

A Study of Reptilians

by **Aurora025**
October 2004
from [ForumFok](#) Website

David Icke talks about a small group that has ruled this planet for thousands of years and have passed on their "rule" from generation to generation through their bloodline. The "rulers" have maintained this bloodline through the intermarriages of the so-called Royal Family monarchies over the course of thousands of years. The so-called "**Eastern Establishment**" in the U.S.A.. and the "**European and British Establishment**" also intermarry in the same way to maintain their bloodline. **David** points out that ALL 43 PRESIDENTS IN THE U.S.A. ARE RELATED and that 33 of the Presidents can be traced back to the bloodline of Charlemagne! This possible TRUTH alone should be sending off MAJOR ALARM BELLS in your mind. Like this is no coincidence; the odds of this randomly happening are billions to one.

David's theory is that possibly several thousand years ago "non- humans" came to this planet and mated with the beings on planet Earth. Because of their superior knowledge, they were able to expand their "rule" and control this planet to this day. They maintained their special bloodline for these thousands of years through intermarrying amongst themselves. **David** says they can "shape-shift" to be able to look like human beings and at the same time they can look like **Reptilians** when they're privately out of the view of the public. David explains that this group of Reptilians supposedly set up all the organized religions, monarchies, school systems, science, all the media and everything else they needed to control the MASSES OF HUMANITY over thousands of years.

David goes into details about this group being Satanic and performing human ritual sacrifice throughout the course of history and currently "underground" on a large scale to this very day! Just ask yourself the question "where have all the "missing children" all over the world "disappeared" to?" This is a horrendous question to confront, but the possible answers to this question is so important to face up to, if we are to look at the possibility that a very evil group is actually performing human sacrifice in this world today on a large scale too sick to imagine! Only the answers to such a question can allow us to stop them., if this is REALLY happening. You may find yourself saying "how could this group be getting away with mass murder and insane atrocities such as these?" One possible answer is that If you control ALL the major mass media, it can be possible to suppress even this hideous possible TRUTH. Anyone even raising such a question is shown in the media to be just "another one of those crazy conspiracy nuts". But before passing judgment and dismissing such an "unbelievable" possibility, at least let's have a major serious investigation of "where have all the disappearing children gone?". If you remember the problem was so great in the U.S.A. that the faces of thousands of "missing children" were put on milk cartons all across the Nation! And yet no President nor anyone in the U.S. government has ever called for a major serious investigation of this out of control potential "mass murder of children" problem.

Lately there have been several key developments that need questioning and answers. The Space Station has been continually in the process of being built now for probably 20 or so years. Right now it appears to have turned into a large "coalition project" of the US, Russia, Europe, Japan and maybe others. Just how big the **Space Station** will eventually be or what is the ultimate goal of the space station is not told to The People, nor talked about in the media. But it seems like a lot of work is going on "up there". Plus you have the Mars, Venus, Saturn and other space probes working "up there" at a quickening pace. And you have many sightings of **UFOs** all over the world, plus all of the crop circle stuff, which are never addressed in the corporate controlled media in any serious way. Now how do all these billions of dollars being spent on the Space Station and space probes benefit the 6 billion poor human "slaves" on this planet? How is this benefiting the 30,000,000 human beings, mostly children, who die of starvation every year? There is no benefit. In fact it is robbing the "slaves" of hundreds of billions of dollars that could be used to help wipe out poverty in the U.S.A. and every other country and to prevent so many millions of humans from dieing of starvation! So one may ask "who is making the decisions as to why all this effort is being done and for what reasons and goals? Who is planning and coordinating all of this? In other words "what is going on up there and for whose benefit is all this for?"

You may find yourself wanting answers to all these questions too! The answers to these questions are of

the utmost importance for every human on this planet. "We the People" have a right to know exactly what the space program is all about and the real TRUE goals of such a major endeavor, and who's benefit is all this for? It's definitely not for the benefit of you or I or our fellow 6 billion human beings. Only a few "space tourists" were allowed to fly "up there" for \$20,000,000 each, a price definitely out of the reach of 99.9999999% of the human beings on this planet.

Those that are familiar with [the Illuminati](#) understand how the Illuminati work. They take small steps at a time COVERTLY so the masses won't realize what's going on, thereby diverting attention from what they're really up to. Somehow the space program fits into their plan and it would be a good idea for the 6 billion humans on this planet to investigate the agenda of the Illuminati and all their affiliated groups in regards to this. Are they really **Reptilians** as David says? Are they getting ready to possibly leave planet Earth after they finish destroying this Planet or most of this Planet?

Many good people write about these subjects on [Rense](#), in books and elsewhere, and they sound frustrated and powerless to do anything about this awful situation and [get rid of the Illuminati](#) and their associates and stop this sick horrendous manipulation that is DESTROYING OUR PLANET AND HUMANITY. There is no concerted focused REAL course of action being taken on a large scale to bring this potentially "unbelievable" situation to the surface so it can be dealt with.

Here is a proposal for everyone to consider: To address this situation and take the action necessary to expose what is possibly going on BEHIND THE SCENES , be it [Reptilians](#) or whatever. One major way to quickly find the TRUTH is for the people to use a billion dollars of their own government tax dollars to set up a special Citizens Committee of intelligent UNCONNECTED individuals {no one who was or is a government official or connected lawyers or executives of large corporations etc.} to form a special panel and go INSIDE the government of the U.S.A and INSIDE the governments of every European Nation, INSIDE the **British Royal House of Windsor** and the [British Parliament](#), INSIDE [the Vatican](#), INSIDE all the secret groups connected to the Illuminati, INSIDE the boardrooms of the Fortune 500 Corporations, INSIDE the [House of Rothschild](#) and [the Rockefellers](#), Morgans, Ford's, Duponts, Carnegies, [Bushs](#) etc. etc.

