Thank you to all of our generous donors and sponsors for making this event possible!

The West Valley Parent Teacher Organization (WVPTO) sponsors the annual Walk-a-thon to support West Valley Elementary School. WVPTO's goal is to foster a nurturing and caring environment that strives for continued parent involvement in helping to build a better educational environment for our children. We also promote a school community where teachers and administrators can do their best work with the resources we help to provide. The Walk-a-thon raises approximately half of our annual budget and is a critical source of income that allows us to support staff positions and offer many quality enrichment programs. The staffing positions historically funded include physical education and music instruction for grades K - 3, the technology clerk, additional library clerk hours, and instructional aides. Other programs financially supported by WVPTO include assemblies, Exploration Day, natural science and gardening programs, Project Cornerstone, emergency preparation, valet program, teacher and room parent funds, and so much more. Thank you for supporting our school!
