Adirondack Lite-Weight Travel Trailers

27FB-DSL Shown with Carmel Apple décor and Hickory cabinetry

When it's time for that well deserved vacation, the luxury and comfort of Adirondack will help you relax in style. Adirondack's charming interior décor features raised panel cabinets, premium fabrics and residential-style furnishings. Adirondack is sure to impress the most discriminating buyer.

You will find plenty of pleasing touches in every Adirondack. Large living areas, spacious kitchens with generous storage, and sizeable bathrooms and bedrooms make Adirondack your best value when it comes to lite-weight travel trailers.

27FB-DSL Shown in Tommy Green décor and Harmony White Cabinetry Package

Harmony White Cabinetry Package
An attractive Harmony White Cabinetry Package with Cherry plank linoleum is available with any Adirondack decor for a clean, stylish look.

Sizable bedrooms with queen beds and generous storage areas are staples of the Adirondack product line.

This Page: 27FB -DSL shown with Carmel Apple décor and Hickory cabinetry

Adirondack floorplans feature spacious galleys with ample countertop and storage space. A large 8 cu.ft. double door refrigerator, a 3-burner range with oven, microwave oven and a range hood with light and exhaust fan are standard features on all Adirondack models. Plus, most floorplans include a storage pantry and an oversized pots and pans drawer.

NOW EVEN MORE STANDARD FEATURES!

Does the competition offer all of these standard features?

POPULAR OPTIONS

A Diamond Plate Rock Guard

Diamond plate protects your investment from damage from the road.

B Flat Screen TV with Wall Mount

Your Adirondack comes standard with an indoor/outdoor satellite/cable connection, and now you can upgrade your viewing experience with our exclusive TV wall mount system and 15" flat screen TV. The TV bracket mounts into the standard installed pod on the interior, and is removable to mount on the exterior.

C Aluminum Rims

Upgrade your Adirondack with 5-spoke aluminum rims.

D Exterior Grill

Take your cooking outside with an exterior barbecue grill.

E Black Tank Flush

An exterior hose attachment allows for easier holding tank maintenance.

THULE[®]
SWEDEN

SMART RV

Thule, the industry leader in cargo management systems for cars and trucks, has partnered with Adirondack to create the Smart RV System. This patented system allows Adirondack owners to create a functional outdoor living area that's easy to set up and enjoy. The Smart RV system uses a number of factory-installed anchor pods mounted on the exterior of the trailer. The accessories mount to the pods in seconds using Thule's innovative quick-release latch system.

The optional *Thule Smart RV Package 1* includes:

- Table with 2 chairs
- 2 Universal hooks
- Countertop
- Trash bin
- Table caddy

The optional *Thule Smart RV Package 2* includes:

- Table with 2 chairs
- Trash bin
- Table caddy

Smart RV Table and Chairs
48" x 24" heavy duty polyethylene table top and adjustable legs, folds in half for storage. 2 black, weather-resistant camping chairs

Smart RV Trash Bin
Fits 13 gallon garbage bags and collapses for storage

Smart RV Countertop
40" x 16" polyethylene countertop with adjustable support arms

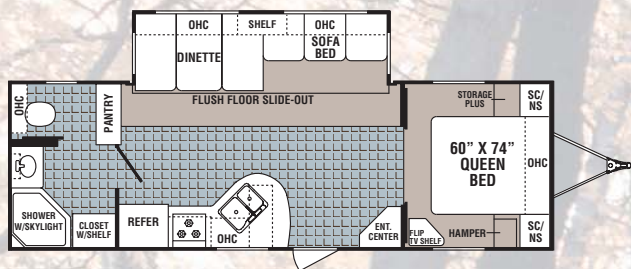

Smart RV Universal Hook
2 hooks per package with foam cushion and grip

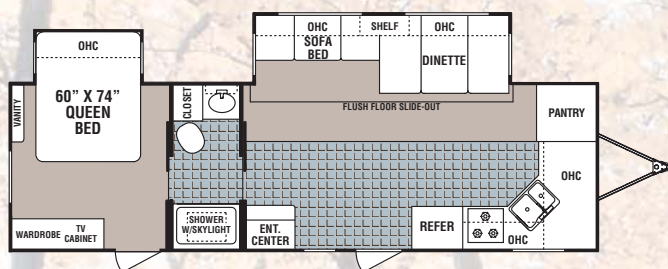

Smart RV Table Caddy
Attaches to Smart RV Table, and can stand alone to be used with indoor tables

Vehicle loading – Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only. Warning – This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.

*Axle weight, UVW and Dry Hitch Weight are base weights of units without options. Each unit includes a weight label which lists specific weight information for that unit.

Adirondack's LITE-WEIGHT CONSTRUCTION means larger floorplans that weigh 1000-1500 lbs. less than traditionally built RV's!

Did you know that every Adirondack is weighed at the factory as it leaves the production line? Our certified weight includes options!

Most competitors publish only a base weight that does not include options. Make sure that you know what the "real" weight of the unit is before you buy your next ultra-lite trailer.

CHASSIS

Durable, lightweight *Power-V* chassis

1. Folding entry step
2. Ultra-lube hubs. Grease Zerk makes wheel bearings easy to lube. Extends life of bearings
3. Rubber torsion "independent suspension" axles - the smoothest ride in the industry!
4. All tanks mounted in frame. Lowers the center of gravity, and saves valuable interior storage space
5. 46 Gallon fresh water tank. Tank design prevents water from standing in tanks during storage. One of the largest fresh water tanks in the industry!
6. Enclosed underbelly protects tanks and floor from the hazards of the road
7. *Power-V* lightweight chassis with durable powder-coat over E-coat paint finish
8. Twin 30 lb. LP tanks with ABS cover
9. Integrated heavy duty safety chains

LAMINATED WALLS

5-Ply construction. Fully laminated, aluminum-framed construction.

10. Tubular aluminum welded frame reinforced around door
11. Dark tint, safety glass, radius corner windows
12. Insulated baggage doors with key locks and finger pulls
13. ABS fender skirts
14. Decorative wall board
15. Luan wood backer
16. High density structural foam insulation
17. Luan wood backer
18. Smooth fiberglass with premium graphics package
19. Pass-through storage compartment (where available)
20. Aerodynamic front profile

LAMINATED ROOF

5-Ply construction. Fully laminated, aluminum-framed construction.

21. Tubular aluminum- framed, radius roof reinforced at A/C
22. One-piece EPDM rubber roof with 12 year manufacturer's material warranty
23. Luan wood backer
24. High density structural foam insulation
25. Luan wood backer
26. Decorative ceiling board

LAMINATED FLOOR

5-Ply construction. Fully laminated, aluminum-framed floor structure.

27. One-piece composite wheel wells
28. Residential vinyl flooring
29. Residential carpet with pad
30. Two layers of floor decking over aluminum frame and foam
31. High density structural foam
32. Plywood base with polypropylene, waterproof vapor barrier
33. Tubular aluminum framed floor, reinforced at tanks

Adirondack's dinette seat, bunk beds, queen beds and pass-through storage compartments are aluminum framed. They are lighter and more durable than the competitors' wood frame structures.

Aerodynamic, Lite-Weight Design for *Better Fuel Economy!*

MORE STANDARD FEATURES

From the Leader in Super-Lite Technology

ADIRONDACK

STANDARD FEATURES

Standard Exterior Features

- Lite-weight aerodynamic design
- Enclosed underbelly
- Four corner stabilizer jacks
- Exterior hot and cold spray-away station
- Pac-n-Play storage compartment (30QB-DSL)
