Please refer any enquiries/requests for further information outside of these times to the ACTAS Cycling Program Coordinator at [sianm4@bigpond.com](mailto:sianm4@bigpond.com).

**Sale Procedure:**

All items are offered for price indicated in the column to the left of the photo. The process for sale will be as follows:

**Option A: Buy the item for the full advertised price.**

Should anyone commit to purchase any of the items for the full advertised price, the item will be sold to that person on receipt of payment in full. The first person to commit to buy will have first option. If payment is not received within one (1) week of commitment to purchase, and someone else has asked to purchase the item for full price, that person will be given the next option to purchase and so on.

Requests to purchase at full price should be sent to the ACTAS Cycling Program Coordinator at [sianm4@bigpond.com](mailto:sianm4@bigpond.com), using the reference number in Column 1 and a brief description. Please request a delivery and read receipt for your email. Should more than one person commit to buy an item at full price, preference will be given in the order emails were received, according to the time and date stamp on the emails. Every person who commits to purchase an item at full price will have their email acknowledged and be advised where their email sits in the "queue". The first person will be given a time and date by which payment must be made to secure the item.

**Option B: Make an offer on an item**

Offers less than the advertised price will be taken for a period of two (2) weeks by email to the ACTAS Cycling Program Coordinator at [sianm4@bigpond.com](mailto:sianm4@bigpond.com) using the reference number in Column 1 and a brief description. Please request a read receipt when you send your bid, as bids will not be otherwise acknowledged.

The 'bidding' period will end at 5pm on Friday 18 November 2016. No bids will be taken after this time. Any items not purchased for the full price (at any time from the posting of this list), as per Option A above, will be sold to the person making the highest offer by the end of the bidding period. Should that person not make payment in full within one (1) week of the end of the bidding period, the item will be offered to the next highest bidder, and so on until all items are sold.

**NOTE:** The exception to Option B is the motor bike, which has a reserve price. If that reserve price is not met, the motor bike will be advertised through other avenues.

The best way to ensure purchase of an item is to purchase it for the full price. Offers made during the bidding period will not be disclosed. If you make an offer, you are taking the chance that someone else will either purchase the item for full price or make a higher offer than yours. "First in, best dressed".

**Payment**

For all items, except the motor bike, cash will be accepted and an official receipt provided. In the case of the motorbike ACTAS will invoice the purchaser and until payment in full is made, the goods will remain the property of ACTAS.

No credit card or EFTPOS facilities are available.

**Refunds will not be given on any items. Therefore, an inspection is highly recommended before committing to purchase.**
