### PETE EVANS – BORN PASSIONATE!

chef, paleo ambassador, health coach, restaurateur, media personality, author & now collaborating with WA's newest Conference & Events Venue, Fraser Suites Perth

# THE COLLABORATION

## FRASER SUITES PERTH & PETE EVANS

Born in Melbourne, raised on the Gold Coast and currently residing in Sydney, Pete works between Australia and the USA. And now this certified true blue Aussie is collaborating with Fraser Suites Perth.

Restaurants have been a part of Pete's life since the age of 19. He has opened seven in his time as a chef and restaurateur, including The Pantry, Hugo's Manly and, his latest success, a contemporary tapas bar in Melbourne's CBD, the unique Bar Nacional.

High-profile catering is another proud passion – from a royal banquet for the Prince and Princess of Denmark to a private dinner for Martha Stewart or a G'Day USA gala dinner for 600 in New York City, Pete loves making any event super special.

Cooking, food and lifestyle TV programs have been another of Pete's highly successful pursuits. Starting out in 2001 as a co-presenter on the Lifestyle Channel's Home show, his credits also include Postcards from Home, FISH, and since 2009 co-host with Manu Feildel of Channel 7's hugely and internationally successful My Kitchen Rules.

Through the collaboration with Pete, Perth's newest events venue Fraser Suites will present his especially designed menus across all areas of Food & Beverage. Enjoy Pete's fresh, delicious and healthy creations throughout our extensive Wedding, Conference and Event offerings, through in-room dining and our new Heirloom restaurant.

Since its establishment in 1998, Frasers Hospitality has gone from strength to strength in leading the way in Gold Star apartment residences, with over 92 hotels in over 49 cities globally.
