

VILLAGE OF NEW HYDE PARK

OFFICIAL REPORT - SPRING 2018 NEWSLETTER

Village Hall: 354-0022 www.vnhp.org DPW: 354-0064

Mayor's Letter to the Residents

Dear Neighbors,

Can it be that winter is finally over? What has to be the coldest April in history is now a chilly memory. Warmer weather ahead! That means the Memorial Day parade, bar-b-ques, the beach, summer vacations, concerts in the park, and all of the things we associate with what I hope will be a long, happy spring and summer.

At Village Hall, we spent the last few months putting another budget together. The Village fiscal year begins on June 1st. The budget increased approximately \$236,000 over last year, driven largely by increases in health insurance for employees; even as many of our employees contribute between 10% - 20% of their premiums. The tax rate increased by 1.65%, translating to about \$19.44 per year for the typical New Hyde Park home. The 2018 – 2019 budget can be viewed on the village website www.VNHP.org.

The Village Board has also been working on the railroad; seemingly all the live long day. We have had several meetings with the design-build firm, 3TC and the LIRR. Topics ranged from drainage plans to aesthetic treatments of the railroad platform, vehicular and pedestrian underpasses and how the plans integrate with the planned redevelopment of our industrial district along the tracks. We've engaged a design firm to produce renderings of our concept and we have retained an architect to help review the railroad plans to try to achieve a pleasing transition from the railroad platform to what promises to be the surrounding community district.

We have also engaged the engineering firm VERTEX to review technical plans from 3TC. VERTEX will provide the Village Board with their expertise to help mitigate any adverse effects that may be looming in the technical drawings. In accordance with the Memo of Understanding ("MOU") we negotiated, all of the experts that we have hired are funded by the LIRR.

The rolling 6-week production plan for the project can be accessed on the village web site. This plan is updated weekly, so residents can see where the work is being done and when. This will become increasingly important to village life once the real construction begins. We may see some demolition going on this summer as buildings are razed to stage equipment and enable excavation for drainage at Covert Avenue. The elimination of the Covert Avenue grade crossing is scheduled to begin in January 2019.

I also wanted to draw your attention to plans to enforce metered parking on Saturdays. While the Village Code always specified that metered parking is effect on Saturdays, it was not enforced. We will begin enforcement starting June 2nd. We hope this will result in a greater turnover of parking spots on Jericho turnpike, so more people will have access to our local merchants. Please remember to observe the parking regulations.

Lastly, I implore everyone to **attend our Memorial Day observance on Saturday, May 26th**. This is the one day of the year when we as a village come together to honor those New Hyde Park residents who gave their young lives for our freedoms. Your presence is enough to show that our village will never forget the supreme sacrifice these courageous young men made for us. Please join us to observe the parade that kicks off from the Lakeville Road lot at 10:00 am and come to Memorial Park for the formal observance. I look forward to seeing you there.

Sincerely,

Mayor Lawrence Montreuil

In Memory of Trustee Donald Barbieri

by Lawrence J. Montreuil

New Hyde Park Village Trustee Donald Barbieri passed away on February 23, 2018. Donald succumbed to complications from his long fight with Multiple Sclerosis; a devastating disease that tortured him, but never deterred him from serving the people of New Hyde Park. Don is now free from the clutches of that awful disease.

Donald was a life-long resident of New Hyde Park and loved the people who lived here. He had tremendous pride in our village and despite dealing with constant pain and discomfort, worked very hard to make it a better place for each and every person. He was an inspiration to all of us.

Don was very compassionate and insisted the rest of the board be so, too. He frequently viewed issues from the opposite side of the way a conversation was going to make sure that all aspects were being considered. When debating taking an action, Donnie made the village board look through the eyes of a proverbial resident, "Mrs. Jones"; so we all considered the worst possible impact to the most vulnerable person.

Donald has been a Village Trustee for 18 years, first elected in 2000. He was born and raised in New Hyde Park. He attended New Hyde Park schools and was a devoted parishioner of Holy Spirit Church. Don was an active and involved citizen and a community leader. Donnie was a fixture in New Hyde Park; liked and loved by so many.

Don worked tirelessly on the improvements we see today along Jericho Turnpike. The brick inlaid sidewalks, landscaped bulb outs and center medians would not exist today if it was not for Donnie's incredible persistence; just one of his many endearing qualities.

So much more could and will be said about Donnie's accomplishments and contributions to the people of New Hyde Park. His legacy and positive impact to this community will live and benefit future generations of New Hyde Park residents.

Donnie will be missed tremendously. The Village Hall Family has lost a dear friend and incredible leader. Our hearts and thoughts continue to be with Don's family during this incredibly challenging time.