By being given the power to go INSIDE these groups, businesses and organizations, this Committee could ask the questions that would enable them to see and observe first hand exactly WHAT IS GOING ON. And if it is found that "what is going" on is TRUE according to what [David Icke](#) and others are writing about, than the People could take action to get rid of the Illuminati and all their associates. This Committee could also seriously investigate the many UFO sightings and crop circles etc. And they could investigate the Space Program and the Space Station and WHAT IS GOING ON UP THERE? If such an investigation fails to prove that anything in [David Icke's books](#) or the books of so many others, who have written in relation to these subjects, is TRUE, SO BE IT! At least "WE THE PEOPLE" will hopefully know the TRUTH. If we do not take some form of peaceful action in this direction, we can expect more millions and possibly billions of our fellow human beings to be killed in Illuminati generated wars we cannot even begin to imagine!

So what are you going to do to help SAVE OUR WORLD and cure this sick reality that "possibly" **the Illuminati** and their associates in crime are forcing us to live in? Most people just throw up their hands and say "well what can I do about this?", which is exactly the reaction the Illuminati want you to have. They don't want the People to believe they have ANY power. They know that there is only a few of them and there are OVER SIX BILLION OF US! They know if we ever figure out and are able to SEE THE ILLUMINATI "MAGIC" MANIPULATION THEN THEIR GAME IS UP. THEY ARE FINISHED AND WE CAN GET RID OF THEM ONCE AND FOR ALL. So don't just sit there, get up off your chair and START THINKING FOR YOURSELF AND DO SOMETHING.

One of the easiest things you can do immediately is to stop watching and listening and believing the news propaganda on the [Illuminati controlled T.V. and radio](#). Stop buying and reading the news propaganda in the Illuminati controlled corporate newspapers and magazines. Get your news information on alternative news sites on the Internet, while the **FREE Internet** still exists. Tell your family and friends to do the same thing and ask them to tell everyone they know to do the same. It is of the utmost importance for each one of us to take some course of action if we are to get out of the extraordinary Illuminati "mind control" of human beings that David writes about in his books. Another simple thing you can do immediately is to buy a copy of [David Icke's books](#)..... [AND THE TRUTH SHALL SET YOU FREE](#) and [THE BIGGEST SECRET](#) and read them thoroughly. After you finish reading the **David Icke** books, you will be able to see the manipulation that takes place in the news on a daily basis. You will see what is going on in this world differently.

From:

[The Reptilians: Why They are so Obsessed with Bloodline and Ritual](#)

by **David Icke**

In Between "Worlds"

The reptilian and other entities, which are manipulating our world by possessing "human" bodies, operate in frequencies between the Third and Fourth densities. These are referred to as "hidden spaces and planes unknown to man", in the apparently ancient [Emerald Tablets](#), which I quote from in "Children of the Matrix". For simplicity, I refer to this "between world" in my books as the lower fourth dimension.

It is from here that they police our vibrational prison - **the Matrix** - and seek to addict and restrict us to the dense physical senses. This world was once far less dense than it is today and the "fall" down the frequencies, caused by the manipulation of incarnate consciousness and DNA infiltration, has made it so much more difficult to maintain a multi-dimensional connection while in physical form. We are now in a cycle of change when the vibration of this "world" will be raised out of dense physicality and return to where it once was. In doing so, the reptilians' ability to manipulate our physical form will be removed and this is why they are in such a panic at this time to prevent this shift from opening the vibrational prison door.

The **reptilians** and other manipulating entities exist only just outside the frequency range of our physical senses. Their own physical form has broken down and they can no longer re-produce. Thus they have sought to infiltrate human form and so use that to exist and control in this dimension. They chose the Earth for this infiltration because it most resembles in vibration the locations from which they originate. These reptilians are addicted to the dense physical "world" and the sensations it offers and they have no desire to advance higher. Their aim in this period is to stop the Earth and incarnate humanity from making the shift from dense physical prison into multi-dimensional paradise.

From what I understand, **this dense physical world is caught in a manufactured time "loop"**, in which "time" is a circle, constantly repeating itself. Note that one of the ancient symbols for "infinity" is the snake swallowing its own tail. The pentagram or five-pointed star, so prevalent in Satanism, is also symbolic of this unbroken "time" cycle, **the vibrational prison**.

The period we are now experiencing has, therefore, been played out before. We are just at that point again in the repeating circle or cycle, like a rat running on one of those wheels in a cage. No matter how fast it runs, it keeps covering the same ground. What we need to do is break the "time" circle and thus the prison. We are now in that part of the circle that is most vulnerable to this because of the vibrational changes taking place in this part of the Universe and this is why the control of humans has tightened so rapidly in this period - they are doing everything they can to defend their prison from the awakening of the inmates. The micro-chip is crucial to that.

Genetic Corruption

These **reptilians** and their allies have corrupted Earth DNA with their own and this genetic infiltration lies dormant until it is activated by the vibrational fields generated by **the Illuminati** secret society rituals, and others in the public eye like the carefully designed coronations and official ceremonies of many kinds, including even the UK State Opening of Parliament and certainly those of the various religions.

This activation is now also being inflicted upon the general population through technology on Earth and in space, no doubt, and this channeled entity said that the cloning programme is there to develop designer bodies for the reptilians of the "in between world" that would not require the overpowering of an already incarnate consciousness.]

Once activated, the DNA opens the body to possession by these reptilians and other beings, and this is what is happening, for example, to **Freemasons** in the rituals that most of them deliver parrot fashion while having no idea of their vibrational significance. This is why the Illuminati are so obsessed with knowing a person's bloodline. They know which have the potential for this activation and possession and which do not. The [Mormon Church genealogical data](#) base and now the DNA data banks are designed to identify those with the bloodline. These are the people who are given jobs and roles that serve **the Illuminati agenda**, while most of them have no idea what is really going on and what they are being used for. Their DNA is then activated and they go through a change of character (a phrase I have heard so many times in relation to such people once they advance in the system) and a very different consciousness takes over their mental and emotional

processes.

