**Office Hours:** Mon & Wed: 3:00pm – 4:30 pm  
Tu & Th: 3:30pm – 4:30 pm  
or by appointment

**Course Description:** Accounting concepts and methods used in managerial planning, control, and decision-making. Topics include budgetary planning, control and analysis, responsibility accounting; costing techniques; standard costs; cost-volume-profit relationships; and capital budgeting.

**Prerequisite:** Acct 2301

**Course Objectives:** Managerial accounting is a sub-discipline of accounting concerned with the information needed by managers to effectively plan, control and make decisions about company operations. The study of managerial accounting crosses disciplines, because the managerial accounting system must provide information that is useful in financing, operating, marketing, research and development and myriad other activities of a company. The primary objective of this course to provide you with the knowledge and tools to effectively use managerial accounting information. The specific knowledge and tools objectives include:

- Understand how to allocate costs and why.
- Develop basic concepts of various cost allocation methods and their implications.
- Understand cost behavior and cost, volume and profit relationships
- Understand how to use accounting information for planning, decision making and continuous improvement.
- Develop insight into the evaluation and managing of performance.

**Required Course Materials:**

***Please read the following carefully as there are several different options for you to purchase this book and the Connect access.***

**Textbook:** *Fundamental Managerial Accounting Concepts*, **9th Edition**, Edmonds and Olds, (McGraw Hill) ISBN: 978-1-260-43383-8 (Loose Leaf Version). **NOTE AN E-BOOK IS AVAILABLE. FOLLOW THIS LINK (search by ISBN number) FOR ALL BUYING OPTIONS:**  
<https://www.mheducation.com/highered/>

A student of this institution is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may be also available from an independent retailer, including an online retailer. I only require that you purchase the Connect code since it comes with a free eBook. **You must purchase the Connect access code in order to complete online homework and accounting problems.** **I accept HW submitted through Connect only. I will not accept HW submitted as email attachment or in any other form.**

The eBook with Connect access is the cheapest option but most students find it much easier to use and follow along in class with an actual hardback textbook. Be aware that if you choose to only purchase the Connect code and use an ebook, the code is only valid for one semester.

Do not use Internet Explorer as your browser. Please use **Chrome or Firefox** as your browser for Connect. I am told those suffer from fewer problems than other browsers.

Please see Canvas under the heading of “Getting Started” for the registration instructions. There is a fee. Contact CONNECT tech Support if you are having issues with their web site: 800-331-5094.

**Caution:** Connect grades your homework automatically, so your answer must be exact. If the solution requires two decimal points, 38.20 is correct, but 38.2 is not. Similarly, if the solution requires that the answer be in percentages, 28% is correct but .28 is not. If you find that your solution is marked incorrect when you use the “Check Answer” feature, make sure you have expressed your solution exactly as the problem requires.

### **Canvas Mobile App**

Canvas has created Canvas Student to help students access their courses while they are away from a computer browser. The Canvas Student app comes in handy for checking messages, announcements, and grades.

#### **How to Install the Canvas App**

1. On your mobile device, open the App Store.
2. Search for Canvas Student or Canvas Teacher
3. Select the appropriate app, and download and install it.

#### **How to Log in to the Canvas App**

The first time you log in, you will need to identify your institution and log in with your UT Tyler user ID and password.

1. Open the Canvas app.
2. Tap Find Your School or District.
3. Type the name of your institution. When the full name appears in the search list, tap the name.
4. Type your UT Tyler user ID and password, and tap Login.
5. On the verification page, tap Log In.

Your Canvas dashboard will open.

**Preferred means of communication:**

In an effort to ensure that I can respond to your needs promptly and efficiently, here are my preferred methods of communicating:

- If it is personal, please communicate with me in one of two ways:
  - Email me directly, or
  - Visit me during my office hours. I can use either Zoom or meet personally...the choice is yours.
- If it is an issue that would be of interest to the class, please use the "Discussions" tool in Canvas. It will allow me to respond and reduce redundancy for all. Therefore, please monitor Discussions frequently and I will do the same. That will ensure all would have access to accurate and up-to-date information.

We will see how this works as the semester unfolds and is subject to change if I feel this is not working as intended.

**Assessment:** Your grade will be based on the following:

Assignment	Points
Exam 1 (Chapters 1-3)	150
Exam 2 (Chapters 4-6)	150

**Exams:**

During exams you will be permitted to have:

- a four-function calculator (no programmable calculators),
- one sheet of blank scratch paper only.
- Face to Face exams include:
  - 1 Scantron Form 882 E,
  - a #2 pencil, eraser

\* You will **not** be permitted to use a cellphone or take bathroom breaks. Please study and prepare accordingly.