Don worked tirelessly to improve, to beautify, and to enrich this community. Here are some pictures of Don in action, working on some of the projects he championed and enjoying the community he truly loved. Thank you Don for making a difference.

For the past 18 years, Don worked with local, state, and federal elected officials on issues that impacted this community. Here he is with NYS Senator Michael Balboni in 2004.

Don enjoyed all community events, but the New Hyde Park Street Fair was near and dear to his heart. He was the Street Fair Trustee Liaison for many years.

In Spring 2005, Don reviews the final plans for Operation Main Street with former Mayor Daniel Petruccio, former Mayor Robert Lofaro and Mayor Lawrence Montreuil.

NYS Assemblyman Tom McKeivitt presented Don with the 2006 Excelsior Award of Excellence for his untiring efforts and exceptional work on behalf of the physically challenged.

Another phase of Operation Main Street was completed in Fall 2014. Sidewalk pavers, cement planters, and site furniture provided the finishing touches at the northwest corner of Lakeville Road and Jericho Tpke.

In March 2017, along with Deputy Mayor Donna Squicciarino, Don congratulated Mayor-elect Lawrence Montreuil and offered good wishes to his colleague and friend Bob Lofaro after Bob officiated at his last Board Meeting as Mayor.

The Village Board Unanimously Adopts The 2018-2019 Village Operating Budget

The annual Budget Hearing was held at Village Hall on Tuesday, April 3rd at 7:30 pm. Village Clerk and Treasurer Cathryn Hillmann presented the 2018-2019 tentative budget with a proposed total appropriation of \$6,431,939.71, and a proposed tax rate of \$22.25 per \$100 assessed valuation, representing a 1.65% increase in the tax rate. Throughout the budget hearing presentation, Mayor Montreuil provided opportunity for comment and questions. There were no public comments or questions.

On April 17th, at the public Board Meeting, the Village Board voted unanimously to adopt the 2018/2019 operating budget as presented, with no changes or amendments. And for the 7th consecutive year, the 2018/2019 operating budget does not exceed the State mandated 2% tax cap.

The total appropriation of \$6,431,393.71 represents an increase of \$235,567 from last year's budget. The budget authorizes a tax levy of \$4,386,935.71, an increase of \$96,743.81 from last year's budget. This calculates to a tax rate of \$22.25 per \$100 of assessed valuation, a \$0.36 increase which is a 1.65% increase from last year's tax rate.

So, how does this impact you? The average assessed household in the Village (with an assessed valuation of 5,400) will be required to pay an additional \$19.44 a year in Village tax.

The total Village Assessment Roll as of April 1, 2018 was set at 19,715,808 an increase of 113,904 from last year's total assessment of 19,601,904. Other revenue sources in the budget are projected at \$2,045,004 which represents a \$138,823 increase from last year, or about 7%.

Here are some of the budget highlights:

- Medical, dental, and vision expenses are projected to be \$939,331.94 an increase of \$116,037.52 from last year. Beginning on June 1, 2016, all employees who choose to participate in health care coverage were required to contribute between 5% and 20% towards their medical coverage expense.
- State retirement expenses are projected to be \$286,339 a decrease of \$1,244 from last year.
- Worker's Compensation Insurance expenses are projected to be \$150,000, a decrease of \$18,490.49 from last year.
- The increase to the total Village Assessment Roll of 113,904 represents an increase in tax revenue of \$25,343.64. An increase in new residential developments helped contribute to the increase in the Village Assessment Roll.

Block Parties

This is a perfect time to talk with your neighbors about holding a block party this summer. A block party is a great way to stay connected with your neighbors. If your block wants to hold a block party, Block Party Application needs to be completed, with consent from the majority of residents on the block.

In order for timely processing, the completed application must be submitted to the Village Clerk’s Office at least one month prior to the event date. All requests must be approved by the Village Board.

Block Party Applications can be obtained on the Village website: www.vnhp.org under Forms or at the Village Clerk’s Office during regular business hours. Once approved, a letter which serves as your official permit, will be mailed to the event coordinator. Street barricades will be provided by the Department of Public Works - delivery on Friday and pick-up on Monday.

Please be considerate of residents who may choose not to participate in the block party. And, please remember that all amplified music systems must be shut down by 10:00 pm on Saturday or by 9:00 pm on Sunday.

Community Clean Up Day

On Saturday, April 7th, the annual Community Clean Up Day was held. Mayor Larry Montreuil, Deputy Mayor Donna Squicciarino, Beautification Chairman & Trustee Rich Pallisco worked with members of Boy Scout Troop #298, and residents to clean and mulch the planting beds and area around the LIRR station on 2nd and 3rd Avenues. A new American Flag was hung at the Police Booth at the Lakeville Road and at the South 12th Street Parking Lots.