This is why it is so important for everyone to stay well clear of ritual, no matter how innocent it may appear on the surface. I would include "New Age" ritual in this, too. I don't mean standing in a circle, connecting together and projecting loving thoughts, etc. I mean carefully constructed ritual that is constantly repeated, as with religious ceremony for example. I am beginning to realize why I have had a life-long aversion to taking part in ritual of any kind.

Each new generation of [the Illuminati bloodline families](#) is exposed to the appropriate ritual to activate their possession by the reptilian entities and so the cycle goes on. The phrase that comes to mind is "...forgive them for they know not what they do."

P.S.: Apparently, this DNA infiltration is known within the inner circles of the British royal family as the "family disease". They are actually in fear of it because they know that once it is activated they will be taken over. But of course they are caught in a world of constant ritual and ceremony designed specifically to activate their possession. It is catch 22. Without the ritual they cannot be the royal family, but with the ritual they are activated and possessed. The thought and emotional processes of the UK's Queen Mother are not those of **Elizabeth Bowes-Lyon**, the little girl officially born into that body 101 years ago. They are controlled by the reptilian entity or entities, which possessed her after the hybrid DNA activation.

Excerpts from "The Biggest Secret"

by **David Icke**

In summary, a race of interbreeding bloodlines, a race within a race in fact, were centered in the **Middle and Near East** in the ancient world and , over the thousands of years since, have expanded their powers across the globe. A crucial aspect of this has been to create a network of mystery schools and secret societies to covertly introduce their agenda while, at the same time, creating institutions like religions to mentally and emotionally imprison the masses and set them at war with each other. The hierarchy of this tribe of bloodlines is not exclusively male and some of its key positions are held by women. But in terms of numbers it is overwhelmingly male and I will therefore refer to this group as **the Brotherhood**. Even more accurately, given the importance of ancient Babylon to this story, I will also call it the Babylonian Brotherhood. The plan they term their 'Great Work of Ages', I will call [the Brotherhood Agenda](#).

I will refer to the clay tablets, therefore as the Sumerian texts or tablets. They are one of the greatest historical finds imaginable and yet 150 years after they were discovered they are still ignored by conventional history and education. Why? Because they demolish the official version of events.... according to ([Zecharia Sitchin](#)) the texts say that the Sumerian civilization... was a "gift from the gods". Not mythical *gods*, but **physical ones** who lived among the. The tablets call these gods [the AN.UNNAK.KI](#) (Those from Heaven to Earth came), and [DIN.GIR](#) (The Righteous Ones of the Blazing Rockets). The ancient text known as [the Book of Enoch](#) also calls the gods the "**Watchers**", as did the Egyptians. The Egyptian name for their *Gods*, the **Neteru**, liberally translates as Watchers and they said that their gods came in heavenly boats.

According to **Zecharia Sitchin**, the tablets describe how **the Anunnaki** came from a planet called [Nibiru](#) (The Planet of the Crossing)... during the early formation of the solar system, **Nibiru** caused the near destruction of a planet that once existed between Jupiter and Mars. The Sumerians called it **Tiamet**, a planet they nicknamed [the Watery Monster](#). They say that it was debris from Tiamet's collision with a Nibiru moon which created the Great Band Bracelet - the asteroid belt which is found between Mars and Jupiter. What remained of **Tiamet** was thrown into another orbit, the text says, and eventually became the **Earth**. The Sumerian name for the Earth means Cleaved one because a vast hole was created , they say, by the collision. Interestingly if you take away the water in the Pacific Ocean you will be left with a gigantic hole.

The more I weave together incredible amounts of information, the more it seems to me that we

are talking of two distinct situations running side by side. There were other extraterrestrial races at large on the Earth, and still are, as well as the extraterrestrial race which the Sumerians called the Anunnaki and other ancient texts called the **serpent race**...In their physical expression, the Anunnaki are one of the many inner-Earth races which live underground in the enormous catacombs, caverns and tunnels below the surface. A [Hopi Indian legend](#) says that a very ancient tunnel complex exists under Los Angeles and this, they say, was occupied by a 'lizzard' race some 5,000 years ago. In 1933 **G. Warren Shufelt**, an LA mining engineer, claimed to have found it. Today, it is said, some malevolent Freemasonic rituals are held in this tunnel complex. There has been a massive cover up by the authorities of the existence of these subterranean races and where they live. In 1909 a subterranean city which was built with the precision of the the 'Great Pyramid was [found by G. E. Kinkaid near the Grand Canyon in Arizona](#). It was big enough to accommodate 50,000 people and mummified bodies found were of oriental or possibly Egyptian origin, according to the expedition leader **Professor S. A. Jordan**.

My own research suggests that it is from another dimension, the lower fourth dimension, that the reptilian control and manipulation is primarily orchestrated. Without understanding the multidimensional nature of life and the universe, it is impossible to follow the manipulation of the Earth by a non-human force. As open minded scientists are now confirming, Creation consists of an infinite number of frequencies or dimensions of life sharing the same space in the same way that radio and television frequencies do. At the moment you are tuned to the three-dimensional world or third dimension and so that is what you perceive as your reality.... It is from one of these other stations or dimensions, that **the Serpent Race**, the Anunnaki, is controlling this world by 'possessing' certain bloodline streams...

Other people know this as the lower astral dimension, the legendary home of demons and malevolent entities in their black magic rituals.... Then there are the experiences of [Cathy O'Brian](#), the mind controlled slave of the United States Government for more than 25 years, which she details in her astonishing book, [Trance Formation Of America](#), written with **Mark Phillips**. She was sexually abused as a child and an adult by a stream of famous people named in her book. Among them were the US Presidents, **Gerald Ford**, **Bill Clinton** and most appallingly, **George Bush**, a major player in the brotherhood, as my books and others have long exposed. It was **Bush** a paedophile and serial killer, who regularly abused and raped Cathy's daughter, Kelly O' Brian, as a toddler before her mother's courageous exposure of these staggering events forced the authorities to remove Kelly from the mind control program known as [Project Monarch](#). **Cathy** writes in *Trance Formation of America* of how George Bush was sitting in front of her in his office in Washington DC when he opened up a book at a page depicting "lizard-like aliens from a far off, deep space place". **Bush** then claimed to be an 'alian' himself and appeared, before her eyes, to transform 'like chameleon' into a reptile.... I know other people who have seen **George Bush shape-shift into a reptilian**.

