints Drumline performed on Saturday night and the Newcastle Conservatorium's Night of Percussion. Led by Mr Dane Baldwin, the ensemble is made up of students from Years 5-12. Many thanks to Dane for your continued efforts with this ensemble.

Our classroom music programs have been presenting many culminating projects this week with Year 5 constructed instruments, Year 7 Keyboard and Piano performances, Year 8 rock music bands, Year 9 large ensembles and Year 10 Jazz band performances.

We hope you all have a wonderful holiday and look forward to music at SPCC in Term 4!!

## HRIS DEBATING DAY

On 11 September, two teams of students attended the HRIS Debating Day. The teams consisted of four students from Stage 3: Akash Enjeti, Greta McNicol, Archie Pola and Clara Walker; and four students from Stage 4: Gilbert Jones, Lachlan Forryan, Oscar Wills and Micaiah Fahey. The debating was held at Bishop Tyrrell Anglican College.

The first debate of the day was the Stage 4 team. They debated the topic "Video games should not be used for educational purposes". They debated very well but unfortunately didn't win their debate, although Gilbert Jones won Debater of the Match. The Stage 3 team then debated the topic "Young Australians should form their own political party". They successfully argued their case and won the debate! It was a great day and we are very proud of our teams!

# LIBRARY SERVICE NEWS

## Literature Appreciation Initiative

As part of the Library Services Literature Appreciation Initiative, this week, we had the opportunity to invite the Director of the Centre for Innovation and Learning, Mr Aaron Batterham to come and speak to Year 5 and 6 students about his love of reading. Mr Batterham encouraged students to find out what they are interested in reading and do some research to find the perfect book that suits their interest.

Mr Batterham brought in a show bag of books to share with our students. Showing his favourite books from when he was younger, including a special book that was written about him called 'My Magic Birthday'. Mr Batterham enthusiastically shared several books and genres that have influenced his life and that are important to him.

Some titles included:

- 'Open: Andre Agassi' (Auto Biography)
- 'Lord of the Rings', JRR Tolkien (Fantasy)
- 'Myth Conceptions', Dr Karl (Non-Fiction)
- 'A house for Donfinkle', Choechoe Brereton (Picture Book).

Students listened to the history and facts behind the writing and creation of each book. Mr Batterham explained in detail why these were his favourite books.

We would like to thank Mr Batterham for a very inspirational and interesting book talk.

Library Services is here to help you find the perfect book for your child, so feel free to visit and have a chat, before or after school until 3.15pm. Please note also, our new closing time on Thursday afternoons is 3.25pm.

Remember, "Reading is Dreaming with your eyes wide open".

Blessings

After-school Art Program.

## Term 4

### THE DETAILS:

SENIOR COLLEGE ART ROOMS

TUESDAY - YEARS 3-6

THURSDAY - YEARS 7-9

3.15PM TO 4.30PM

COST:\$144.50

TOTAL OF 7 WEEKS

We are excited to be offering an after-school art program again in term 4 of 2019. After a successful first term the program will be extended across two days for years 3-6 and years 7-9 and is now approved as Creative Kid Providers.

The program is operated by Mrs Carla Burrell and Mrs Jessica Paget parents from our school community who come with a bundle of experience and creative knowledge.

ArtLAB will focus on developing your child's creative thinking capacity to imagine possibilities, innovate solutions and explore a world with curiosity whilst having fun in art-based environment.

During term 4, the program will explore experimentation in art with the children and will lead them through a journey of cause and reaction. They will work on a series of small projects where they will test and trial their results. A process journal will be kept for recording their work and will be given to your child at the end of term.

# ACADEMIC SCHOLARSHIPS

## YEAR 7 and YEAR 11 ENTRY 2021

The College's Scholarship Scheme, established in 1992, provides for scholarships covering a significant reduction of up to 50% on tuition fees. Scholarships are awarded to students entering Year 7 or Year 11 in 2021 on the basis of results in the C.S.T.P. placement examination and an interview with the Principal.

### YEAR 7 ENTRY 2021

Scholarships are awarded covering a reduction of up to 50% on tuition fees from Year 7 to Year 10 inclusive, subject to continued effort on the part of the student.

### YEAR 11 ENTRY 2021

Scholarships are awarded covering a reduction of up to 50% on tuition fees for the two years of Senior School, subject to continued effort on the part of the student.