Volunteers gather in the resident parking lot on S. 12th Street to get gloves, buckets, and tools. The team did a great job.

Tr. Pallisco and Boy Scout Troop 298 members hang a new flag at the Police Booth in the Lakeville Road Municipal Parking Lot.

Long and Lean Adult Exercise

A new semester began on Monday, April 9th and classes will run through Thursday, May 31st. It's not too late to join *the fun and the fitness* every Monday and Thursday morning from 10:30 - 11:30 am at Village Hall. For the past few years, exercise instructor Tara Hayes has gained a dedicated following of residents who love and appreciate her style of fitness training. Trustee Richard Pallisco was instrumental in bringing this adult exercise class to the Village many years ago. Rich was always confident that residents would respond favorably and participate. But he never imaged how the program would grow in popularity to now include participants from outside of the Village. Thanks to recent funding from Nassau County, this is now a free program. For more information, please call the Village Clerk's Office at 354-0022 or go to the Village website: www.vnhp.org.

Standing to the right is exercise instructor Tara Hayes and some of the participants in the Spring Semester. New equipment was just purchased including exercise balls which are used to help isolate and tone arm and abdominal muscles.

Spring Clean Up

Springtime is a great time to get outdoors and freshen up after a long and cold winter. This is a perfect time to clean around your garden, flower beds, and outdoor property. And practicing good property maintenance is not a one-time endeavor. It should be a daily, weekly, or monthly practice. We also ask everyone to help beautify your street by sweeping up any debris that has accumulated along the curb line. Even though street sweeping operations are underway, there is only so much that can be accomplished with the street sweeper. Residents and business owners are asked to pitch in and keep their property clean and free of weeds and debris. Be a good neighbor, whether commercial or residential, and regularly sweep your property or store front to keep it clean.

We all benefit from each other's daily property maintenance practice.

The street sweeping schedule mirrors the leaf pick up schedule. If your block has leaf pick up on Monday, your street is scheduled for sweeping on Monday. Help the sweeper be most efficient. Please do not park your car in front of your house on the day your block is scheduled for street sweeping. If you have questions regarding the street sweeping operations, please call the Department of Public Works at 354-0064.

Parks and Recreation

New Games and Equipment at Nuzzi Park

The Park and Recreation Commission just acquired new sports equipment for your use at Nuzzi Field. How about trying your skill with badminton? Need something with a faster pace? A game of volleyball with friends and neighbors on a warm summer day or evening is always enjoyable. Do you prefer an even faster pace? Then try the newest game sensation, pickle ball, a game similar to paddle ball played over a net rather than a wall.

These games are played in the former basketball court at Nuzzi Field. The Park Attendant has the equipment readily available. Residents will have to verify Village residency either with a driver's license or Village ID card. There is no fee to use any of the equipment. So, why not try all three. We hope you and your family enjoy these new games and activities.

New Hyde Park Museum

This summer, the New Hyde Park Museum is planning several programs and we need volunteers to help. The first program we plan to run is a photography and art program that will feature photos, drawings, and artwork from the children in the community. We will be setting up a project team to help organize the event. If you are interested, please sign up or contact the Museum to discuss how you might like to volunteer.

Our next summer project involves scanning in some of our newly donated photos and documents into the Museum's digital archives. Additionally, we plan to create new interview videos with individuals and a 360 / VR video of local landmarks and businesses. We welcome all levels of expertise to help on this project.

**November 4th Sunday in New Hyde Park
Veterans Day Tribute and Sperry Facts**

This program will offer some history of Sperry during WW II and how Sperry impacted New Hyde Park. We have some interesting documents and great photographs of the NHP Mayor at that time in underground bunkers. If you want to help or get involved with any of these programs, please email: nhpmuseum@gmail.com or go to <http://newhydeparkmuseum.org>.

The Farmers Market

The Farmers Market will not return to New Hyde Park this year. Village shops and restaurants are great places to get that perfect gift, baked goods, artisan breads, chocolates, and delicious prepared food.

Meter Parking & Code Enforcement

Under Village Parking Code, meter parking is in effect 8 am to 7 pm, Monday through Saturday. Beginning June 2nd, a Village Code Officer will be on duty and will be enforcing all parking codes, including meter parking rules on Saturdays. Please remember to feed the meters on Saturday to avoid receiving a \$40 ticket. Meter parking spaces are located on many streets, alongside the railroad tracks, and in the municipal parking lots. If you have questions, please call the DPW Code Enforcement Unit at 354-0064. Parking meters accept quarters, so plan ahead and have a supply of quarters in your car so it's readily available when needed.
