AAA Premier Services and Benefits

Extended Roadside Assistance

To obtain Premier Roadside Assistance, call the toll-free number on the front of your membership card. With AAA Premier, each member is entitled to one (1) tow of up to 200 driving miles from the point of breakdown. This 200 mile tow is one of the six allowable service calls per Premier membership year. The other five calls can be up to 100 driving miles from the point of breakdown.

- All roadside assistance benefits, including the 200 mile tow, cannot be used for recreational vehicles or motorcycles.
- If any of the service calls, including the 200 mile tow, are not used during a membership year, they cannot be accumulated and carried over to the next membership year.
- For any towing distances beyond the allowable mileage limits, the member is responsible for the excess mileage based on current AAA towing rates.
- For members upgrading from Basic Membership to Premier Membership, there is a ten-day waiting period before the coverage goes into effect. For the current Plus member upgrading to Premier Membership, there is no waiting period for the coverage to become effective.
