

**A3 | S3**

**The new Audi A3.**  
Further ahead.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found from [www.audi.de](#)

# The new Audi A3 Sportback

Further ahead can be  
measured in kilometres. Or in ideas.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

## The basic idea: functionality made beautiful.

Progressive design that speaks a unique language. Innovative technologies that emphasise dynamism and efficiency. And an interior that impressively combines aesthetics with intuitive functionality. Our lead can be discovered in many facets. In the new Audi A3 Sportback.

Experience how good ideas move you forward. Further ahead.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

## Striking and muscular.

The slim side of the new Audi A3 Sportback is defined by the striking tornado line along the edge of the window and the dynamic line above the sills. Taut, sculptural areas where light meets shadow give the vehicle a compact and muscular look.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

The dynamic roof contour of the new Audi A3 Sportback is designed to emphasise the car's sporty character. Despite its lightness, the vehicle's powerful rear gives it a confident stance. The combination of a longer wheelbase and short overhangs makes the new Audi A3 Sportback look longer and conveys a sense of elegant sportiness.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

### One touch faster.

Quicker gear changes made simple. Thanks to the optional S tronic 7-speed dual-clutch transmission with virtually no break in propulsive power, available for many models. And on request, even more individual driving dynamics thanks to Audi drive select and suspension with damper control.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

# The new Audi A3 Saloon

You can either follow a new line.  
Or define it.

Consumption and CO<sub>2</sub> emissions figures can be found from page 114 onwards.

## Saloon redefined.

Dynamic contours. Taut muscular areas. Coupé-like lightness. The new Audi A3 Saloon casts a progressive light on the term saloon. Sporty through and through. Elegant and confident. Ready to rediscover the world.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 114 onwards.

A new perspective: compact saloon with coupé character. Wide and low. Precise lines, emphasis on three-dimensional design. The low, flowing line of the roof dome conveys pure dynamism. Strongly accentuated wings with shaped wheel arches frame the optional up to 19-inch cast aluminium wheels.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 114 onwards.

Audi A3

Power exuded by the singleframe with double chrome struts. Aerodynamic air inlets. Optional full-LED headlights. Perfectly integrated into the three-dimensional body line. Add to that a striking trailing edge and elegantly rising rear lights.

The new Audi A3 Saloon: progressive sportiness.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 114 onwards.

26 27

Technology can be improved.  
Or taken to a new level.

# The new high lights

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

### More than a look ahead.

The future in sight. Every day. Clearly visible from the driver seat. With Audi virtual cockpit, the optional, fully digital instrument cluster. Taking function and design to a new level. A host of information the driver needs clearly in sight. With numerous view options on the high-resolution 12.3-inch display.

Razor-sharp, brilliant and rich in contrast.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

The familiar world of your smartphone in the MMI menu; with the optional Audi smartphone interface<sup>1</sup>. Shown on the high-resolution MMI colour display. Reach your destination without any detours. Thanks to the enhanced MMI control concept and optional MMI navigation plus with MMI touch. Intuitive operation due to fewer buttons and destination entry without sub-menus. Touch-sensitive entry field with recognition of handwriting and touch gestures. Also for the services supported by Audi connect<sup>2</sup>.

The future becomes more complex, and easier.

<sup>1</sup>The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards. <sup>2</sup>The smartphone manufacturers are responsible for all content and functions displayed in the vehicle via the Audi smartphone interface. <sup>3</sup>For legal information and notes on use, please see page 118.

High quality and innovative design can be found in every detail. The horizontal architecture of the dashboard emphasises the size of the interior, 3D inlays<sup>1</sup> seem to embrace the driver. The optional inlays in matt brushed aluminium light design<sup>2</sup> and the air vents in jet design further accentuate the stylish interior.

<sup>1</sup> Standard in conjunction with A3 design. <sup>2</sup> Standard in conjunction with Audi design selection. The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

Comfortable seats and a generous amount of space characterise the rear. The rear bench seat can be split-folded 40:60, and the optional seat bench can be split-folded 40:20:40<sup>1</sup>. With the rear seat bench folded down completely, you have up to 1,100 litres of luggage compartment volume<sup>2</sup> in the new Audi A3 or even up to 1,220 litres in the new Audi A3 Sportback.