It is clear that **Diana** knew about the true nature of the royal family's genetic history and the reptilian control. Her nicknames for the Windsors were the "lizards" and the "reptiles" and she used to say in all seriousness: "They're not human"... The brotherhood obsession with Scotland, she said, was because there are many entrances their into inner-Earth where the physical reptiles live... She said that during the sacrificial rituals the Queen wears a cloak of gold fabric inlaid with rubies and black onyx. The **Queen** and **Charles** have their own ritual goblets, inlaid with precious stones signifying their Illuminati-Brotherhood rank. The Mother Goddess says that that queen makes cruel remarks about lesser initiates, but is afraid of a man code-named '**Pindar**' (**The Marquis de Libeaux**) who is higher in the Satanic hierarchy.

Incorporated in this category, are extraterrestrial species such as the Illuminati, Draconians, Grays, Annunaki, and the Reptilians, to name just a few. During the sinking of **Atlantis**, the technology which projected a protective beam around our planet, was deactivated, as the beam technology sank with Atlantis.

From:

The Dark Agenda

from [PrincipalityOfCamside](#) Website

The Planet Of Light

On Wednesday, 5th September 2001, the writer of this article was invited as the only white man, to attend a meeting with a representative group of 174 world wide Aboriginal and Indigenous nations in Byron Bay, New South Wales, Australia.

At this meeting, a Peace Treaty was entered into between the extraterrestrial species know as the Illuminati, and Earth.

The name **Illuminati** does not come from meaning that they claim to be "*the enlightened ones*," rather, their name is so, because they are from "The Planet of Light," where they live in a multi-dimensional existence. "**The Planet of Light**," is the home planet of the Illuminati, and is part of a planetary Star System comprising some 30,000 Illuminati governed/inhabited planets.

It was at this meeting (on 5th September 2001), that we were informed of the then pending [World Trade Center disaster](#), **scheduled and planned by the USA government**, in six days time (on 11th September 2001). At this meeting however, this pending disaster was described vaguely as "a world changing event, which would occur on the East coast of America."

The Peace Treaty between the Illuminati and Earth Humans, was in exchange for the Illuminati's advanced technology, and we in turn, agreed to share our forthcoming knowledge of our own 3rd to 5th density, (via 4th density), transformation experience.

The Highest Ranking official for the Illuminati, who has been in human form on Earth for the last 50+ years, was present at this meeting (5th September 2001), and from that date onwards, has instructed his People, to **commence the clean-up of Earth**, of the mind-controlled interference/mess that has been made by a section of their species in the past.

At this meeting, the fourteen (14) keys of knowledge were brought together for the future benefit of Earth humans. Six (6) of these keys were already held by our planet's Aboriginal and Indigenous Peoples, and the remaining eight (8) keys were promised to be brought at this meeting, by the Illuminati's representative, present at that meeting.

This Illuminati hu-man was the **Star Person** that our Aboriginal and Indigenous People had been waiting for many years, as has been foretold in their "[Dreamtime](#)."

THE REPTILIAN CONNECTION

The Reptilian Connection

by **David Icke**
from [DavidIcke](#) Weebite

If you are new to my work, the most bizarre information you will find on this site is that concerning the reptilian connection.

I understand that. It is quite something to absorb from our conditioned version of reality. But, then, that is the very point. If you want to keep something from the people, give them a version of reality and possibility that is so far from what is really going on that even if the truth comes to light it will seem far too ludicrous and extreme for most people to believe it.

Indeed, if you do your job well enough, the people will laugh at the truth, call it insane, and ridicule anyone who promotes it. To truly understand how all the information on this site fits together into one coherent whole (which it does), read my book, [The Biggest Secret](#). But for those who have not yet done so, here is some basic background.

When I reached the point some years ago where I had put together the structure through which a few people control the direction of the world (see [And The Truth Shall Set You Free](#)), it was clear that this **network of secret societies and covert groups** manipulating global politics,

[Children of the Matrix](#)

by **David Icke**

SHAPE-shifting queens

Arizona Wilder (a recovered mind control sex slave, like **Cathy O'Brien**, of [Trance Formation of America](#) book) told me how she had conducted sacrificial rituals involving the British royal family, **Tony Blair**, and famous American Illuminati names like **George Bush**, **Bill and Hillary Clinton**, **Henry Kissinger** and many others.

The highest operative she knew in the Illuminati, she said was a guy calling himself the Marquis de Libeaux ("of the water"). His codename was **Pindar**, which she says means "penis of the dragon". Arizona told me how the Queen and Queen Mother regularly sacrifice babies and adults at many ritual centers, including Castle in Balmoral, Scotland, where they were staying at the time Diana was ritually murdered in Paris.

The royal family involved in human sacrifice was fantastic enough, but here again came the constantly repeated theme. She described how, during the rituals, these people shape-shift into reptiles. **Diane Gould**, head of the US Organization, Mothers Against Ritual Abuse, also confirms this theme. In a telephone conversation about ritual abuse, Diane asked me if I could explain why many of her clients reported that participants in their rituals had turned into reptiles. People might want to dismiss all this, but they should know that, while they close their eyes and their minds, children are being sacrificed all over the world this very day by the reptilian bloodlines --- many thousands of them on the main ritual dates. Arizona talked about some of her experiences with **Queen Mother**:

"The Queen Mother was cold, cold, cold, a nasty person. None of her cohorts even trusted her. They have names an altar (mind-control programme) after her. They call it the Black Queen. I have seen her sacrifice people. I remember her pushing a knife into someone's rectum the night the two boys were sacrificed. One was 13 and the others 18. You need to forget that the Queen Mother appears to be a frail woman. When she shape-shifts into a reptilian, she becomes very tall and strong. Some of them are so strong they can rip out a heart and they all grow by several feet when they shape-shift (This is what the lady said who saw **Edward Heath**, among endless others.)"