## EXAMINATIONS

The Australian Council for Educational Research produces the Cooperative Scholarship Testing Program (C.S.T.P.) for Year 7 and Year 11 entry.

**Year 6, 2020** students sit for the C.S.T.P. Level 1 Exam which consists of four tests covering areas of Written Expression (two tests), Humanities - Comprehension and Interpretation, and Mathematics.

**Year 10, 2020** students sit for the C.S.T.P. Level 3 Exam which consists of four tests covering areas of Written Expression (two tests), Humanities - Comprehension and Interpretation, Mathematics and Science. Multiple choice and written answers are required.

**Exam results will not be known for four to six weeks after the exam date. Scholarships will be awarded as soon as possible after receipt of results.**

### SHOULD I APPLY?

Applicants must score in the top 20% to be eligible for a Scholarship. Only a small number of Scholarships are given each year and this number is determined by the number of applications and the quality of the results. The Scholarship Program is to recognise and promote excellence in scholarship.

Scholarship examinations will be conducted at the College on:

# UNIFORM SHOP NEWS

## OPENING HOURS

(during school terms)

**MONDAYS: 8:00AM – 11:00AM**

**TUESDAYS: 8:00AM – 11:00AM**

**THURSDAYS: 1:00PM – 4:00PM**

**Summer Uniform required for Term 4!** The shop is open 1-4pm Thursday this week (26<sup>th</sup>) and then...

### Opening Times – School Holiday Break

**Tuesday, 1st October: 8am – 4pm**

**Tuesday, 8th October: 8am – 5pm**

**Volunteers:** Thank you to the parents who have contacted us in the past week offering to help in the uniform shop... welcome!

**Shoes:** Staff continue to receive positive feedback from parents regarding the shoes they have purchased for their children from the uniform shop. If you aren't a customer yet then why not check them out on your next visit.

**Girls Dress Hats:** The holiday break is a good time for sprucing up your daughters dress hat. Here are the instructions from our supplier, Mountcastle

### Care Instructions for Propylene Hats

- Sponge gently with cold water and use a mild soap (Lux or Sunlight – no abrasive chemical products) to remove spots
- Scrub soiled areas or marks with a small soft brush
- Rinse in cold water
- Do not machine wash, tumble dry or place in dishwasher**
- It is recommended that your Mountcastle hat be professionally re-blocked once a year to maintain its shape

**Junior School Green broad-brimmed hats:** The poly/viscose slouch hats supplied at the uniform shop are made by Legend. The fabric used in manufacturing them has a UPF rating of 50+ and meets Australian standard AS/NZS 4399. These hats keep their nice bottle green colour (fade resistant) and great value. Please refrain from buying cheaper versions that do not keep their shape, fade easily and bring down the standard of the uniform at our SPCC schools. Thanks.

**MS and SS Caps:** the black caps sold from the uniform shop are made from 100% recycled, earth friendly fabric and are referred to as "Eco caps". They are comfy, adjustable and should be hand washed if they become dirty. \$10 each.

**Senior School Skirts:** In the coming weeks, the uniform shop will have stock of SS grey skirts with a longer length to cater for some of our taller girls. These will be available in sizes Y10, W10 and W12. Our SPCC Uniform Policy states: Dresses and skirts are to be knee length and skirts are to be worn on the waist.

**Second-hand:** We are appreciative of the families that are supporting the school (and helping other school families) by dropping in uniform items to be sold via the shop or making a donation to our welfare boxes. **The holiday break is a good time to bring them for processing in as we have lots of parents (including new ones) looking for a bargain at this busy time of year.** When purchasing or selling second-hand items from any of the 4 SPCC uniform shops you can be assured that you are purchasing good quality and correct uniform items as our processors follow the SPCC Second-

Hand Policy and this ensures that standard of uniform at St Philip's remains high. Consignment forms are available at the shop or by downloading from the SPCC webpage via the 'uniformshop' tab. At the end of each term you will receive credit vouchers for any items of yours that have sold and these are like "cash" and can be used in the uniform shop or swapped with another parent for cash. If you no longer have children enrolled a credit to your bank account will be applied. If you have unwanted uniform items (they don't fit anymore etc) and would like to receive credit to spend in the shop, then please bring your items in to be processed.