<sup>1</sup>The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards. <sup>2</sup>Not available for A3 Cabriolet.  
<sup>3</sup>Technical specifications refer to a basic vehicle without country-specific settings and the selected optional equipment.

## Progressivity in a new light.

Their crystal-clear shine ensures bright, homogeneous illumination of the road. Selective fading out of other vehicles. Curve light function and automatic dynamic headlight range control. Possible thanks to precise, individually controllable light-emitting diodes in the optional Audi Matrix LED headlights. Dynamic indicator included. Also at the rear.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

## The next step towards piloted driving.

More convenience and additional safety. The comprehensive, redeveloped driver assistance systems<sup>1</sup> will take care of that. Upon request in any Audi A3/S3. Take the cross traffic assist at the rear, which alerts the driver to the risk of a possible collision when leaving a parking space. In particularly dangerous situations, the emergency assist can help to keep the vehicle in lane if the driver becomes unresponsive and to brake the vehicle to a standstill if necessary. In conjunction with S tronic, adaptive cruise control Stop&Go keeps the vehicle at a constant distance from the vehicle in front. And the congestion assist takes over the steering work at speeds of up to 65 km/h, thus making life easier in stop-and-go traffic.

<sup>1</sup>The figures for full consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards. <sup>2</sup>Please note: The systems work only within system limits and assist the driver. However, the driver remains responsible for driving the vehicle and is required to be attentive at all times.

## The heart of getting you ahead.

Whether it's the 1.0-litre 3-cylinder TFSI or the powerful 2.0-litre 4-cylinder TFSI: Audi's latest engine technologies allow for an outstandingly agile yet highly efficient ride. The 2.0-litre 4-cylinder TFSI engine in the new Audi A3 deploys its power with 140 kW. Ideal for a fuel-efficient, moderate driving style without compromising sportiness. The new Audi A3's 228-kW engine enables the car to sprint from 0 to 100 km/h in 4.5 seconds. The combined CO<sub>2</sub> emissions start at 146 g/km and 400 Nm of torque ensure spontaneous power delivery.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

**The new Audi S3.**  
A faster thrill.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

# The new Audi S3 Sportback and the new Audi S3

Being in the lead can be  
your goal.  
Or your starting point.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

## Ahead as standard.

More power, more sportiness, more driving enjoyment. Brought to the road by two exceptional vehicles: the new Audi S3 and the new Audi S3 Sportback. The choice is yours.

Choose your own personal starting point that will put you further ahead from the word go.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

### Pure sportiness.

Exterior mirrors in aluminium look, Singleframe with S emblem and double chrome struts. On the new Audi S3 Sportback the details alone point to pure sportiness. The same goes for the side sills that impressively emphasise the shape and lines of the front and rear aprons.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

Audi S3

53 59

Striking rear diffuser with an S-specific dual-branch exhaust system. Two oval tailpipe trims right and left accentuate the vehicle's impressive width. On request with fascinating 19-inch cast aluminium wheels. In addition, the distinctive roof edge spoiler makes the Audi S3 hug the road even more.

Everything your athlete's heart desires.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

## A top athlete takes the lead.

The standard full-LED headlights, the S design of the side air inlets as well as the ventilated 17-inch brakes with sensational black or even red painted brake callipers visually underline the dynamism of the new Audi S3.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 110 onwards.

Dynamism can

test the limits. Or open up new perspectives.

# The new Audi S3 Sedan

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 114 onwards.

## The saloon with the S factor.

More powerful. Sportier. Fascinating at first sight. With a unique design. S-typical. Rear diffuser and dual-branch exhaust system. Oval exhaust tailpipes. An appearance that raises expectations. And satisfies them. Inspirational. The new Audi S3 Saloon.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 114 onwards.

^^  
**The new Audi S3 Saloon knows only one direction.**  
Ahead. Ahead in remarkably sporty style.

^^  
The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 114 onwards.

