8. Cost Basis Selection

The Internal Revenue Service (IRS) released mandatory cost basis regulations requiring mutual fund companies to report cost basis information to shareholders and to the IRS on mutual fund shares acquired and subsequently redeemed after January 1, 2012 (herein after referred to as "covered shares"). You may wish to consult your tax advisor to determine which method best suits your individual tax situation.

If you wish to select a different method for different funds held in your account, please indicate as such. If you need additional space to indicate your selections, attach a separate sheet that includes all of the information requested above. Sign and date the sheet.

Please note that if you have selected the Average Cost method for existing shares and a redemption has occurred, this method cannot be revoked for these shares. However, a new method can be selected for new shares purchased in this account. Please consult your tax advisor to determine which method is most appropriate for you. Note that J.P. Morgan Funds is unable to provide tax advice related to specific investments or accounts.