Of the **Queen**, **Arizona** said:

"I have seen her sacrifice people and eat their flesh and drink their blood. One time she got so excited with blood-lust that she didn't cut the victim's throat from the left to the right in the normal ritual. She just went crazy, stabbing and ripping at the flesh after she shape-shifted into a reptilian. When she shape-shifts, she has a long reptile face, almost like a beak and she is an off-white colour. (This fits many descriptions of *the gods* and the "*bird gods*" of ancient Egypt and elsewhere.) The Queen Mother looks basically the same, but there are differences. She (the Queen) also has bumps on her head and her eyes are very frightening. She's very aggressive..."

"...I have seen (**Prince Charles**) shape-shift into a reptilian and do all of the things the Queen does. I have seen him sacrifice children. There is a lot of rivalry between them for who gets to eat eat what part of the body and who gets to absorb the victim's last breath and steal their soul. I have seen **Andrew** participate and I have seen **Prince Phillip** and Charles sister (**Anne**) at the rituals, but they didn't participate when I was there. When **Andrew** shape-shifts, he looks more like one of the lizards. The royals are some of the worst. Ok, as far as enjoying the killing, enjoying the sacrifice, and eating the flesh, they are some of the worst of all of them. They don't care if you see it. Who are you going to tell, who is going to believe you? They feel that it is their birthright and they love it. They love it."

Quotes

from [2012Unlimited](#) Website

"Various high-level Satanists who have escaped from [the Illuminati](#) by God's power were eyewitnesses to Satan appearing at [the Rothchilds](#). They testified they witnessed Satan showing up at **the Rothchilds** as a very beautiful man who can shape shift, (at times his feet would be cloven hoofs). He wears a black tuxedo to gamble and play cards (winnings are sexual victims) & a white tuxedo when present just to socialize. He can also shape shift into a reptilian. As a sincere researcher, I must report that lots of info about **shape shifting** reps has confronted me in so many independent places in such a wide variety of historical periods that this bizarre topic must have some importance. I've withheld my findings for years, because I feel quite tentative about my results. **David Icke** gives details of this strange topic & his bold views in [The Biggest Secret](#)."

- **Fritz Springmeier** ([Bloodlines of the Illuminati](#)).

It was after the destruction of **Atlantis** that the reptilians who were now underground decided to re-take the surface [of Planet Earth], but to show themselves would create a lot of fear and panic upon the population. So what they did was start a hybridization programme where they actually created a royalty or elite group that infiltrated many cultures and became their leaders. And to this very day they are the **leaders and royalty of Europe** and much of the wealthy families that control this planet. All humans have reptilian DNA. That's what the story of Adam was about. That's why we have tail bone, skin that wrinkles and peels and a reptilian brain stem. We all have a DNA makeup of 10% reptilian DNA and 90% human DNA. However the shape shifting (royalty or elite group) human/reptilians have a 50/50 balance of DNA. They need to consume human products to maintain that balance [missing children etc]. A high percentage of American presidents have been shape shifters". [ref. to "The Biggest Secret" by **David Icke**]. - **Stewart Swerdlow**, a participant in the [Montauk Project](#), both as a "Montauk Boy" and later as a supervisor.

"I worked under the direction of a **reptilian/Draco** [at Montauk]. The name "Draco" is actually the name of the star system. It is the whole area of the reptilian races. The reptilians were heavily involved in the **Montauk project**. At Montauk there was a very tall winged reptilian. He was very, very powerful. The reptilians are tired of living hidden lives and they are very anxious to become public once more as they have been in the past. In order to do that they are literally blitzing the media with reptilian like programmes and shows, especially for children, and they are preparing adults through electromagnetic transmissions for the public appearance of reptilians. One of their biggest weaknesses is that they are not very spiritually minded - they don't have a lot of psychic ability - and they rely a lot on technology and controlling others with technology. The biggest threat to them is people having control of their own minds."

- **Stewart Swerdlow** referring to the Draco/Reptilians.

[The Windsor-Bush Bloodline](#)

The Merovingians

by **David Icke**

Who or what are the Gods that genetically enhanced Man?

from [SpiritualCalling](#) Website

(Many readers have submitted questions regarding the research of an ancient text scholar named [Zecharia Sitchin](#). Ash-kar will address the work of **Mr. Sitchin** within this text as well.)

Before you can understand who or what the *Gods* were who genetically enhanced mankind, you must first be able to distinguish between *Gods* as exalted beings of pure conscious energy containing immense knowledge and power, and "non-terrestrial" life forms (**ET's**) capable of inter-stellar and sometimes inter-dimensional travel who are also capable of genetic alteration of a living organism, in this case human.

The "Gods" were not an abstract concept to early humans as They are in your world today. The humans knew and were familiar with Them and Their abilities and capabilities. The Gods did not tell man that they were **aliens**. And **aliens** will not tell man that they are Gods. Man, when he achieves a more evolved state and is free to explore the vast reaches of space, will not declare himself a *God* to those less evolved that he makes contact with. Man knows that he is man and that *God* is *God*. Liars and other misfits of your species are not allowed into your space program. Liars and misfits of other species, where they exist, are controlled just as they are on your world. And the Gods do not lie.

Gods do not need craft to travel the vast expanses of their domain. They are beings of pure energy. Using their vast knowledge of the properties of energy and matter, they can manifest physically at will within any aspect of their domain. That which **Mr. Sitchin** interprets to mean "rocket or spaceship" actually means "from the heavens or a specific aspect of heavens." Gods do not travel in rocket ships, they come from the heavens, or more precisely, at very specific aspects of the heavens. In your terminology, Gods exist in hyperspace, or the space between dimensions.

The Gods do not behave like the Gods of Mr. Sitchin's material. If the Gods behaved that poorly, there would be no need for Gods. Man already behaves like that.