## S for stability.

The quattro drive confidently distributes power to all four wheels, and promises excellent directional stability and improved traction. In addition, thanks to Audi drive select you can adjust the character of your vehicle to match your own driving style. Aided by the optional Audi magnetic ride – dynamics or a sporty yet comfortable ride.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 114

Superb sporty atmosphere. Discernible on the optional front sport seats. Surrounded by characteristic S features. On request with a multifunction sport leather steering wheel, flattened at the bottom and inlays in matt brushed aluminium, design light. Pedals in brushed stainless steel. Sporty can be this exclusive. Or vice versa.

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 114 onwards.

Dynamism that you can feel and see. One example is the Audi Singleframe with S-specific chrome-plated double struts. Another the optional up to 19-inch cast aluminium wheels. S-characteristic. Worthy of performance.

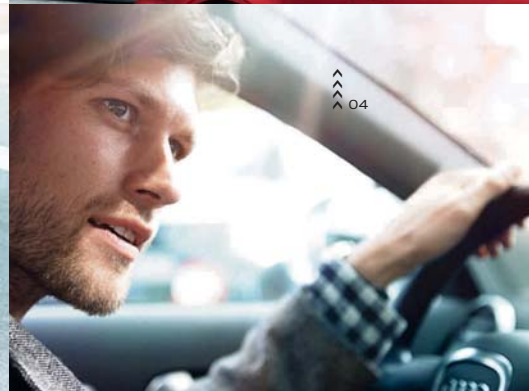

The figures for fuel consumption and CO<sub>2</sub> emissions figures can be found from page 114 onwards.

## More versatile. A quick look at your options.

The new Audi A3 – an exceptional vehicle whose diverse range of high-quality equipment will impress you. As will many other optional highlights – let yourself be inspired.

- 01 \_ Bang & Olufsen Sound System
- 02 \_ Audi exclusive customised paint finish in solar orange and Audi exclusive titanium black styling package<sup>1</sup>

Fuel consumption <sup>5</sup> in l/100 km						
urban	5.2-4.9 [5.5-5.2]	5.4-5.1 [5.7-5.4]	5.9-5.6	6.1-5.8	[5.7-5.4]	[6.0-5.7]
extra-urban	3.9-3.5 [4.3-4.0]	4.1-3.7 [4.5-4.2]	4.4-4.1	4.5-4.2	[4.6-4.3]	[4.8-4.5]
combined	4.4-4.0 [4.7-4.4]	4.6-4.2 [4.9-4.6]	5.0-4.7	5.1-4.8	[5.0-4.7]	[5.2-4.9]
CO <sub>2</sub> emissions <sup>5,7</sup> in g/km combined	110-104 [121-115]	117-110 [127-120]	128-122	132-125	[131-124]	[137-129]
Emission standard	EU6 [EU6]	EU6 [EU6]	EU6	EU6	[EU6]	[EU6]

[ ] Figures in square brackets refer to S tronic. Explanation of <sup>1</sup> to <sup>6</sup> on page 117.

**Explanatory notes**

- <sup>1</sup> The figure given was calculated using the specified measuring procedure (current version of UN-R 85).
- <sup>2</sup> Unladen vehicle weight includes driver (75 kg) and fuel tank 90 % full, calculated in accordance with the current version of Reg. (EU) 1230/2012. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.
- <sup>3</sup> The engine's power output always decreases with increasing altitude. At 1,000 m above sea level, and for every additional 1,000 m, deduct 10 % from the weight of the outfit (trailer load limit + gross weight of the towing vehicle). Figure for trailer load limit applies to factory-fitted trailer towing hitch. If using the vehicle with a trailer towing hitch for commercial purposes, a digital tachograph may be required under certain conditions.
- <sup>4</sup> Fuel consumption and CO<sub>2</sub> emission figures given in ranges depend on the tyre/wheel sets used.
- <sup>5</sup> We recommend using sulphur-free super unleaded RON 95 fuel complying with DIN EN 228. If this is not available, use sulphur-free regular unleaded RON 91 fuel complying with DIN EN 228; power output will be slightly reduced. Unleaded RON 95 fuel with a maximum ethanol content of 10% (E10) can generally be used. Fuel consumption details refer to operation with RON 95 fuel complying with 692/2008/EC.
- <sup>6</sup> The figures given were calculated using the specified measuring procedures. The figures do not refer to one individual vehicle and do not form part of any offer, but rather should be used purely for purposes of comparison between the different vehicle models.
- <sup>7</sup> A vehicle's fuel consumption and CO<sub>2</sub> emissions do not just depend on how efficiently the vehicle uses the fuel, but are also influenced by driving behaviour and other non-technical factors. CO<sub>2</sub> is the greenhouse gas primarily responsible for global warming.
- <sup>8</sup> We recommend using sulphur-free diesel complying with DIN EN 590. If this is not available, use diesel complying with DIN EN 590.