The plan is to have 4 face-to-face exams. However, we must be prepared to pivot to online exams if COVID-19 issues take a turn for the worse\*\*. All exams, online and face to face, will be administered at the pre-determined time. There are no makeups or re-schedules unless directed by the administration of the department or the university at large or there are emergency situations and verifiable documentation is provided by the student (e.g. doctor’s note, subpoena, accident report, etc.).

**\*\*Online exams** will be administered and proctored using Proctorio in Connect. There will not be any additional cost for proctoring. Please make sure you are using the current version of Chrome or Firefox and you will need the following:

- High-speed Internet connection
- Webcam (internal or external)
- Windows, Mac, or Chrome Operating System
- Up-to-date Chrome or Firefox browser
- Valid photo ID
- Quiet environment to take your assessment

Restrictions for this exam do not differ from the in-class exams with the single exception that you will also **not** be permitted to have other people in the room with you.

**COVID-19:** Students, faculty, staff and visitors will be required to wear face coverings when inside University buildings.

COVID information and procedures are found at <https://www.uttyler.edu/coronavirus/>. If you have been exposed or test positive for COVID-19 and had recent contact with the campus community, contact the COVID hotline, 903.565.5999 **immediately**. An online form is also available (<https://www.uttyler.edu/sci/care-team/>). A case manager with the Campus Assessment, Response and Evaluation (CARE) Team will contact your faculty. This correspondence will not disclose any personal information, such as your diagnosis; however, it will serve as verification that they can provide you with accommodations, such as approved absences and other accommodations. The case manager will then forward you this notice for your records.

**Attendance/Preparation/Participation:** I expect interaction in each class period. From time to time you will be called on to participate in discussions, and to do so requires your attendance and preparation, and will be considered when evaluating this portion of your final grade.

**TENTATIVE Acct 2301 Spring 2021 Schedule.** This course is taught in a blended format. Blended learning includes a face-to-face component as well as virtual components. These components are intended to compliment, not replace, one another. For example, you may be asked to complete research, reading, or videos online that will then be used to facilitate in-class discussions and activities. To help you stay organized, a course schedule is provided, below. **Homework assignments are found on Canvas in individual modules that identify any online and/or in-class assignments.** Any due date or assignment/project is subject to change at any time by the instructor. Any changes will be announced in class and via Canvas announcement at least one week prior to due date.

Assignments and due dates for the entire semester are visible in Canvas. **All assignments must be completed on or before the due dates and before class begins on that due date.** No late assignments will be allowed unless there are emergency situations and documentation is provided (e.g. doctor's note, subpoena, accident report, etc.).

**Some assignments will require that you work on various computer programs outside of class, such as MS Excel and MS Word. Please let the instructor know if access to a computer outside of class is an issue for you.**

I highly encourage you to start working on your assignments early. I suggest that you "chunk" the chapters, splitting up the work throughout the week rather than trying to do too much in a compressed timeframe. This ensures you have time to contact the appropriate person(s) if unforeseen technological issues impact your ability to complete the assignment.

## TENTATIVE Acct 2301 Spring 2021 Schedule

Specific chapter assignments are found on Canvas in individual modules that identify any online and/or in-class work to be completed, and is subject to change by the instructor.

### Campus Carry

Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products.

There are several cessation programs available to students looking to quit smoking, including counseling, quitlines, and group support. For more information on cessation programs please visit [www.uttyler.edu/tobacco-free](http://www.uttyler.edu/tobacco-free).

### Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers

### through Financial Aid State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses

during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

### Disability/Accessibility Services

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University of Texas at Tyler offers accommodations to students with learning, physical and/or psychological disabilities. If you have a disability, including a non-visible diagnosis such as a learning disorder,

chronic illness, TBI, PTSD, ADHD, or you have a history of modifications or accommodations in a previous educational environment, you are encouraged to visit <https://hood.accessiblelearning.com/UTTyler> and fill out the New Student application. The Student Accessibility and Resources (SAR) office will contact you when your application has been submitted and an appointment with Cynthia Lowery, Assistant Director of Student Services/ADA Coordinator. For more information, including filling out an application for services, please visit the SAR webpage at <http://www.utt Tyler.edu/disabilityservices>, the SAR office located in the University Center, # 3150 or call 903.566.7079.

### **Student Absence due to Religious Observance**

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

### **Student Absence for University-Sponsored Events and Activities**

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

### **Social Security and FERPA Statement**

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

### **Emergency Exits and Evacuation**

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

### **Student Standards of Academic Conduct**