The structures that the *ancient Gods* instructed Man to build were not space ports or landing pads. They were temples. The Gods ordered the temples built, not because the Gods needed or wanted them, but because Man needed them. The Gods do not physically live there. It was a place where Mankind could go to be in the spiritual presence of the Gods. Humans still have some resemblance of that form today, but the function is totally missing. For the Radically Altered Genetic Units, it was literally a place to stand in the presence of the Gods and commune according to the manner that the Gods had established. The temples also reminded the masses that there is a God, and of all the things that they had been taught by the Gods. It was a reminder, not a place of worship. That unnecessary practice was added at a later time.

This does not discount the fact that Earth has been visited by extraterrestrials throughout its history, but the aliens are not the genetic creators of man.

For those of you who believe ancient human sacred text of certain origins, you believe that *God* is an exalted human. I can extrapolate that to mean that you believe that only an exalted human form can be *God*. By further extrapolation, I can surmise that although God created the heavens and the Earth, and an unimaginable host of beings therein, only His human creations on this Earth are acceptable to be resurrected and reside with Him forever in His heaven. This, loosely interpreted, means that of all God's creations, only humans have a soul. To interpret this absolutely correctly according to the exactness of those ancient texts, only human males have a soul.

This also means that if humans who accept this premise were faced with the possibility that this was not true, and that there are many *Creator Gods*, and even more *Lesser Gods* who serve the *Creator God*, they would vehemently reject that truth. I believe the classic human term for such material and its source is called "Demonic".

Yet, after all of the fanatical racial prejudice throughout human history, your own science and medicine have concluded that there is absolutely no genetic difference in the human species, regardless of ethnic background or sex. It is equally arrogant and unfounded to believe that all other "Gods" are anything other than an exalted form of some other species. If any member of another species has evolved to the stature of a "God", with the prerequisite knowledge and power that such a state requires, we believe that such a being is deserving of our respect, regardless of species.

Unfortunately, this truth, based upon the very human principle of exclusivity, is the very reason that the human species remains quarantined and denied access to the Universal family at large.

We do not know the origin of the Creator God of this Grid Existence. We do know that there are Lesser Gods of many species, including reptilians, within this Grid Existence.

The species of extraterrestrial beings are nearly as varied as the species of your world.

[From an interview to David Icke:](#)

If you go far enough back, you discover that an extraterrestrial race has interbred with humanity. This is the reptilian race. I suggest strongly in the book that those we call the **Anunnaki** (in the Sumerian Tablets) are actually a reptilian race. I am not alone in this. **Dr. David Arthur Horne** has written a book, "Humanity's Extraterrestrial Origins", and has made the same connections that I have.

I make these connections, not just from intuition, but from a tremendous amount of ancient and modern evidence that shows that this reptilian connection travels right through these thousands of years to the present day. Some of these references to serpents and dragons are obviously symbolic, not the least, the Kundalini energy and other things, but when you look at the evidence, there is a tremendous number of literal references to serpent people - serpent gods. When you do the research, again, into the area where this seems to have happened in the Caucasus Mountains, in what we now call **Turkey, Iran and Iraq**, which we called **Sumer** and **Babylon**, and into the plains of Egypt (the area particularly around the Caucasus Mountains seems to be the place where these bloodlines came out). This interbreeding occurred between the human race and this reptilian group within a race. Now, I don't see the reptilian genetic stream as negative in itself - quite the opposite - it's just this particular group within it.

The Sumerian Tablets and many other accounts, all over the world, talk about the fact that these hybrids became the demigods, the middle men and women between the gods and humanity. If you look at some of the history of Iran, the earliest kings were called the serpent kings, and they became kings as a result of their genetic structure and their family bloodlines.

Humans must recognize the blatant contradictions and falsehoods of their beliefs, and become open to the real possibilities of "Creation" and "Evolution."

Questions and Answers

- Who are the "Illuminati" and are they associated with the reptilian bloodline?

"The Illuminati, the clique which control the direction of the world, are genetic hybrids, the result of interbreeding between a reptilian extraterrestrial race and humanity many thousands of years ago. The centre of power is not even in this dimension -- it is in the lower fourth dimension, the lower astral as many people call it, the traditional home for the "demons" of folklore and myth. These fourth-dimensional reptilian entities work through these hybrid bloodlines because they have a vibrational compatibility with each other. This is why the European royal and aristocratic families have interbred so obsessively, as do the so-called Eastern Establishment families of the United States, which produce the leaders of America. Every presidential election since and including George Washington in 1789 has been won by the candidate with the most European royal genes. Of the 42 presidents to Bill Clinton, 33 have been genetically related to two people, Alfred the Great, King of England, and Charlemagne, the most famous monarch of what we now call France. It is the same wherever you look in the positions of power... they are the same tribe!"

The following is a quote from **Manly P. Hall**, 33° Mason, author of "The Secret Destiny of America."

"There exists in the world today, and has existed for thousands of years, a body of enlightened humans united in what might be termed, an Order of the Quest. It is composed of those whose intellectual and spiritual perceptions have revealed to them that civilization has secret destiny.

The outcome of this 'secret destiny' is a *World Order ruled by a King* with supernatural powers.

This King was descended of a divine race; that is, he belonged to the Order of the Illumined for those who come to a state of wisdom then belong to a family of heroes-perfected human beings."

The true illuminati are a closed circle of inter-married bloodlines originating with the first Radically Altered Genetic Units. They were the **first established divine Priest/Kings**, originating from the times of the beginning of the human species.

As reported in ancient texts and sacred oral tradition, these enhanced humans are the product of natural breeding by races of Lesser Gods and human females. Beings of Extraterrestrial origin within your Grid Existence, with insignificant exception, have not been permitted to intermingle with or alter the genetics of any sentient species, in accordance with the directives of a seed planet. The "**Greys**" are the only exception to that directive, as their genetic splicing has no significant impact on the spontaneous evolution of your world.