**Important note**

**Special information about the wheels:** Wheels with gloss turned finish as well as polished or partly polished aluminium wheels must not be used in wintry road conditions. For manufacturing reasons, the rim surface does not have sufficient corrosion protection for such use and can be damaged permanently by road salt or similar.

## Audi A3 &gt; Technical data

**Legal notice about Audi connect**

Use of the services supported by Audi connect is possible only in conjunction with an optional navigation system. Audi connect services are provided through AUDI AG. The data connection for the Audi connect services is set up through a mobile services provider via a SIM card permanently installed in the vehicle. The costs of these data connections are included in the price of Audi connect services. The costs for the Wi-Fi hotspot are not included. The data connection for the Wi-Fi hotspot can be arranged with a selected mobile services provider as a payable data tariff. You will find information about tariffs and booking at [www.audi.com/myaudi](http://www.audi.com/myaudi). Alternatively, a customer SIM card can be inserted into the card slot to establish a data connection. In conjunction with the optional equipment Audi phone box, a Bluetooth-capable smartphone with remote SIM Access Profile (rSAP)<sup>1</sup> can also be connected to use the integrated car phone function. If an external SIM card is inserted into the card slot or connected via rSAP, all data connections both for the Audi connect services as well as for the Wi-Fi hotspot will be established via this external SIM card. In such cases, the costs incurred are attached to those accrued via the external SIM card.

The availability of the services supported by Audi connect varies from country to country. The Audi connect services are provided for at least 1 year from vehicle delivery. Following a period of 24 months from vehicle delivery, Audi connect services will be extended once free of charge for 12 months. If you do not require this extension, please write to:

AUDI AG  
Audi International Customer Care Services  
85045 Ingolstadt, Germany  
Email: [kundenbetreuung@audi.de](mailto:kundenbetreuung@audi.de)  
Tel.: +49 800 28347378423

Ask your Audi partner about a subsequent extension of the Audi connect services.

Depending on the vehicle model, Audi connect enables access to Google and Twitter services. Permanent availability cannot be guaranteed; Google and Twitter are responsible for this. Please visit [www.audi.com/connect](http://www.audi.com/connect) or contact your Audi partner for more detailed information about Audi connect; contact your mobile services provider for information about contract conditions.

**Classifications of tyre parameters**

The table shows the range of fuel efficiency, wet grip and exterior noise emission classes for the different tyre sizes of the A3/S3 models.

	Tyre size	Fuel efficiency class	Wet grip class	Exterior noise emission class
Summer tyres	205/55 R 16	F-B	E-A	70-67 
	225/45 R 17	E-C	C-A	71-67 
	225/40 R 18	F-C	B-A	72-67 
	235/35 R 19	E	B	72 
Winter tyres	205/55 R 16	E	C-B	72-68 
	205/50 R 17	F-C	E-B	71-69 
	225/40 R 18	F-E	E-B	72-69 

It is not possible to order a specific tyre. Ask your Audi partner about the range of tyres available in your country.

Equipment for the Audi A3 Sportback illustrated (p. 2-49):

Paint finish: nano grey, metallic  
Wheels: cast aluminium wheels in 5-arm dynamic design  
Seats/seat upholstery: sport seats, front in sequence cloth/leather, black with contrasting stitching in rock grey  
Inlays: matt brushed aluminium, design light  
Further equipment: S line exterior package

Equipment for the Audi A3 illustrated (p. 2-49):

Paint finish: Vegas yellow  
Wheels: cast aluminium wheels in 5-arm dynamic design  
Seats/seat upholstery: S sport seats, front in fine Nappa leather, rotor grey with contrasting stitching in anthracite with diamond pattern  
Inlays: matt brushed aluminium, design light  
Further equipment: S line exterior package

