Rear Shield

Utility Plow

Hydraulic utility plow with 7 gauge trip frame superstructure. Features an adjustable 72" moldboard with 48" trip frame.

- Powerful all-hydraulic control quickly adjusts plow lift and angle. Hand-held controller with illuminated buttons allows for one hand control of the plow from the driver's seat.
- 6" reversible cutting edge extends life and allows even wear.

Plow Kit includes all wiring, mounting brackets and hardware.

MOWER > ACCESSORIES

Collection System

Large-capacity collection system is an effective and efficient way to collect grass clippings and leaves.

- Capacity of 10 cubic feet (8 bushels) on XR, XE and TRX (354 model), 15 cubic feet (12 bushels) on XP, XP HD, XC and TRX models (excluding TRX 354 model)
- Heavy-duty large diameter wheel with five 7-gauge fan blades rotate on ball bearings.
- Angled and reinforced leading edge blower housing.
- Convenient tool-free mounting hardware for quick and easy one-person installation and removal.

Kit includes bags, frame, blower, mounting hardware, receiver hitch and front weights. *Kit 2500290 (red) or 2500290-550 (silver) is also required if front suspension kit is installed and on SS models.

*Not compatible with TRX 354 models

Independent Front Suspension

The Altoz Independent Front Suspension (IFS) is the industry's first parallel twin A-arm front suspension. Features adjustable coil springs over gas shocks that are finely-tuned for precise compression and rebound, the Altoz IFS smooths out rough terrain and allows operators to mow faster with superb comfort and control. Available for 2016 and newer models.

Series		p/n
XR / XE / TRX 354	354 / 480 / 540 models	2500183-550
	610 models	2500208-550

Light Kit

Two LED lights built in an aluminum, shock-proof and waterproof casing. Each light provides 950 lumens with a spot beam of 25 degrees. Kit includes all wiring, mounting brackets and hardware.