As one race of *Lesser Gods*, the **reptilians** have the ability to transmute into whatever incarnate form they desire. Their intermingling with the daughters of Man on Earth is no less awkward or conspicuous than the appearance of the "serpent" to Eve in the Garden of Eden. Just as the Virgin Mary was "*overshadowed*" by the "*Spirit of God*" (a "Shining One") to produce Jesus, so it was and is with the breeding of all enhanced beings who are the offspring of the Lesser Gods. This process is normal for the conception of both Christ and Melchizedek beings, having the ability to self-actualize generally at puberty to full knowledge and empowerment.

The enhanced genetics of the Priest/Kings passed to descendants by normal breeding between two enhanced genetic beings will pass the potential for the enhanced genetic abilities, but will not necessarily ensure that those gifts are either dominant or active. Anciently, enhanced genetic units that were about to assume positions of authority and power were "initiated" by rituals prescribed to awaken any such latent enhanced gifts. This was called "**King-making**".

- Are there enhanced genetic humans who are the descendants of a race of Lesser God reptilians and human women? Yes.
- Are there enhanced genetic humans who are the offspring of other races of Lesser God beings and human women? Yes.

- Is it true that the Illuminati still intends to Take Over The World?

The Illuminati, within a few elite bloodlines, already control your world. It seems clearly evident that any social order that is founded upon a system of exchange, that whom ever controls the system of exchange controls the social order. Although the royal bloodlines of many nations has been usurped, the clandestine power of these many of these families and their allies is still quite evident in your world today if you know where to look.

- Are the Illuminati, aside from their genetic origins, associated with any other Gods or aliens?

Since the illuminati understand that there are many universes and many worlds, and the truth concerning not only their own enhanced genetic origins, but the enhanced genetic origins of all mankind and other sentient beings as well, they also know that modern traditional religions are a fabrication.

- This means that although they accept a Creator God just as most humans do, their gods predate all modern religious belief.

Yes, certain members of the Illuminati do have contact with both other earthly sentient species and extraterrestrial beings.

- Are you saying that the secrets of the Illuminati, the secrets of other sentient life on earth, and the secrets of extraterrestrial species' visitations to earth are inter-related?

The most evolved members of the inner circles of the Illuminati are most definitely aware of these truths and are interactive with other species.

They are not inter-related in any concrete way, except through awareness and some limited contact. There are no conspiracies to control, enslave or entirely eliminate mankind among these various groups. At the highest levels of the Illuminati and extra-terrestrial intelligence, it is understood that stabilization of the your planet must occur through a combination of human environmental and social reform. Some of these reforms, such as human population reduction, human birth control, and worldwide population stabilization by immobilization of transient individuals and groups may be implemented

Reptilian Programs

from "[The Real Matrix](#)" by David Icke

The ultimate manipulator of **the Matrix** and its five sense Time Loop, the voice said, was the very fabric of the Matrix itself and its power source was the consciousness trapped within its vibrational walls. The Matrix was a self aware entity that was knowingly manipulating to ensure its own survival by generating the events necessary to produce the fear that empowered it. Humans were indeed 'batteries' or power stations for the Matrix and we were providing the power to maintain our own prison. The **Reptilians** did 'exist', said the voice, but they were holographic thought projections of the Matrix very much like the agents or 'sentient programs' that manipulate in the Matrix movies. They could either operate as a reptilian projection or hide behind an apparently 'human' form, just as the sentient programs morph in and out of different human forms in the movies. Either way, the Reptilians and other projected agents of the Matrix were not 'real' in consciousness terms; they were projections, thought fields or highly sophisticated software programs.

The existence of such thought projected holographic phenomena is now supported by scientific research and experiment, as we shall see. **Holograms** are projections of energy or 'light' that appear to the observer to be a three dimensional form, but in fact they are a series of codes and wave patterns that only take on the illusion of 3 D when a laser is shone upon them. Or in the case of the holographic projections in the Matrix, when they are observed into illusory reality by the human mind. In the next chapter I will explain how this works. It is so simple. As I was told with great clarity in my second ayahuasca experience, the whole of five sense reality is a holographic illusion that only exists in a 'solid' form because the human mind/brain makes it appear that way. The '3 D' world of landscape, seas, buildings and human bodies, only exists in that form when we look at it! Otherwise it is a mass of vibrational fields and codes. In the movies, the Matrix is depicted from the outside as a series of green numbers and codes, while inside it is experienced as the sort of world we think we live in mountains, streets, cars, people and so on. That is a good analogy. I know this all sounds fantastic at first hearing, but these themes are now being confirmed at the cutting edge of scientific research.

The voice said that when **the Reptilians** absorbed human fear they were absorbing it for the Matrix itself because they are projections of the Matrix. But they were not aware of this. Indeed, the Reptilians, other 'demonic entities', and the Illuminati hierarchy were not aware of who their ultimate master really was the Matrix itself. The manipulators were also being manipulated. The Reptilian 'sentient programs' did not have human emotion, the voice said, because they were just that, 'sentient programs', and are not conscious in the way humans are conscious. "If you programmed a computer to kill children, would that computer have any emotional problems with that?" the voice asked. No, it would just follow the programming because computers do not have emotion. They do what they are programmed to do. It was the same with the Illuminati and the 'Reptilians' they were, in effect, like highly sophisticated computer software. They were like digital people implanted in the movies alongside human actors. They appear to be the same, but they are not. Unemotional computers can process information faster and more efficiently than human conscious minds in a disconnected state and, in the same way, the sentient program projections of the Matrix have been able to out fox and out think humans. But this can only continue until humanity remembers who it really is and where it really comes from, and reconnects with its true and infinite self. Then the projected holographic manipulators will have intelligence akin to counting beads compared with human potential and, as I was told, that moment is fast approaching. This is what happened symbolically to the Neo character in the first Matrix movie when he awakened to the illusion of life and death and the dream world he had been living in. Once he reached that point of reconnected awareness, the agents, the sentient programs, all powerful until then, were suddenly no problem to overcome.

Reptilian Angels

from [StarGods](#) Website

There is an extinct dinosaur called stenonychosa that according to Canadian scientists evolved into a reptilian manlike creature as seen below.