Equipment for the Audi A3 Saloon illustrated (p. 2-49):

Paint finish: cosmos blue, metallic  
Wheels: cast aluminium wheels in 5-V-spoke design, matt titanium look, gloss turned finish<sup>1</sup>  
Seats/seat upholstery: sport seats, front in plenum cloth/leather, black/blue with contrasting stitching in space blue  
Inlays: matt brushed aluminium  
Further equipment: S line exterior package

Equipment for the Audi A3 Cabriolet illustrated (p. 2-49):

Paint finish: tango red, metallic  
Wheels: cast aluminium wheels in 5-V-spoke design, matt titanium look, gloss turned finish<sup>1</sup>  
Seats/seat upholstery: S sport seats, front in fine Nappa leather, black with contrasting stitching in rock grey with diamond pattern  
Inlays: matt brushed aluminium, design light  
Further equipment: S line exterior package

Equipment for the Audi S3 Sportback illustrated (p. 50-81):

Paint finish: Daytona grey, pearl effect  
Wheels: Audi Sport cast aluminium wheels in 5-V-spoke design, matt titanium look, gloss turned finish<sup>1,2</sup>  
Seats/seat upholstery: sport seats, front in fine Nappa leather, black/express red  
Inlays: matt brushed aluminium, design light

Equipment for the Audi S3 illustrated (p. 50-81):

Paint finish: Vegas yellow  
Wheels: Audi Sport cast aluminium wheels in 5-arm wing design, titanium look, gloss<sup>2</sup>  
Seats/seat upholstery: S sport seats, front in fine Nappa leather, black  
Inlays: matt brushed aluminium, design light

Equipment for the Audi S3 Saloon illustrated (p. 50-81):

Paint finish: panther black, crystal effect  
Wheels: Audi Sport cast aluminium wheels in 5-arm wing design, titanium look, gloss<sup>2</sup>  
Seats/seat upholstery: S sport seats, front in fine Nappa leather, black with contrasting stitching in express red  
Inlays: matt brushed aluminium, design light

Equipment for the Audi S3 Cabriolet illustrated (p. 50-81):

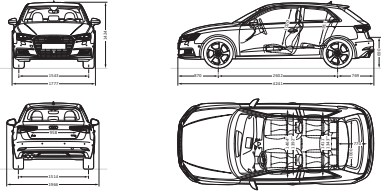

Paint finish: navarra blue, metallic  
Wheels: cast aluminium wheels in 5-twin-spoke star design, contrasting grey, partly polished<sup>1</sup>  
Seats/seat upholstery: S sport seats, front in frequency Alcantara/leather, rotor grey with contrasting stitching in anthracite  
Inlays: matt brushed aluminium, design light

<sup>1</sup>Please note the special information relating to wheels on page 117. <sup>2</sup>From quattro GmbH.

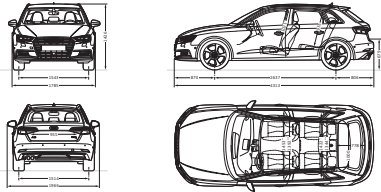

**Audi A3** Dimensions in mm

Dimensions are for vehicle at unladen weight. Luggage compartment volume:<sup>1</sup> front-wheel drive 365/1,100 l; quattro permanent all-wheel drive 325/1,060 l (second value: with the rear seat backrest folded down and vehicle loaded up to roof height). Turning circle approx. 10.7 m.  
\*Maximum headroom. \*\*Elbow room width. \*\*\*Shoulder room width.

**Audi A3 Sportback** Dimensions in mm

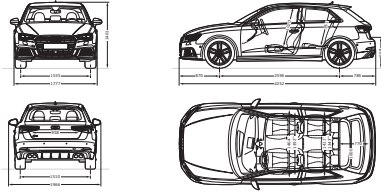

Dimensions are for vehicle at unladen weight. Luggage compartment volume:<sup>1</sup> front-wheel drive 380/1,220 l; quattro permanent all-wheel drive 340/1,180 l (second value: with the rear seat backrest folded down and vehicle loaded up to roof height). Turning circle approx. 10.9 m.  
\*Maximum headroom. \*\*Elbow room width. \*\*\*Shoulder room width.

<sup>1</sup>Technical specifications refer to a basic vehicle without country-specific settings and the selected optional equipment.

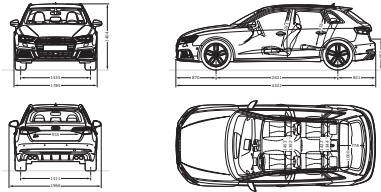

**Audi S3** Dimensions in mm

Dimensions are for vehicle at unladen weight. Luggage capacity:<sup>1</sup> 325/1,060 l (second value is with the rear seat backrest folded down and the vehicle loaded up to roof height). Turning circle approx. 10.7 m.  
\*Maximum headroom. \*\*Elbow room width. \*\*\*Shoulder room width.

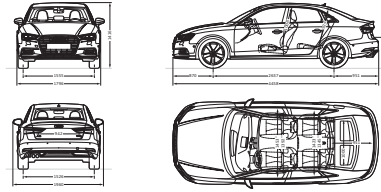

**Audi S3 Sportback** Dimensions in mm

Dimensions are for vehicle at unladen weight. Luggage capacity:<sup>1</sup> 340/1,180 l (second value is with the rear seat backrest folded down and the vehicle loaded up to roof height). Turning circle approx. 10.9 m.  
\*Maximum headroom. \*\*Elbow room width. \*\*\*Shoulder room width.

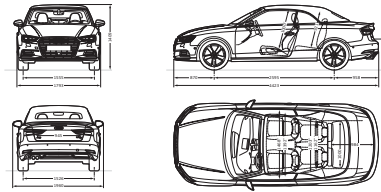

**Audi A3 Saloon** Dimensions in mm

Dimensions are for vehicle at unladen weight. Luggage compartment volume:<sup>1</sup> front-wheel drive 425/880 l; quattro permanent all-wheel drive 390/845 l (second value: with the rear seat backrest folded down and vehicle loaded up to the parcel shelf). Turning circle approx. 11.0 m.  
\*Maximum headroom. \*\*Elbow room width. \*\*\*Shoulder room width.

**Audi A3 Cabriolet** Dimensions in mm

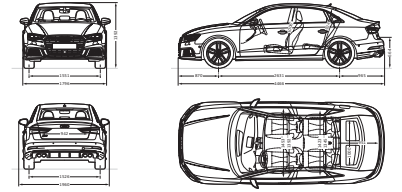

Dimensions are for vehicle at unladen weight. Luggage compartment volume<sup>1</sup> with closed hood: front-wheel drive 320 l, quattro permanent all-wheel drive 285 l; with open hood: front-wheel drive 280 l, quattro permanent all-wheel drive 245 l; with the rear seat backrest folded down: front-wheel drive 680 l, quattro permanent all-wheel drive 645 l. Turning circle approx. 10.9 m. \*Maximum headroom. \*\*Elbow room width. \*\*\*Shoulder room width.

<sup>1</sup>Technical specifications refer to a basic vehicle without country-specific settings and the selected optional equipment.

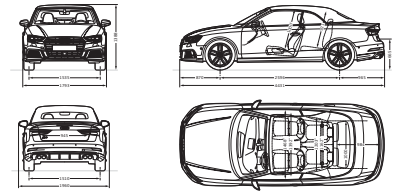

**Audi S3 Saloon** Dimensions in mm

Dimensions are for vehicle at unladen weight. Luggage capacity:<sup>1</sup> 390/845 l (second value with the rear seat backrest folded down and vehicle loaded up to the rear parcel shelf). Turning circle approx. 11.0 m. \*Maximum headroom. \*\*Elbow room width. \*\*\*Shoulder room width.

**Audi S3 Cabriolet** Dimensions in mm

Dimensions are for vehicle at unladen weight. Luggage compartment volume<sup>1</sup> with closed hood: 285 l; with open hood 245 l; with the rear seat backrest folded down 645 l. Turning circle approx. 10.9 m. \*Maximum headroom. \*\*Elbow room width. \*\*\*Shoulder room width.