**Below is a drawing of what is known as a Reptilian.
They look identical to humans until they transform into their original image which is Reptilian looking.**

In Gen.6 we are told that the angels came down and mated with human women and in turn they women bore giant sons known as **the Nephilim**. But this does not explain all the half human and half animals of the past that were worshiped as gods. But if look in the [book of Enoch](#) we find a major clue.

"And they (the Nephilim) began to sin against birds, and beasts, and reptiles, and fish, and to devour one another's flesh, and drink the blood. Then the earth laid accusation against the lawless ones."

Obviously [giant men](#) can not have sexual relations with a fish never mind producing offspring. The early records of the ancient Submersions record that the gods mixed their DNA with mankind in a more scientific way. In other words it was done in a test-tube. This has to be how **the Nephilim** corrupted the seed of all living creatures on earth. This is why the flood had to come and clean the slate of this massive DNA meltdown.

It also says in Genesis that the angels came down again after the flood to mate and have more Nephilim children who went on to build world empires. It was at this time **Israel** was to exterminate all the Nephilim tribes around her which were over 20 in the Old Testament. Not only that, they were not only to exterminate all the hybrid women and children, but they were also called upon to kill off all the animals. They were not allowed to eat the animals or take them. If the Nephilim were still corrupting seed, this mysterious action of killing all the animals becomes very interesting. It becomes clear that the Nephilim were at it again producing human animal hybrids.

Conclusion

When the angels came down to mate with women, many of them carried **reptilian genes** as seen with the **Seraphim** who were "fiery serpent." Their seed may have produced **reptilian Nephilim** who then went on to spread their seed among all creatures. From mammals they would produce the giant sized dinosaurs. From fish the giant sea serpents. One of these sea creatures in scripture was called Leviathan who breathed fire. Is it any coincidence that it breathed fire if it carried the DNA of "fiery serpents" known as the Seraphim angels.

I believe that the **Reptilians** that people encounter today are a product of DNA mixing and mating. Unlike real humans they are known to change their shape to look like humans. They are very intelligent and appear to walk among us. It is when they become very stressed or angered that they loose the human form and revert back to their original Reptilian form. [Al Gore was seen on a live television feed doing this exact thing](#). I personally did not see this but a close friend of mine did and I have also come across many other people on the net who saw it too. Apparently according to these people, **Al Gore** looked very stressed and angry at the time. One day I would like to find a film of it on the net!

In India human Reptiles are known as [the Nagas](#). Also there have been many reports of people sighting Reptilians in caves. Folklore seems to indicate that there are other reptilian men that live in the earth but cannot come to the surface as the other ones can. They live in the earth as a separate society. For more information refer to [the Dulce Book](#) by **Branton**.

Seraphim

Divine creatures from the Old Testament, associated with the Cherubim, and later taken to be angels. The root of Seraphim comes either from the Hebrew verb saraph ('to burn') or the Hebrew noun saraph (a fiery, flying serpent). Because the term appears several times with reference to the serpents encountered in the wilderness (Num. 21.8, Deut. 8.15; Isa. 14.29; 30.6), it has often been understood to refer to "**fiery serpents**." From this it has also often been proposed that the seraphim were serpentine in form and in some sense "fiery" creatures or associated with fire."

Note: In ancient times many of the gods were called the "Shining Ones." The word **Lucifer** means Shining One. If Serpentine angels fell and mated with women in Genesis 6 and had children, obviously the physical offspring would be reptilian by nature. See pictures below article.

"It is said that whoever lays eyes on a Seraph, he would instantly be incinerated due to the immense brightness of the Seraph. They are described as very tall, with six wings and four heads, one for of the cardinal directions. One pair of wings are for flying, one for covering their eyes (for even they may not look directly at God), and one for covering their feet (which is almost certainly a euphemism for genitalia). They are in the direct presence of God."

In Isaiah's call-vision in the Temple, he sees **Seraphim** surrounding the throne of *God*, singing praise to *God*; the "Thrice Holy" hymn (ch 6). In this instance they are angelic beings but in the Book of Numbers, seraph-snakes are sent to punish the Israelites.

Some of the **Seraphim** are Metatron, Kemuel, Nathanael, Gabriel, and Lucifer."

The Basis of the Reptilian Theory

I've only read a little of what he has said about this subject. But he bases the reptilian theory on ancient Sumerian texts written around 2000 BC. His researcher of choice to use is a guy named **Sitchin** who is able to interpret both Sanskrit and all Egyptian/Sumerian forms of hieroglyphics. [Sitchin](#) has interpreted many Sumerian tablets that refer to creatures from above. [Sitchin has translated these tablets verbatim](#) apparently and they use words that mean flying craft and they call the aliens gods.

But, its interesting to note that the heart of the Sumerian empire was in present day **Iraq**, in Babylon. Many

of these Sumerian tablets were in Iraq and promptly looted during the Iraqi war.

Many also believe that many of the world's religions are based off the Sumerian tablets. For example, the old testament is very similar to accounts in these tablets, almost **identical**. The Sumerian empire stretched across through Europe from Babylon and east to a great extent, including India. Now its interesting to note the religion that not only formed within the middle east, namely Islam, Christianity, and Judaism, and the religions in India, Egypt, and elsewhere, Zoroastrianism is another one. **They all formed within the ancient knowledge of the Sumerian empire.**

But anyway, these Sumerian tablets actually refer to **ETs** and planets outside our solar system, coupled with advanced ancient knowledge forms the basis for these aliens. The reptilian aspect is what they appeared to look like, there are many references to reptilians in many ancient cultures. Namely, that there are many revered animals that were reptilian or at least amphibian. So that forms the basis of Icke's assertion.

The **original aliens** (or **Anunnaki**) that visited this world and mixed their DNA with the "already evolving hominids" were Reptilian. The **Greys** were a genetically engineered race that came about later on. Many believe that the present day Greys that are the most commonly reported aliens by abductees, serve under the Zetan-Reptilians.
